A Species Guide for the Berryessa Snow Mountain Region Oct 12 2021 Tuleyome, a nonprofit conservation organization based in Woodland, California spearheaded the campaign to permanently protect the Berryessa Snow Mountain region which includes parts of Yolo, Lake, Napa, Mendocino and Solano Counties. Our efforts came to fruition when, on July 10, 2015, President Barack Obama signed the proclamation that designated the region as the Berryessa Snow Mountain National Monument. The monument is comprised of over 330,000 acres of federal public lands and includes the Cache Creek Wilderness, the Cedar Roughs Wilderness, and the Snow Mountain Wilderness. This species guide contains photographs and information on over 200 distinct species of plants and animals, but they still only comprise a tiny fraction of the flora and fauna found throughout the Berryessa Snow Mountain region. While the guide is not comprehensive, it provides an introduction to the diversity of life found in this rich area, including many common as well as threatened and endangered species.

P Is for Pterodactyl Apr 29 2023 A New York Times Bestseller! A "raucous trip through the odd corners of our alphabet." —The New York Times Let's get real—the English language is bizarre. A might be for apple, but it's also for aisle and aeons. Why does the word "gnat" start with a G but the word "knot" doesn't start with an N? It doesn't always make sense, but don't let these rule-breaking silent letters defeat you! This whimsical, funky book from Raj Haldar (aka rapper Lushlife) turns the traditional idea of an alphabet book on its head, poking fun at the most mischievous words in the English language and demonstrating how to pronounce them. Fun and informative for word nerds of all ages!

What They Signed Up for Mar 09 2024 They grew up on wheat farms in Eastern Washington, on a reservation in Oklahoma, in military housing on an Air Force base in Arizona. They signed up to be Marines, soldiers, airmen, and sailors, and they became medics, truck drivers, mechanics, and infantrymen. They enlisted to honor family tradition, to find purpose in their lives, to lift themselves out of poverty, to be patriots. And they went to war. In *What They Signed Up For*, eighteen American veterans tell their stories of going to war and life after they came home. In the cities of Iraq and the mountains of Afghanistan, they witnessed the carnage of IEDs and survived daily mortar attacks. They put friends in body bags and saw others grievously wounded. But for many veterans, the war didn't end when they took off their uniform. The invisible wounds of war run deeper, and are more painful, than America wants to know. The cost of war continues back home.

Happy for You Dec 26 2022 A NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE NAMED A MOST ANTICIPATED BOOK OF 2022 BY GLAMOUR, ELECTRIC LIT, AND THE MILLIONS "Engrossing and clever . . . Stanford captures the allure, absurdity and menace of corporate spaces with wit and levity . . . Anyone who has resisted fitting neatly into an algorithm will find a companion in Evelyn, and in this book." —The New York Times Book Review "The optimal novel for the strange times we find ourselves in." —Rachel Khong, author of *Goodbye, Vitamin* A whip-smart, funny, affecting novel about a young woman who takes a job at a tech company looking to break into the "happiness market"—even as her own happiness feels more unknowable than ever Four years into writing her still-unfinished philosophy dissertation, and anticipating a marriage proposal from her long-term boyfriend, Evelyn Kominsky Kumamoto is wrestling with big questions about life: How can she do meaningful work in the world? Is she ready for marriage—and motherhood? But no one else around her seems to share her ambivalence. Her relentlessly optimistic, Midwestern boyfriend has no hesitation about making a lifelong commitment; her best friend, Sharky, seems to have wholeheartedly embraced his second-choice career as a trend forecaster; and her usually reserved father has thrown himself headlong into a new relationship—his first since her mother's passing when Evelyn was fourteen. Swallowing her doubts, Evelyn makes a leap, leaving academia for a job as a researcher at the third-most popular internet company, where her team is tasked with developing an app that will help users quantify and augment their happiness. Confronting Silicon Valley's norm-reinforcing algorithms and predominantly white culture, she struggles to find belonging: as a biracial person, as an Asian American, and as someone who doesn't know how to perform social media's vision of what womanhood should look like. As her misgivings mount, an unexpected development upends her assumptions about her future, and Evelyn embarks on a journey toward an authentic happiness all her own. Wry, touching, and sharply attuned to the ambivalence, atomization, and illusion of control that characterize modern life, *Happy for You* is a story of a young woman at a crossroads that movingly explores how, even in this mediated world, our emotions, contradictions, and vulnerabilities have a transformative power we could never predict.

"[A] gift, and one that keeps giving." —USA Today For Will Schwalbe, reading is a way to entertain himself but also to make sense of the world, and to find the answers to life's questions big and small. In each chapter, he discusses a particular book and how it relates to concerns we all share. These books span centuries and genres—from *Stuart Little* to *The Girl on the Train*, from *David Copperfield* to *Wonder*, from *Giovanni's Room* to *Rebecca*, and from 1984 to *Gifts from the Sea*. Letters for Emily Sep 22 2022 You are so young. You may wonder what an old man like me could teach? I wonder as well. I certainly don't claim to know all the answers. I'm barely figuring out the questions....Life has a strange way of repeating itself and I want my experience to help you. I want to make a difference. My hope is that you'll consider my words and remember my heart. Harry Whitney is dying. And in the process, he's losing his mind. Afflicted with Alzheimer's disease, he knows his "good" time is dwindling. Wishing to be remembered as more than an ailing old man, Harry realizes the greatest gift he can pass on is the wisdom of his years, the jumbled mix of experiences and emotions that add up to a life. And so he

compiles a book of his poems for his favorite granddaughter, Emily, in the hope that his words might somehow heal the tenuous relationships in a family that is falling apart. But Harry's poems contain much more than meets the eye....As Emily and her family discover, intricate messages are hidden in them, clues and riddles that lead to an extraordinary cache of letters, and even a promise of hidden gold. Are they the ramblings of a man losing touch with reality? Or has Harry given them a gift more valuable than any of them could have guessed? As Harry's secrets are uncovered one by one, his family learns about romance, compassion, and hope -- and together they set out to search for something priceless, a shining prize to treasure forever. They may grow closer in spirit or be torn apart by greed...but their lives will be undeniably altered by Harry's words in his letters for Emily.

There Is No Good Card for This Aug 02 2023 The creator of the viral hit "Empathy Cards" teams up with a compassion expert to produce a visually stunning and groundbreaking illustrated guide to help you increase your emotional intelligence and learn how to offer comfort and support when someone you know is in pain. When someone you know is hurting, you want to let her know that you care. But many people don't know what words to use—or are afraid of saying or doing the wrong thing. This thoughtful, instructive guide, from empathy expert Dr. Kelsey Crowe and greeting card maverick Emily McDowell, blends well-researched, actionable advice with the no-nonsense humor and the signature illustration style of McDowell's immensely popular *Empathy Cards*, to help you feel confident in connecting with anyone experiencing grief, loss, illness, or any other difficult situation. Written in a how-to, relatable, we've-all-been-that-deer-in-the-headlights kind of way, *There Is No Good Card for This* isn't a spiritual treatise on how to make you a better person or a scientific argument about why compassion matters. It is a helpful illustrated guide to effective compassion that takes you, step by step by step, past the paralysis of thinking about someone in a difficult time to actually doing something (or nothing) with good judgment instead of fear. *There Is No Good Card for This* features workbook exercises, sample dialogs, and real-life examples from Dr. Crowe's research, including her popular "Empathy Bootcamps" that give people tools for building relationships when it really counts. Whether it's a coworker whose mother has died, a neighbor whose husband has been in a car accident, or a friend who is seriously ill, *There Is No Good Card for This* teaches you how to be the best friend you can be to someone in need.

What Do We Need Men For? Feb 08 2024 As seen on the cover of *New York Magazine*, America's longest running advice columnist goes on the road to speak to women about hideous men and whether we need them. "Carroll's lively prose careens in constant pursuit of pleasure...indefatigably funny and full of life." -Lindsay Zoladz, *The Ringer* "Darkly humorous and deadly serious." -Sibbie O'Sullivan, *Washington Post* "A compulsively interesting feminist memoir." -Virginia Heffernan, *Slate* "Somehow hilarious, in the way that only E. Jean could have written it" -Leigh Haber, *Oprah Magazine* "Roving, curious, compassionate, whimsical." -Megan Garber, *The Atlantic* When E. Jean Carroll—possibly the liveliest woman in the world and author of the "Ask E. Jean" advice column in *Elle Magazine*, realized that her eight million readers and question-writers all seemed to have one thing in common—problems caused by men—she hit the road. Crisscrossing the country with her blue-haired poodle, Lewis Carroll, E. Jean stopped in every town named after a woman between Eden, Vermont and Tallulah, Louisiana to ask women the crucial question: *What Do We Need Men For?* E. Jean gave her rollicking road trip a sly, stylish turn when she deepened the story, creating a list called "The Most Hideous Men of My Life," and began to reflect on her own sometimes very dark history with the opposite sex. What advice would she have given to her past selves—as Miss Cheerleader USA and Miss Indiana University? Or as the fearless journalist, television host, and eventual advice columnist she became? E. Jean intertwines the stories of the fascinating people she meets on her road trip with her "horrible history with the male sex" (including mafia bosses, media titans, boyfriends, husbands, a serial killer, and a president), creating a decidedly dark yet hopeful, hilarious, and thrilling narrative. Her answer to the question *What Do We Need Men For?* will shock men and delight women.

Know What You're FOR Jun 12 2024 Your organization - business, church, or nonprofit - will experience unprecedented growth when you close the gap between these two game-changing questions: What are we known for? What do we want to be known for? In *Know What You're FOR*, entrepreneur and thought leader Jeff Henderson makes it clear that if we want to change the world with our products or our mission, then we must shift the focus of our messaging and marketing. Rather than self-promoting, we must transform our organizations to be people-centric. This sounds like a no-brainer, but looking closer shows just how little this is true and how impactful the change would be if it were. Whether you're a business leader, a change advocate, or a movement maker, *Know What You're FOR* will help you - and your organization - thrive. It's what happens when you create an organization focused on who it is FOR. This is the future. Thriving organizations will be more concerned with becoming raving fans of their customers than they are trying to convince customers to become raving fans of the organization. This isn't theory. Jeff Henderson has experienced it. Working with companies like Chick-fil-A and the Atlanta Braves, then serving as a pastor for 15 years at one of the country's largest and most influential churches, North Point, Jeff knows what success looks like for healthy organizations and healthy lives. With fascinating stories from a host of entrepreneurs and Jeff's remarkable career, *Know What You're FOR* equips you with a simple strategy and the tools for extraordinary growth. You'll discover how to: Work FOR your current and future customers with a new, effective method Be FOR your team and help your people reach full potential Create a ripple impact by being FOR your community Live and work your best by caring FOR yourself In a hypercritical, cynical world, one that is often known for what it's against, let's be a group of people known for who and what we're FOR. It's a powerful strategy for business. But more importantly, it is a revolutionary way to live.

What You Wish For Jan 07 2024 "The story's message, that people should choose joy even (and especially) in difficult and painful times, seems tailor-made for this moment. A timely, uplifting read about finding joy in the midst of tragedy, filled with quirky characters and comforting warmth."—Kirkus (starred review) From the New York Times bestselling author of *How to Walk Away* comes a stunning new novel full of heart and hope. Samantha Casey is a school librarian who loves her job, the kids, and her school family with passion and joy for living. But she wasn't always that way. Duncan Carpenter is the new school principal who lives by rules and regulations, guided by the knowledge that bad things can happen. But he wasn't always that way. And Sam knows it. Because she knew him before—at another school, in a different life. Back then, she loved him—but she was invisible. To him. To everyone. Even to herself. She escaped to a new school, a new job, a new chance at living. But when Duncan, of all people, gets hired as the new principal there, it feels like the best thing that could possibly happen to the school—and the worst thing that could possibly happen to Sam. Until the opposite turns out to be true. The lovable Duncan she'd known is now a suit-and-tie wearing, rule-enforcing tough guy so hell-bent on protecting the school that he's willing to destroy it. As the school community spirals into chaos, and danger from all corners looms large, Sam and Duncan must find their way to who they really are, what it means to be brave, and how to take a chance on love—which is the riskiest move of all. With Katherine Center's sparkling dialogue, unforgettable characters, heart, hope, and humanity, *What You Wish For* is the author at her most compelling best.
