Know the Faith Michael Shanbour,2016-10-10 Over the centuries since the Great Schism between the Eastern and Western Churches the two groups have diverged to the point that they often no longer understand each other s vocabulary let alone the fundamental concepts on which each faith is built Know the Faith is an attempt to present Orthodox Christianity in a way Western Christians can understand grounding each point in Scripture and patristic theology with comparisons to what Catholics and Protestants believe Whether you are an Orthodox Christian seeking to explain your faith to others or an inquirer into this ancient faith Know the Faith will help you understand and communicate the Orthodox faith as never before

A New English Translation of the Septuagint Albert Pietersma, Benjamin G. Wright, 2007-11-02 The Septuagint the ancient Greek translation of Jewish sacred writings is of great importance in the history of both Judaism and Christianity The first translation of the books of the Hebrew Bible plus additions into the common language of the ancient Mediterranean world made the Jewish scriptures accessible to many outside Judaism Not only did the Septuagint become Holy Writ to Greek speaking Jews but it was also the Bible of the early Christian communities the scripture they cited and the textual foundation of the early Christian movement Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint s influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap
