S. Government, Economics and Citizenship 4-5

The Complete Classroom Set, Print includes: 30 print Student Editions, 1 print Teacher Edition This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work. This set of standards-based reproducible activity pages is basic, not boring. In this book, students tour the American government and economy with a sassy American eagle named Egbert. They 'll review important facts about the structure of the government, the workings of the economy, and the rights and responsibility of citizens. An assessment, glossary, and helpful lists are included. Is economic freedom a necessary condition for political freedom? What can the government do about unemployment? Why would

governments limit international trade? Students use questions such as these to help them make essential connections between economics and civics/government. A civics program building the next generation of active Americans, *Civics Today: Citizenship, Economics, and You* meets the content standards for civics and government as outlined by the National Standards for Civics and Government. Many young citizens are completing their education with little or no sense of civic responsibility. This program teaches the knowledge and skills needed to be an effective, active citizen. It also encourages an appreciation for the American political system and fosters a willingness to take part in American democracy. Two economics units provide an understanding of the interrelationship between democracy and the free enterprise system. This inviting program delivers fully developed content; relevant, engaging features; and a fresh, student-friendly design that appeals to every student in your diverse classroom. To enhance your students success in assessment, the content is carefully aligned with state and national standards in Civics and Economics.
