

Download Ebook The Kennedy Detail Jfks Secret Service Agents Break Their Silence Ebook Gerald Blaine Read Pdf Free

The Echo from Dealey Plaza Oct 28 2023 From the first African American assigned to the presidential Secret Service detail comes a gripping and unforgettable true story of bravery and patriotism in the face of bitter hatred and unthinkable corruption. Abraham Bolden was a young African American Secret Service agent in Chicago when he was asked by John F. Kennedy himself to join the White House Secret Service detail. For Bolden, it was a dream come true—and an encouraging sign of the charismatic president’s vision for a new America. But the dream quickly turned sour when Bolden found himself regularly subjected to open hostility and blatant racism. He was taunted, mocked, and disparaged but remained strong, and he did not allow himself to become discouraged. More of a concern was the White House team’s irresponsible approach to security. While on his tour of presidential duty, Bolden witnessed firsthand the White House agents’ long-rumored lax approach to their job. Drinking on duty, abandoning key posts—this was not a team that appeared to take their responsibility to protect the life of the president particularly seriously. Both prior to and following JFK’s assassination, Bolden sought to expose and address the inappropriate behavior and negligence of these agents, only to find himself the victim of a sinister conspiracy that resulted in his conviction and imprisonment on a trumped-up bribery charge. A gripping memoir substantiated by recently declassified government documents, *The Echo from Dealey Plaza* is the story of the terrible price paid by one man for his commitment to truth and justice, as well as a shocking new perspective on the circumstances surrounding the death of a beloved president.

My Travels with Mrs. Kennedy Apr 09 2022 A NEW YORK TIMES BESTSELLER From the authors of the #1 New York Times bestseller *Mrs. Kennedy and Me* comes another New York Times bestseller, which reveals never-before-told stories of Secret Service Agent Clint Hill’s travels with Jacqueline Kennedy through Europe, Asia, and South America. Featuring more than two hundred rare and never-before-published photographs. While preparing to sell his home in Alexandria, Virginia, retired Secret Service agent Clint Hill uncovers an old steamer trunk in the garage, triggering a floodgate of memories. As he and Lisa McCubbin, his coauthor on three previous books, pry it open for the first time in fifty years, they find forgotten photos, handwritten notes, personal gifts, and treasured mementos from the trips on which Hill accompanied First Lady Jacqueline Kennedy as her Secret Service agent—trips that took them from Paris to London, through India, Pakistan, Greece, Morocco, Mexico, South America, and “three glorious weeks on the Amalfi Coast.” During these journeys, Jacqueline Kennedy became one of her husband’s—and America’s—greatest assets; in Hill’s words and the opinion of many others, “one of the best ambassadors the United States has ever had.” As each newfound treasure sparks long-suppressed memories, Hill provides new insight into the intensely private woman he always called “Mrs. Kennedy” and who always called him “Mr. Hill.” For the first time, he reveals the depth of the relationship that developed between them as they traveled around the globe. Now ninety years old, Hill recounts the tender moments, the private laughs, the wild adventures, and the deep affection he shared with one of the world’s most beautiful and iconic women—and these memories are brought vividly to life alongside more than two hundred rare photographs, many of them previously unpublished. In addition to the humorous stories and intimate moments, Hill reveals startling details about how traveling helped them both heal during the excruciating weeks and months following the assassination of President John F. Kennedy in November 1963. He also writes of the year he spent protecting Mrs. Kennedy after the assassination, a time in his life he has always been reluctant to speak about. *My Travels with Mrs. Kennedy* unveils a personal side of history that has never been told before and takes the reader on a breathtaking journey, experiencing what it was like for Clint Hill to travel with Jacqueline Kennedy as the entire world was falling in love with her.

