You Have a Brain Mar 30 2024 Eight proven principles to help you overcome your self-doubt, conquer your fear of the future, reverse negative thoughts about yourself, and hurdle any other obstacles standing between you and your dreams. But instead of letting his circumstances control him, Dr. Carson took control of his attitude and actions, leading to his discovery of eight straightforward but revolutionary principles that helped shape his future. In *You Have a Brain*, Dr. Carson unpacks the eight important parts of T.H.I.N.K. B.I.G.—Talent, Honesty, Insight, Being Nice, Knowledge, Books, In-Depth Learning, and God—and presents the stories of people who demonstrated those things in his life. Through the advice and real-world examples laid out in these pages, you will learn how to incorporate these T.H.I.N.K. B.I.G. principles into your own life so that you, like Dr. Carson, can embrace an amazing future filled with incredible success. *You Have a Brain*: Includes discussion questions at the back of the book Unpacks the eight essential parts of Thinking Big: Talent, Honesty, Insight, Strong People Skills, Knowledge, Books, In-Depth Learning, and God Is written by Dr. Ben Carson, a world-renowned neurosurgeon, former presidential candidate, and current Secretary of Housing and Urban Development (HUD) Teaches great life lessons for young men and women Is the perfect gift for high school and college graduations, birthdays, and confirmations, and a great addition to YA book clubs and YA study groups

The Chill Jul 30 2021 A supernatural force—set in motion a century ago—threatens to devastate New York City in this spine-tingling national bestseller that “grips from the first page” (Stephen King, #1 New York Times bestselling author). Far upstate, in New York’s ancient forests, a drowned village lays beneath the dark, still waters of the Chlewauckee reservoir. Early in the 20th century, the town was destroyed for the greater good: bringing water to the millions living downstate. Or at least that’s what the politicians from Manhattan insisted at the time. The local families, settled there since America’s founding, were forced from their land, but some didn’t leave... Now, a century later, the repercussions of human arrogance are finally making themselves known. An inspector assigned to oversee the dam, dangerously neglected for decades, witnesses something inexplicable. It turns out that more than the village was left behind in the waters of the Chill when it was abandoned. A dark prophecy remained, too, and the time has come for it to be fulfilled—for sacrifices must be made. And as the dark waters begin to inexorably rise, the demand for a fresh sacrifice emerges from the deep. Unputdownable and suspenseful, “*The Chill* is an eerie dive into the murky depths of the supernatural. A story that has you looking back over your shoulder on every page” (Michael Connelly, #1 New York Times bestselling author).

The Naked Communist Apr 26 2021 The most vivid and comprehensive book on Communism ever published, *The Naked Communist* is a distillation of

more than a hundred books and treatises on Communism, many written by Marxist authors. It portrays Communists the way they see themselves but stripped of propaganda and pretense. Here is explained Communism's amazing appeal, its history, and its basic and unchanging concepts--even its secret timetable and 45-point plan for world domination. Vital questions are clearly answered: Who gave Russia the A-bomb? How did the FBI fight the battle of the underground? Why did the West lose 600 million allies after World War II? What really happened in Korea? What is Communism's secret weapon? Is there an answer to Communism? And what lies ahead? The Naked Communist has sold millions of copies and can be found in the libraries of the CIA, the FBI, the White House, and homes all across America. "No one is better qualified to discuss the threat to this nation from Communism. You will be alarmed, you will be informed, and you will be glad you heard him." Ronald Reagan, president of the United States of America "I feel certain that your efforts on this important subject will receive widespread attention and consideration." J. Edgar Hoover, director of the Federal Bureau of Investigation "The Naked Communist lays out the whole progressive plan. It is unbelievable how fast it has been achieved." Dr. Ben Carson. "Skousen predicted that someday soon you won't be able to find the truth in books or in libraries or anywhere else because it won't be in print anymore. . . . The history of this country is going to be lost because it's going to be hijacked by intellectuals and Communists. . . . And I think we're there." Glenn Beck, news commentator and talk-show host W. Cleon Skousen was an American conservative author and faith-based political theorist. A notable anti-Communist, he served as a special agent for the FBI and as field director for the American Security Council. Under President Ronald Reagan, he was a charter member of the Council for National Policy, a conservative think tank. He was also the founder of the National Center for Constitutional Studies.

The Big Picture Oct 25 2023 Dr. Ben Carson is known as the originator of groundbreaking surgical procedures and a doctor who turns impossible hopes into joyous realities. But where does this incredible drive and focus come from? According to Dr. Carson himself, the answer is simple: The Big Picture. Every day when Dr. Carson went to work as a surgeon, he had to make life-and-death decisions. For that reason, and because so many of the people and families he worked with had suddenly been forced to reconsider what's really important in life, he's spent a lot of his own time searching for perspective. By finding a vision of something truly worth living for--something that shines a light on the best of his amazing talents, energy, and focus--Dr. Carson can discern what matters and leave the rest behind. In The Big Picture, Dr. Carson sheds light on this life-changing philosophy, giving you the tools and encouragement you need to: View hardship as an advantage Determine what really matters See your life from a new perspective The Big Picture is all about broadening your perspectives and finding a vision for your own life that can reframe your priorities, energize your efforts, and inspire you to change the world around you. Are you ready to see The Big Picture?

My Life Jul 22 2023 Ben Carson grew up in the inner cities of Boston and Detroit with his mother and brother. When his father deserted the family, Ben's mother worked several jobs to support her boys yet worked even harder to encourage them to get an education and follow their dreams. Ben's dreams nearly ended when his anger at being poor and the ridicule of a school mate caused him to snap; he lunged at the boy and cut him with a knife. That brush with attempted murder caused Carson to break down and ask God to turn him around. And turn him around he did. A poor student, Carson under the guidance of his mother and brother became the best student in his class, his school, and ultimately earned a scholarship to Yale. The next time he used a knife was as a neurosurgeon at Johns Hopkins Hospital where he pioneered surgery techniques that not only saved lives but miraculously gave countless children an amazing quality of life. My Life is the story of a young boy who could have remained trapped in poverty were it not for his mother's tough and sacrificial love, his own perseverance that he learned from her example, and his deep faith that called him to do great and mighty things. This book contains

a new chapter about Dr. Carson's philosophies of serving one's country, becoming role models for people with disadvantaged backgrounds, using the talents God has given you, embracing what success really is, and believing, youths and adults alike, that with hard work and perseverance, "you can do it." And on May 4, 2015, Dr. Ben Carson declared himself a candidate for the Presidency of the United States of America.

Gifted Hands 20th Anniversary Edition Jun 20 2023 Gifted Hands reveals the remarkable journey of Dr. Ben Carson from an angry, struggling young boy with everything stacked against him to the director of pediatric neurosurgery at the Johns Hopkins Children's Center. As a boy, he did poorly in school and struggled with anger. If it were not for the persistence of his mother, a single parent who worked three jobs and pushed her sons to do their best, his story may have ended tragically. Join Dr. Carson on his journey from a struggling inner-city student to the pinnacle of his career as a world-renowned neurosurgeon. A man of humility, decency, compassion, courage, and sensitivity, he now serves as a role model for everyone who wants to achieve their God-given potential. As you learn more about Dr. Carson's amazing story, you'll be inspired to: Take charge of your own destiny Hone your God-given gifts Face adversity head on Filled with fascinating stories, Gifted Hands will transport you into the operating room to witness surgeries that made headlines around the world, and into the private mind of a compassionate, God-fearing physician who lives to help others.

Red Doc Aug 30 2021 A literary event: a follow-up to the internationally acclaimed poetry bestseller *Autobiography of Red* ("Amazing" -- Alice Munro) that takes its mythic boy-hero into the twenty-first century to tell a story all its own of love, loss, and the power of memory. In a stunningly original mix of poetry, drama, and narrative, Anne Carson brings the red-winged Geryon from *Autobiography of Red*, now called "G," into manhood, and through the complex labyrinths of the modern age. We join him as he travels with his friend and lover "Sad" (short for Sad But Great), a haunted war veteran; and with Ida, an artist, across a geography that ranges from plains of glacial ice to idyllic green pastures; from a psychiatric clinic to the somber house where G's mother must face her death. Haunted by Proust, juxtaposing the hunger for flight with the longing for family and home, this deeply powerful verse picaresque invites readers on an extraordinary journey of intellect, imagination, and soul.

Created Equal Aug 11 2022 In this inspiring New York Times bestseller, conservative icon Dr. Ben Carson lays out a hopeful road map for how America can come together. External physical characteristics that are genetically encoded are things over which no individual has control. But rather than appreciating the gift of diversity, some have chosen to use it to drive wedges between groups of people. Some of these external characteristics are associated with the past moral failing of slavery. Though slavery in America formally ended in the 1860s, the vestiges of that evil institution are still with us today, and those vestiges often inflict guilt on some and facilitate feelings of victimhood in others. In *Created Equal*, Dr. Carson uses his own personal experiences as a member of a racial minority, along with the writings and experiences of others from multiple backgrounds and demographics, to analyze the current state of race relations in America. Instead of using race as an excuse to remake America into something completely antithetical to the Constitution, Dr. Carson suggests ways to enhance and bring great success to our nation and all multiethnic societies by magnifying America's incredible strengths instead of her historical weaknesses.

The Porcupine of Truth Dec 15 2022 Stonewall Book Award winner. “Konigsberg weaves together a masterful tale of uncovering the past, finding wisdom, and accepting others as well as oneself.” —School Library Journal (starred review) Winner of the PEN Center USA Literary Award for Children’s/Young Adult A YALSA Best Fiction for Young Adults Selection Carson Smith is resigned to spending his summer in Billings, Montana, helping his mom take care of his father, a dying alcoholic he doesn’t really know. Then he meets Aisha Stinson, a beautiful girl who has run away from her difficult family, and discovers a secret regarding his grandfather, who disappeared without warning or explanation decades before. Together, Carson and Aisha embark on an epic road trip to try and save Carson’s dad, restore his fragmented family, and discover the “Porcupine of Truth” in all of their lives. “Words like ‘brilliant’ are so overused when praising novels—so I won’t use that word. I’ll just think it.” —Benjamin Alire Sáenz, author of *Aristotle and Dante Discover the Secrets of the Universe* “Undeniably human and unforgettably wise, this book is a gift for us all.” —Andrew Smith, author of *Grasshopper Jungle* “Konigsberg . . . crafts fascinating, multidimensional teen and adult characters. A friendship between a straight boy and a lesbian is relatively rare in YA fiction and is, accordingly, exceedingly welcome.” —Booklist (starred review) “The story tackles questions about religion, family, and intimacy with depth and grace . . . Equal parts funny and profound.” —Kirkus Reviews

The God Who Is There Feb 14 2023 It can no longer be assumed that most people--or even most Christians--have a basic understanding of the Bible. Many don't know the difference between the Old and New Testament, and even the more well-known biblical figures are often misunderstood. It is getting harder to talk about Jesus accurately and compellingly because listeners have no proper context with which to understand God's story of redemption. In this basic introduction to faith, D. A. Carson takes seekers, new Christians, and small groups through the big story of Scripture. He helps readers to know what they believe and why they believe it. The companion leader's guide helps evangelistic study groups, small groups, and Sunday school classes make the best use of this book in group settings.

Silent Spring Jan 16 2023 The essential, cornerstone book of modern environmentalism is now offered in a handsome 40th anniversary edition which features a new Introduction by activist Terry Tempest Williams and a new Afterword by Carson biographer Linda Lear.

America the Beautiful Jan 28 2024 What is America becoming? Or, more importantly, what can she be if we reclaim a vision for the things that made her great in the first place? Join Dr. Ben Carson as he explores what made this nation great and discovers how we can find our way back. In *America the Beautiful*, Dr. Ben Carson helps us learn from our past in order to chart a better course for our future. From his personal ascent from inner-city poverty to international medical and humanitarian acclaim, Carson shares experiential insights that help us understand: What is already good about America Where we have gone astray Which fundamental beliefs have guided America from her founding into preeminence among nations Written by a man who has experienced America's best and worst firsthand, *America the Beautiful* is at once alarming, convicting, and inspiring. You'll gain new perspectives on our nation's origins, our Judeo-Christian heritage, our educational system, capitalism versus socialism, our moral fabric, healthcare, and much more. An incisive declaration of the values that shaped America's past and must shape her future, *America the Beautiful* calls us all to use our God-given talents to improve our lives, our communities, our nation, and our world.

Coming to Birth Jan 21 2021 In this quietly powerful and eminently readable novel, winner of the prestigious Sinclair Prize, Kenyan writer Marjorie Macgoye deftly interweaves the story of one young woman’s tumultuous coming of age with the history of a nation emerging from colonialism. At the age of sixteen, Paulina leaves her small village in western Kenya to join her new husband, Martin, in the bustling city of Nairobi. It is 1956, and Kenya is in the final days of

the "Emergency," as the British seek to suppress violent anti-colonial revolts. But Paulina knows little about, about city life, or about marriage, and Martin's clumsy attempts to control her soon lead to a relationship filled with silences, misunderstandings, and unfulfilled expectations. Soon Paulina's inability to bear a child effectively banishes her from the confines of traditional women's roles. As her country at last moves toward independence, Paulina manages to achieve a kind of independence as well: She accepts a job that will require her to live separately from her husband, and she has an affair that leads to the birth of her first child. But Paulina's hard-won contentment will be shattered when Kenya's turbulent history intrudes into her private life, bringing with it tragedy—and a new test of her quiet courage and determination. Paulina's patient struggles for survival and identity are revealed through Marjorie Macgoye's keen and sensitive vision—a vision which extends to embrace the whole of a nation and a people likewise struggling to find their way. As the *Weekly Standard of Kenya* notes, "Coming to Birth is a radical novel in firmly asserting our common humanity."

The Big Picture Sep 11 2022 "A multifaceted look at the faith and vision that can see us all through hardship and failure, and stir us to bold exploits on behalf of something greater than ourselves."--Jacket.

The Empowerment Mindset Jun 28 2021 The *Empowerment Mindset* takes readers on a powerful journey of self-discovery so that they can transform unfulfilled lives to reflect happiness, success, and genuine empowerment. Helin notes that "if you don't acquire the knowledge to improve your life, you will trap future generations of your family in the same cycle of disappointment." Going beyond vague platitudes, this book shows the practical way to greater success and happiness through the adoption of an "empowerment mindset"—a way of living that empowers people to take charge of their lives. If Helin's past books are an accurate gauge, *The Empowerment Mindset* is destined to become the most influential self-help book of the twenty-first century.

Think Big Jun 01 2024 This book is for you if your life is a series of shattered dreams. This book is for you if you have no dreams at all. It's for you if you've bought the lie that you'll never amount to anything. That's not true. Your life is BIG--far bigger than you've imagined. Inside these pages lie the keys to recognizing the full potential of your life. You won't necessarily become a millionaire (though you might), but you will attain a life that is rewarding, significant, and more fruitful than you ever thought possible. The author of this book knows about hardship. Ben Carson grew up in inner-city Detroit. His mother was illiterate. His father had left the family. His grade-school classmates considered Ben stupid. He struggled with a violent temper. In every respect, Ben's harsh circumstances seemed only to point to a harsher future and a bad end. But that's not what happened. By applying the principles in this book, Ben rose from his tough life to one of amazing accomplishments and international renown. He learned that he had potential, he learned how to unleash it, and he did. You can too. Put the principles in this book in motion. Things won't change overnight, but they will change. You can transform your life into one you'll love, bigger than you've ever dreamed.

Think Big Apr 30 2024 Shows readers how to recognize their talents as gifts, gain insight from people and books, be nice to all people, recognize knowledge as the key to living, develop in-depth learning skills, and keep in touch with God. Reprint.

Bring Out The Magic In Your Mind May 08 2022 Here is the key to the amazing untapped powers in your own mind. . . a secret that can transform your career and life. You don't have to be a magician or a "super-brain" to command these mental resources. If you only learn to employ your own natural magnetism, using the techniques of this book, you can gain amazing influence over others, and "will" your way to business and social success. The author, who was one of the world's greatest mentalists and magicians and was famous during his lifetime for his amazing mental feats on television and radio.

Here, he reveals how ordinary people can develop certain mental powers deliberately through a simple, logical program. First he explains how you can cultivate belief in the “magic” of your mind, and use that faith to strength yourself. You see how to give yourself “success treatments” to build your confidence and direct your energies toward dreams and goals. The book tells how the personal electricity within you gives you magnetic powers. You learn how to use this to send out dynamic thought-wishes – silent messages that influence people to like you, trust you, and help you. You’ll find ways to improve your reasoning and problem-solving ability through your new-found mental forces. The author explains how the “hunches” arising from the subconscious can give you faster, better decisions. Unfolding all the wonders of the human mind, this book offers a method of harnessing this magic to bring you a richer and more successful life.

Gifted Hands Mar 25 2021 In 1987, Dr. Benjamin Carson gained worldwide recognition for his part in the first successful separation of Siamese twins joined at the back of the head. The extremely complex and delicate operation, five months in the planning and twenty-two hours in the execution, involved a surgical plan that Carson helped initiate. Carson pioneered again in a rare procedure known as hemispherectomy, giving children without hope a second chance at life through a daring operation in which he literally removed one half of their brain. But such breakthroughs aren’t unusual for Ben Carson. He’s been beating the odds since he was a child. Raised in inner-city Detroit by a mother with a third grade education, Ben lacked motivation. He had terrible grades. And a pathological temper threatened to put him in jail. But Sonya Carson convinced her son that he could make something of his life, even though everything around him said otherwise. Trust in God, a relentless belief in his own capabilities, and sheer determination catapulted Ben from failing grades to the top of his class --- and beyond to a Yale scholarship . . . the University of Michigan Medical School . . . and finally, at age 33, the directorship of pediatric neurosurgery at Johns Hopkins Hospital in Baltimore, Maryland. Today, Dr. Ben Carson holds twenty honorary doctorates and is the possessor of a long string of honors and awards, including the Horatio Alger Award, induction into the 'Great Blacks in Wax' Museum in Baltimore, Maryland, and an invitation as Keynote Speaker at the 1997 President’s National Prayer Breakfast. **Gifted Hands** is the riveting story of one man’s secret for success, tested against daunting odds and driven by an incredible mindset that dares to take risks. This inspiring autobiography takes you into the operating room to witness surgeries that made headlines around the world --- and into the private mind of a compassionate, God-fearing physician who lives to help others. Through it all shines a humility, quick wit, and down-to-earth style that make this book one you won’t easily forget.

Think Big Mar 18 2023 From the author of the Caldecott Honoree *All the World Comes a Spare* and evocative picture book about the power of creativity and art, in all its forms.

House of Earth and Blood Feb 02 2022 A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with *House of Earth and Blood*: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

Ben Carson Oct 13 2022 Based on Carson's *Gifted Hands*, an encouraging story for kids with low self-esteem.

Motel of the Mysteries Jul 10 2022 It is the year 4022; all of the ancient country of Usa has been buried under many feet of detritus from a catastrophe that occurred back in 1985. Imagine, then, the excitement that Howard Carson, an amateur archeologist at best, experienced when in crossing the perimeter of an abandoned excavation site he felt the ground give way beneath him and found himself at the bottom of a shaft, which, judging from the DO

NOT DISTURB sign hanging from an archaic doorknob, was clearly the entrance to a still-sealed burial chamber. Carson's incredible discoveries, including the remains of two bodies, one of them on a ceremonial bed facing an altar that appeared to be a means of communicating with the Gods and the other lying in a porcelain sarcophagus in the Inner Chamber, permitted him to piece together the whole fabric of that extraordinary civilization.

No Country for Old Men Apr 06 2022 From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road* comes a "profoundly disturbing and gorgeously rendered" novel (*The Washington Post*) that returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

Gifted Hands Apr 18 2023 In this special Johnson & Johnson TNT movie tie-in edition, kids will read how Ben Carson, an African-American, was able to accomplish his dream through faith and determination. Includes photographs of Ben and his family growing up with a special 8-page color photo section of movie and behind-the-scene images.

Take the Risk Dec 27 2023 By avoiding risk, are you also avoiding your life's full potential? Join acclaimed neurosurgeon Dr. Ben Carson as he explores the life-changing power of taking the risk, even if you're afraid. In our risk-avoidant culture, we place a high premium on safety. We insure our vacations. We check crash tests on cars. We extend the warranties on our appliances. But by insulating ourselves from the unknown--the natural risks of life--we miss the great adventure of living our lives to their fullest potential. Dr. Ben Carson spent his childhood as an at-risk child on the streets of Detroit, and he took big risks in performing complex surgeries on the brain and the spinal cord. Now, offering inspiring personal examples, Dr. Carson invites us to embrace risk in our own lives. In *Take the Risk*, Dr. Carson examines our safety-at-all-costs culture and the meaning of risk and security in our lives. *Take the Risk* guides you through an extensive examination of risk, including: Risk-taking in history An assessment of the real costs and rewards of risk Learning how to assess and accept risks Understanding how risk reveals the purpose of your life From a man whose life dramatically portrays the connection between great risks and greater successes, the insights Dr. Carson shares in *Take the Risk* will help you dispel your fear of risk in order to dream big, aim high, move with confidence, and reap the rewards of wise risk-taking. Praise for *Take the Risk*: "Whether you are a world-renowned neurosurgeon, a CEO, or a teacher, this book applies to anyone who ever wondered about the difference between the pacesetters and those who struggle to keep up. It is the pacesetters who *Take the Risk*, and this book explains when and why to take risks to empower everyone to become a trailblazer rather than a mere spectator. For anyone who wants to rise above mediocrity, this book is a must-read." --Armstrong Williams, author and radio host, *The Armstrong Williams Show*

One Nation Aug 23 2023 Offers the author's thoughts on addressing the nation's growing debt, deteriorating morals, educational shortcomings, and elitist media, as well as the worsening discourse and inability to take action to solve our problems.

Building Wealth One House at a Time: Making it Big on Little Deals Nov 13 2022 Strategies for creating real estate wealth by starting small--and always making the right moves Nationally known real estate expert John Schaub learned his craft in the best way possible--on the job, and through every kind of market. Over three decades, he learned to bank consistent profits as he built an impressive real estate mini-empire. *Building Wealth One House at a Time* reveals how virtually anyone can accumulate one million dollars worth of houses debtfree and earn a steady cash flow for life. Unique in that it focuses on buying houses in good-quality neighborhoods, Schaub's nine-step program includes: Renting to long-term tenants, with financial incentives to pay on time Avoiding the temptation of bigger deals, which invariably include bigger problems A 10-year plan to pay off debt and own houses free and clear

My Life in Crime Feb 22 2021 The late 1690 and early 70s may be remembered as the years of the great bank and other armed robberies in Kenya. This is the true story of one of the participants in some of those robberies, John Kiriamiti. In raw and candid language, Kiriamiti tells the story of how he dropped

out of secondary school when he was only fifteen years old, and for a time became a novice pickpocket, before graduating into crimes like car-breaking and ultimately into violent robbery. This spell-binding story takes the reader into the underworld of crime, and it depicts graphically the criminals struggle for survival against the forces of law. John Kiriamiti was imprisoned on 6 January 1971, after being convicted on a charge of committing robbery at Naivasha on 4 November 1970. Kiriamiti left Naivasha Maximum Security Prison in August 1984, just five months after the publication of this novel and those following which were a sensation with Kenyan youth in the late 1980s and '90s.

Big Shifts Ahead May 27 2021 "Demographics determine the direction of your business. Demographic trends can be overwhelming, misleading, confusing, conflicting, and difficult to predict. Not anymore. John Burns and Chris Porter wrote this book to help make demographic trends easier to understand, quantify, and anticipate. Readers of this book will have a huge competitive advantage because they will be making decisions with facts, and they will be better able to adjust their strategies when unanticipated events shift prevailing trends."--book jacket

A More Perfect Union May 20 2023 Dear Reader, Many people have wondered why I've been speaking out on controversial issues for the last few years. They say I've never held political office. I'm not a constitutional scholar. I'm not even a lawyer. All I can say to that is "Guilty as charged." It's true that I've never voted for a budget America could not afford. I've never raised anyone's taxes. And I've never promised a lobbyist anything in exchange for a donation. Luckily, none of that really matters. Our founding fathers didn't want a permanent governing class of professional politicians. They wanted a republic, in Lincoln's words, "of the people, by the people, and for the people." A country where any farmer, small-business owner, manual laborer, or doctor could speak up and make a difference. I believe that making a difference starts with understanding our amazing founding document, the U.S. Constitution. And as someone who has performed brain surgery thousands of times, I can assure you that the Constitution isn't brain surgery. The founders wrote it for ordinary men and women, in clear, precise, simple language. They intentionally made it short enough to read in a single sitting and to carry in your pocket. I wrote this book to encourage every citizen to read and think about the Constitution, and to help defend it from those who misinterpret and undermine it. In our age of political correctness it's especially important to defend the Bill of Rights, which guarantees our freedom to speak, bear arms, practice our religion, and much more. The Constitution isn't history—it's about your life in America today. And defending it is about what kind of country our children and grandchildren will inherit. I hope you'll enjoy learning about the fascinating ways that the founders established the greatest democracy in history—and the ways that recent presidents, congresses, and courts have threatened that democracy. As the Preamble says, the purpose of the Constitution is to create a more perfect union. My goal is to empower you to help protect that union and secure the blessings of liberty. Sincerely, Ben Carson

The Empire of Dreams Oct 01 2021 "Action, adventure, betrayal, and poison add up to a winner." —Booklist New York Times—bestselling author Rae Carson makes a triumphant return to the world of her award-winning *Girl of Fire and Thorns* trilogy in this extraordinary stand-alone novel. Fans of Leigh Bardugo, Kendare Blake, and Tomi Adeyemi won't want to put this book down. Red Sparkle Stone is a foundling orphan with an odd name, a veiled past, and a mark of magic in her hair. But finally—after years and years of running, of fighting—she is about to be adopted into the royal family by Empress Elisa herself. She'll have a home, a family. Sixteen-year-old Red can hardly believe her luck. Then, in a stunning political masterstroke, the empress's greatest rival blocks the adoption, and everything Red has worked for crumbles before her eyes. But Red is not about to let herself or the empress become a target again. Determined to prove her worth and protect her chosen family, she joins the Royal Guard, the world's most elite fighting force. It's no coincidence that someone wanted her to fail as a princess, though. Someone whose shadowy agenda puts everything—and everyone—she loves at risk. As danger closes in, it will be up to Red to save the empire. If she can survive recruitment year—something no woman has ever done before. New York Times—bestselling author Rae Carson returns to the world of *The Girl of Fire and Thorns* in this action-packed fantasy-adventure starring an iconic heroine who fights for her family and her friends, and for a place where she will belong.

Autobiography of Red Dec 03 2021 The award-winning poet reinvents a genre in a stunning work that is both a novel and a poem, both an unconventional

re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present. Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens of his camera and in the arms of a young man named Herakles, a cavalier drifter who leaves him at the peak of infatuation. When Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, *Autobiography of Red* is a profoundly moving portrait of an artist coming to terms with the fantastic accident of who he is. A NEW YORK TIMES NOTABLE BOOK OF THE YEAR National Book Critics Circle Award Finalist "Anne Carson is, for me, the most exciting poet writing in English today." -- Michael Ondaatje "This book is amazing--I haven't discovered any writing in years so marvelously disturbing." --Alice Munro "A profound love story . . . sensuous and funny, poignant, musical and tender." --The New York Times Book Review "A deeply odd and immensely engaging book. . . . [Carson] exposes with passionate force the mythic underlying the explosive everyday." --The Village Voice

Think Big Feb 27 2024 What are you doing today to make your dream future come true? 'A rare self-help book that's actually informed by evidence. A host of perceptive, practical tips for getting out of your own way and making progress toward your career goals.' Adam Grant, bestselling author of *Think Again* and *Originals* 'A practical and accessible guide to using behavioural science in your career.' Caroline Criado Perez, author of *Invisible Women*

_____ We all have big ambitions for the future but those dreams only become reality if we do something towards them regularly. To achieve audacious goals, we need to take action and make small changes every day. We need to think big and act small. Drawing on cutting-edge research from behavioural science, Dr Grace Lordan offers immediate actionable solutions and tips that will help you get closer to your dream future, every day. Focusing on six key areas - your time, goal planning, self-narratives, other people, your environment, and resilience - Dr Lordan reveals practical, science-backed hacks that will help you get ahead. Each chapter introduces us to behavioural science concepts like the 'halo effect', 'confirmation bias', 'affect heuristic' and the 'ostrich effect', to help you better understand yourself and others, so that you can get the most out of your career. Whether you fantasise about changing industry, landing that big promotion, writing a screenplay or setting up your own company, *Think Big* creates a clear pathway to the future you want now. Some of the things you'll learn include how to: · Overcome a fear of failure and throw yourself at opportunity · Craft the optimum environment for work and give yourself ample time for tasks · Rewrite self-narratives and tackle imposter syndrome · Watch out for other people's biases and stop them from holding you back *Think Big* provides a practical framework to keep you moving in the right direction towards any goal. It will help you get out of your own way and propel you on the path to success, transforming you from dreamer to doer!
