managers including publicists journalists and even ambassadors Beyond the democratic celebrations of the Jazz Age the promotion of their charismatic masculinity through spectacle and press coverage inaugurated the now familiar convergence of popular celebrity and political authority This is the first volume in the new Cinema Cultures in Contact series coedited by Giorgio Bertellini Richard Abel and Matthew Solomon *Emporium of Death* Mel Hague, 2010-07 Mass murderer Archie Dyson is The Grey Man Hanged in 1927 he vowed he would return Over fifty years later when blood is spilled on the cracked glass of a small photograph of his Dyson's image shifts from a dull sepia to a clear grey then disappears He reappears in a larger photo Thus begins his terrifying return as he moves from picture to picture growing larger and more powerful with each move He begins to possess Janet the wife of Eric Baker the man who now owns Archie's old business The Dyson Emporium of Second Hand Antique Furniture or the Emporium of Death The young couple who own Dyson's shop have no idea who Archie Dyson is or what he's done Dyson butchered and cannibalized seven women burying them in the shop's cellar Eric begins to have nightmares while Janet a professional artist is being manipulated to paint a huge mural of Dyson so he can continue a new reign of cannibalistic terror Meanwhile Dyson has begun to kill again and implicates Eric who goes to prison for murdering three women The coast is now clear for The Grey Man to force Janet into completing her mural This nerve shattering novel builds to a stunning climax Mel Hague has written four books three Westerns and *Emporium of Death* Originally from England Hague moved to Canada at an early age but he once again resides in Doncaster UK His career has included singer songwriter broadcaster and journalist and he was voted Top British Country Music Entertainer in 1981

very thick of things thanks to his job as a deejay at the South African Broadcasting Corporation This book astonishing for the breadth of its coverage is based on his diaries on interviews he conducted and on numerous other sources and we find in it not only the well known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries     Oh, What A Circus Tim Rice,2012-10-01 With wit and candour Tim Rice describes the gilded path that took him from cricket and comic obsessed schoolboy to one of the world s best known lyricists Along the way he worked as a petrol pump attendant and artiled clerk before becoming a management trainee at EMI But it was his fateful meeting with Andrew Lloyd Webber in 1965 which was to be the turning point in Tim s career Immediate fortune didn t follow and it took the album of Jesus Christ Superstar to reach no 1 in the States before they were taken seriously Covering every aspect of his life until his marriage to Jane McIntosh and the opening of the stage production of Evita this is an engaging and fascinating autobiography     Evita (cassette).