JFK and the Reagan Revolution Feb 17 2023 The fascinating, suppressed history of how JFK pioneered supply-side economics. John F. Kennedy was the first president since the 1920s to slash tax rates across-the-board, becoming one of the earliest supply-siders. Sadly, today’s Democrats have ignored JFK’s tax-cut legacy and have opted instead for an anti-growth, tax-hiking redistribution program, undermining America’s economy. One person who followed JFK’s tax-cut growth model was Ronald Reagan. This is the never-before-told story of the link between JFK and Ronald Reagan. This is the secret history of American prosperity. JFK realized that high taxes that punished success and fanned class warfare harmed the economy. In the 1950s, when high tax rates prevailed, America endured recessions every two or three years and the ranks of the unemployed swelled. Only in the 1960s did an uninterrupted boom at a high rate of growth (averaging 5 percent per year) drive a tremendous increase in jobs for the long term. The difference was Kennedy’s economic policy, particularly his push for sweeping tax-rate cuts. Kennedy was so successful in the ’60s that he directly inspired Ronald Reagan’s tax cut revolution in the 1980s, which rejuvenated the economy and gave us another boom that lasted for two decades. Lawrence Kudlow and Brian Domitrovic reveal the secret history of American prosperity by exploring the little-known battles within the Kennedy administration. They show why JFK rejected the advice of his Keynesian advisors, turning instead to the ideas proposed by the non-Keynesians on his team of rivals. We meet a fascinating cast of characters, especially Treasury Secretary Douglas Dillon, a Republican. Dillon’s opponents, such as liberal economists Paul Samuelson, James Tobin, and Walter Heller, fought to maintain the high tax rates—including an astonishing 91% top rate—that were smothering the economy. In a wrenching struggle for the mind of the president, Dillon convinced JFK of the long-term dangers of nosebleed income-tax rates, big spending, and loose money. Ultimately, JFK chose Dillon’s tax cuts and sound-dollar policies and rejected Samuelson and Heller. In response to Kennedy’s revolutionary tax cut, the economy soared. But as the 1960s wore on, the departed

president's priorities were undone by the government-expanding and tax-hiking mistakes of Presidents Johnson, Nixon, Ford, and Carter. The resulting recessions and the "stagflation" of the 1970s took the nation off its natural course of growth and prosperity-- until JFK's true heirs returned to the White House in the Reagan era. Kudlow and Domitrovic make a convincing case that the solutions needed to solve the long economic stagnation of the early twenty-first century are once again the free-market principles of limited government, low tax rates, and a strong dollar. We simply need to embrace the bipartisan wisdom of two great presidents, unleash prosperity, and recover the greatness of America.

A Secret Order Jun 23 2023 Reporting new and never-before-published information about the assassination of John F. Kennedy, this investigation dives straight into the deep end, and seeks to prove the CIA's involvement in one of the most controversial topics in American history. Featuring intelligence gathered from CIA agents who reported their involvement in the assassination, the case is broken wide open while covering unexplored ground. Gritty details about the assassination are interlaced throughout, while primary and secondary players to the murder are revealed in the in-depth analysis. Although a tremendous amount has been written in the nearly five decades since the assassination, there has never been, until now, a publication to explore the aspects of the case that seemed to defy explanation or logic.

Legacy of Secrecy Aug 26 2023 Legacy of Secrecy tells the full story of JFKs murder and the tragic results of the cover-ups that followed, as revealed by two dozen associates of John and Robert Kennedy, backed by thousands of files at the National Archives. The result of twenty years of research, it finally tells the full story long withheld from Congress and the American people.

The Missing JFK Assassination Film Feb 25 2021 Orville Nix is not the typical JFK assassination book. This book does not attempt to answer the question of who killed John F. Kennedy; instead, it addresses why we should question the actions of those involved and why the truth was withheld from the people. Though copies of Orville Nix's film exist, the original film is missing. Why? The FBI confiscated Orville's camera for several months, then returned it in pieces. Were these actions sinister or were they just examples of governmental incompetence? Orville Nix exposes information about the House Select Committee staff's involvement in the missing film. Author Gayle Nix Jackson's interviews with people who were close to Orville and the film will shed light on the government's involvement with the filmmaker. Gayle Nix Jackson is the granddaughter of Orville Nix. As his eldest granddaughter, Nix Jackson shares experiences growing up with her beloved grandfather and on how his views changed after that fatal day. Hearing his story precipitated the quest Jackson is still on to find the film. Her grandfather was there that day for a reason, and if the original Nix film could be located, modern-day technology could determine if there was indeed another person behind the stockade fence or not. Questions still abound today as to whether or not the film was altered. Finding the original Nix film would answer one of the most enduring questions related to this horrific event: Was there a conspiracy to kill John F. Kennedy on November 22, 1963? Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Accidental Victim Sep 26 2023 Was the assassination of one of America's most beloved presidents an accident? That is the shocking argument put forth by acclaimed historian James Reston, Jr. Based on years of research and interviews, this revelatory new book makes the case that Texas Governor John Connally, not President John F. Kennedy, was the intended target of Lee Harvey Oswald. Oswald's motive was personal, not political. After he attempted to defect to the Soviet Union, his military discharge was changed from honorable to dishonorable. The proud ex-Marine protested directly to fellow Texan Connally, then Secretary of the Navy, and received a classic bureaucratic brush-off. From that day on, Oswald began nursing a deep, even murderous grudge. Reston masterfully charts the path Oswald took toward that fated moment in Dallas, his hatred of the governor driving him to purchase a mail-order rifle, position himself in the Texas School Book Depository building, and attempt to settle his score with Connally. There was no conspiracy. There was Lee Harvey Oswald, a mail-order gun, and a missed shot. Marshaling all the available evidence – some of it never before seen – Reston will change the way we understand this epochal event: In one of American history's most tragic ironies, President John F. Kennedy was as an accidental victim on November 22, 1963. With nearly 30 photos, the book may take a few minutes to download over 3G or slower connections.

Best Evidence May 30 2021 Arguing that the evidence relied upon by the Warren Commission and the House Assassinations Committee was faked, Lifton describes how the cover-up plot worked and explains the numerous conflicts in the record.

The Politics of Deception Jan 19 2023 Investigative reporter Patrick J. Sloyan, a former member of the White House Press Corps, revisits the last years of John F. Kennedy's presidency, his fateful involvement with Diem's assassination, the Cuban Missile Crisis and the Civil Rights Movement. Using recently released White House tape recordings and interviews with key inside players, *The Politics of Deception* reveals: Kennedy's secret behind-the-scenes deals to resolve the Cuban Missile Crisis. The overthrow and assassination of President Diem. Kennedy's hostile interactions with and attempts to undermine Martin Luther King, Jr. Kennedy's secret and fascinating dealings with Diem, General Curtis LeMay, King and Fidel Castro. Kennedy's last year in office, and his preparation for the election that never was. *The Politics of Deception* is a fresh and revealing look at an iconic president and the way he attempted to manage public opinion and forge his legacy, sure to appeal to both history buffs and those who were alive during his presidency.

Betty Ford Nov 04 2021 From the #1 New York Times bestselling author of *Five Presidents* and *The Kennedy Detail* comes an "insightful and beautifully told look into the life of one of the most public and admired first ladies" (Publishers Weekly)—Betty Ford. *Betty Ford: First Lady, Women's Advocate, Survivor, Trailblazer* is the inspiring story of an ordinary Midwestern girl thrust onto the world stage and into the White House under extraordinary circumstances. Setting a precedent as First Lady, Betty Ford refused to be silenced by her critics as she publicly championed equal rights for women, and spoke out about issues that had previously been taboo—breast cancer, depression, abortion, and sexuality. Privately, there were signs something was wrong. After a painful intervention by her family, she admitted to an addiction to alcohol and prescription drugs. Her courageous decision to speak out publicly sparked a national dialogue, and in 1982, she co-founded the

Betty Ford Center, which revolutionized treatment for alcoholism and inspired the modern concept of recovery. Lisa McCubbin also brings to light Gerald and Betty Ford's sweeping love story: from Michigan to the White House, until their dying days, their relationship was that of a man and woman utterly devoted to one another other—a relationship built on trust, respect, and an unquantifiable chemistry. Based on intimate interviews with her children, Susan Ford Bales and Steven Ford, as well as family, friends, and colleagues, Betty Ford is “a vivid picture of a singularly influential woman” (Bookpage).

Zero Fail Oct 16 2022 NEW YORK TIMES BESTSELLER • “This is one of those books that will go down as the seminal work—the determinative work—in this field. . . . Terrifying.”—Rachel Maddow The first definitive account of the rise and fall of the Secret Service, from the Kennedy assassination to the alarming mismanagement of the Obama and Trump years, right up to the insurrection at the Capitol on January 6—by the Pulitzer Prize winner and #1 New York Times bestselling co-author of *A Very Stable Genius* and *I Alone Can Fix It* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST Carol Leonnig has been reporting on the Secret Service for The Washington Post for most of the last decade, bringing to light the secrets, scandals, and shortcomings that plague the agency today—from a toxic work culture to dangerously outdated equipment to the deep resentment within the ranks at key agency leaders, who put protecting the agency's once-hallowed image before fixing its flaws. But the Secret Service wasn't always so troubled. The Secret Service was born in 1865, in the wake of the assassination of Abraham Lincoln, but its story begins in earnest in 1963, with the death of John F. Kennedy. Shocked into reform by its failure to protect the president on that fateful day in Dallas, this once-sleepy agency was radically transformed into an elite, highly trained unit that would redeem itself several times, most famously in 1981 by thwarting an assassination attempt against Ronald Reagan. But this reputation for courage and excellence would not last forever. By Barack Obama's presidency, the once-proud Secret Service was running on fumes and beset by mistakes and alarming lapses in judgment: break-ins at the White House, an armed gunman firing into the windows of the residence while confused agents stood by, and a massive prostitution scandal among agents in Cartagena, to name just a few. With Donald Trump's arrival, a series of promised reforms were cast aside, as a president disdainful of public service instead abused the Secret Service to rack up political and personal gains. To explore these problems in the ranks, Leonnig interviewed dozens of current and former agents, government officials, and whistleblowers who put their jobs on the line to speak out about a hobbled agency that's in desperate need of reform. “I will be forever grateful to them for risking their careers,” she writes, “not because they wanted to share tantalizing gossip about presidents and their families, but because they know that the Service is broken and needs fixing. By telling their story, they hope to revive the Service they love.”

Final Report of the Select Committee on Assassinations, U.S. House of Representatives, Ninety-fifth Congress, Second SessionSep 14 2022

Five Days in November May 03 2024 Secret Service agent Clint Hill reveals the stories behind the iconic images of the five tragic days surrounding President John F. Kennedy's assassination in this 60th anniversary edition of the New York Times bestseller. On November 22, 1963, three shots were fired in Dallas, President John F. Kennedy was assassinated, and the world stopped for four days. For an entire generation, it was the end of an age of innocence. That evening, a photo ran on the front pages of newspapers across the world, showing a Secret Service agent jumping on the back of the presidential limousine in a desperate attempt to protect the President and Mrs. Kennedy. That agent was Clint Hill. Now Hill commemorates the sixtieth anniversary of the tragedy with this stunning book containing more than 150 photos, each accompanied by his incomparable insider account of those terrible days. A story that has taken Hill half a century to tell, this is a “riveting, stunning narrative” (Herald & Review, Illinois) of personal and historical scope. Besides the unbearable grief of a nation and the monumental consequences of the event, the death of JFK was a personal blow to a man sworn to protect the first family, and who knew, from the moment the shots rang out in Dallas, that nothing would ever be the same.

Mortal Error Mar 21 2023 Another conspiracy theory identifies the two men who, operating separately, allegedly shot President Kennedy in the "Crime of the Century." Reprint.

The Hidden History of the JFK Assassination Dec 30 2023 November 22, 2013 marks the 50th anniversary of the tragedy that has haunted America ever since. For the first time, this concise and compelling book pierces the veil of secrecy to fully document the small, tightly-held conspiracy that killed President John F. Kennedy. It explains why he was murdered, and how it was done in a way that forced many records to remain secret for almost fifty years. The Hidden History of JFK's Assassination draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy, in addition to former FBI, Secret Service, military intelligence, and Congressional personnel, who provided critical first-hand information. The book also uses government files—including the detailed FBI confession of notorious Mafia godfather Carlos Marcello—to simply and clearly reveal exactly who killed JFK. Using information never published before, the book uses Marcello's own words to his closest associates to describe the plot. His confession is also backed up by a wealth of independent documentation. This book builds on the work of the last Congressional committee to investigate JFK's murder, which concluded that JFK “was probably assassinated as a result of a conspiracy,” and that godfathers [“Santo”] Trafficante [and Carlos] Marcello had the motive, means, and opportunity to assassinate President Kennedy.” However, it also draws on exclusive files and information not available to Congress, that have only emerged in recent years, to fully explain for the first time how Marcello and Trafficante committed—and got away with—the crime of the 20th century. Some of the book's revelations will be dramatized in the upcoming Warner Brothers film *Legacy of Secrecy*, produced by and starring Leonardo DiCaprio, which also stars Robert De Niro as Carlos Marcello. The Hidden History of JFK's Assassination is the definitive account of the crime and the secrecy which has surrounded it.

U.S. History Apr 29 2021 Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

The Kennedy Detail Jun 04 2024 Documents the events leading up to and following the assassination of the thirty-fifth president as revealed by the Secret Service agents who were present, in an account that also draws on letters written by Jackie Kennedy in the immediate aftermath and other previously undisclosed sources.

Survivor's Guilt Nov 28 2023 Painstakingly researched by an authority on the history of the Secret Service and based on primary, firsthand accounts from more than 80 former agents, White House

aides, and family members, this is the definitive account of what went wrong with John F. Kennedy's security detail on the day he was assassinated. The work provides a detailed look at how JFK could and should have been protected and debunks numerous fraudulent notions that persist about the day in question, including that JFK ordered agents off the rear of his limousine; demanded the removal of the bubble top that covered the vehicle; and was difficult to protect and somehow, directly or indirectly, made his own tragic death easier for an assassin or assassins. This book also thoroughly investigates the threats on the president's life before traveling to Texas; the presence of unauthorized Secret Service agents in Dealey Plaza, the site of the assassination; the failure of the Secret Service in monitoring and securing the surrounding buildings, overhangs, and rooftops; and the surprising conspiratorial beliefs of several former agents. An important addition to the canon of works on JFK and his assassination, this study sheds light on the gross negligence and, in some cases, seeming culpability, of those sworn to protect the president.

Listening In Apr 21 2023 In July 1962, in an effort to preserve an accurate record of Presidential decision-making in a highly charged atmosphere of conflicting viewpoints, strategies and tactics, John F. Kennedy installed hidden recording systems in the Oval Office and in the Cabinet Room. The result is a priceless historical archive comprising some 265 hours of taped material. JFK was elected president when Civil Rights tensions were near the boiling point, and Americans feared a nuclear war. Confronted with complex dilemmas necessitating swift and unprecedented action, President Kennedy engaged in intense discussion and debate with his cabinet members and other advisors. Now, in conjunction with the fiftieth anniversary of the Kennedy presidency, the John F. Kennedy Library and historian Ted Widmer have carefully selected the most compelling and important of these remarkable recordings for release, fully restored and re-mastered onto two 75-minute CDs for the first time. Listening In represents a uniquely unscripted, insider account of a president and his cabinet grappling with the day-to-day business of the White House and guiding the nation through a hazardous era of uncertainty. Accompanied by extensively annotated transcripts of the recordings, and with a foreword by Caroline Kennedy, Listening In delivers the story behind the story in the unguarded words and voices of the decision-makers themselves. Listening In covers watershed events, including the Cuban Missile Crisis, the Space Race, Vietnam, and the arms race, and offers fascinating glimpses into the intellectual methodology of a circumspect president and his brilliant, eclectic brain trust. Just as the unique vision of President John F. Kennedy continues to resonate half a century after his stirring speeches and bold policy decisions, the documentary candor of Listening In imparts a vivid, breathtaking immediacy that will significantly expand our understanding of his time in office.

The Encyclopaedia Britannica Mar 09 2022

Once Upon a Secret May 23 2023 A former mistress of the 35th President breaks 40 years of silence to present a deeply personal and emotionally charged memoir of their 18-month relationship when she was a college intern at the White House. 125,000 first printing.

Twenty-Six Seconds Aug 14 2022 The moving, untold family story behind Abraham Zapruder's film footage of the Kennedy assassination and its lasting impact on our world. Abraham Zapruder didn't know when he ran home to grab his video camera on November 22, 1963 that this single spontaneous decision would change his family's life for generations to come. Originally intended as a home movie of President Kennedy's motorcade, Zapruder's film of the JFK assassination is now shown in every American history class, included in Jeopardy and Trivial Pursuit questions, and referenced in novels and films. It is the most famous example of citizen journalism, a precursor to the iconic images of our time, such as the Challenger explosion, the Rodney King beating, and the 9/11 attack on the Twin Towers. But few know the complicated legacy of the film itself. Now Abraham's granddaughter, Alexandra Zapruder, is ready to tell the complete story for the first time. With the help of the Zapruder family's exclusive records, memories, and documents, Zapruder tracks the film's torturous journey through history, all while American society undergoes its own transformation, and a new media-driven consumer culture challenges traditional ideas of privacy, ownership, journalism, and knowledge. Part biography, part family history, and part historical narrative, Zapruder demonstrates how one man's unwitting moment in the spotlight shifted the way politics, culture, and media intersect, bringing about the larger social questions that define our age.

Kennedy Tapes Concise Edition Feb 05 2022 October 1962: the United States and the Soviet Union stood eyeball to eyeball, each brandishing enough nuclear weapons to obliterate civilization in the Northern Hemisphere. It was one of the most dangerous moments in world history. Day by day, for two weeks, the inner circle of President Kennedy's National Security Council debated what to do, twice coming to the brink of attacking Soviet military units in Cuba -- units equipped for nuclear retaliation. And through it all, unbeknownst to any of the participants except the President himself, tape was rolling, capturing for posterity the deliberations that might have ended the world as we know it. Now available in this new concise edition, The Kennedy Tapes retains its gripping sense of history in the making. Book jacket.

The Search for JFK Jun 11 2022

Who Really Killed Kennedy? Dec 18 2022 Posits that John F. Kennedy was not killed by a lone assassin.

The First Family Detail May 11 2022 NEW YORK TIMES BESTSELLER • “Ron Kessler appears to get everything first.”—Slate As in a play, presidents, vice presidents, and presidential candidates perform onstage for the public and the media. What the nation's leaders are really like and what goes on behind the scenes remain hidden. Secret Service agents have a front-row seat on their private lives and those of their wives and children. Crammed with new headline-making revelations, *The First Family Detail* by New York Times bestselling author Ronald Kessler tells that eye-opening, uncensored story. *The First Family Detail* reveals: • Vice President Joe Biden regularly orders the Secret Service to keep his military aide with the nuclear football a mile behind his motorcade, potentially leaving the country unable to retaliate in the event of a nuclear attack. • Secret Service agents discovered that former president Bill Clinton has a blond mistress—code-named Energizer by agents—who lives near the Clintons' home in Chappaqua, New York. • The Secret Service covered up the fact that President Ronald Reagan's White House staff overruled the agency to let unscreened spectators get close to Reagan as he left the Washington Hilton, allowing John W. Hinckley Jr. to shoot the president. • Because Hillary Clinton is so nasty to agents, being assigned to her protective detail is considered a form of punishment and the worst assignment in the Secret Service. “Kessler's such a skilled storyteller, you almost forget this is dead-serious

nonfiction.”—Newsweek

The Dark Side of Camelot Mar 28 2021 This monumental work of investigative journalism reveals the Kennedy White House as never before. With its meticulously documented & compulsively readable portrait of John F. Kennedy as a man whose reckless personal behavior imperiled his presidency, *The Dark Side of Camelot* sparked a firestorm of controversy upon its initial publication - becoming a runaway bestseller & one of the year's most talked-about books. Now in paperback, this watershed work will continue to provoke public discussion as the debate intensifies over what constitutes proper personal & political behavior on the part of our nation's leaders.

Five Presidents Jan 31 2024 Originally published in hardcover in 2016 by Gallery Books.

Mrs. Kennedy and Me Apr 02 2024 "For four years, from the election of John Fitzgerald Kennedy in November 1960 until after the election of Lyndon Johnson in 1964, Clint Hill was the Secret Service agent assigned to guard the glamorous and intensely private Jacqueline Bouvier Kennedy. During those four years, he went from being a reluctant guardian to a fiercely loyal watchdog and, in many ways, her closest friend"--

JFK Oct 04 2021 Reveals Kennedy's plans for Vietnam, Kennedy's intentions to "shatter the CIA," and President Johnson's reversal of Kennedy's orders concerning Vietnam immediately following the assassination, arguing that the assassination was a professionally executed coup d'etat.

Deep Politics and the Death of JFK Dec 06 2021 Peter Dale Scott's meticulously documented investigation uncovers the secrets surrounding John F. Kennedy's assassination. Offering a wholly new perspective—that JFK's death was not just an isolated case, but rather a symptom of hidden processes—Scott examines the deep politics of early 1960s American international and domestic policies. Scott offers a disturbing analysis of the events surrounding Kennedy's death, and of the "structural defects" within the American government that allowed such a crime to occur and to go unpunished. In nuanced readings of both previously examined and newly available materials, he finds ample reason to doubt the prevailing interpretations of the assassination. He questions the lone assassin theory and the investigations undertaken by the House Committee on Assassinations, and unearths new connections between Oswald, Ruby, and corporate and law enforcement forces. Revisiting the controversy popularized in Oliver Stone's movie *JFK*, Scott probes the link between Kennedy's assassination and the escalation of the U.S. commitment in Vietnam that followed two days later. He contends that Kennedy's plans to withdraw troops from Vietnam—offensive to a powerful anti-Kennedy military and political coalition—were secretly annulled when Johnson came to power. The split between JFK and his Joint Chiefs of Staff, and the collaboration between Army Intelligence and the Dallas Police in 1963, are two of the several missing pieces Scott adds to the puzzle of who killed Kennedy and why. Scott presses for a new investigation of the Kennedy assassination, not as an external conspiracy but as a power shift within the subterranean world of American politics. *Deep Politics and the Death of JFK* shatters our notions of one of the central events of the twentieth century.

A Cruel and Shocking Act Mar 01 2024 "Groundbreaking new history of the Kennedy assassination, investigative reporter and bestselling author Phil Shenon writes the ultimate inside account of what has become the most controversial murder investigation of the 20th century, the aftermath of the assassination of President John F. Kennedy. Based on groundbreaking research, deep reporting, and unprecedented access, the book is character driven, dialogue rich, with facts and incidents that will stun and surprise."--

JFK and the Unspeakable Nov 16 2022 THE ACCLAIMED BOOK, NOW IN PAPERBACK, with a reading group guide and a new afterword by the author. At the height of the Cold War, JFK risked committing the greatest crime in human history: starting a nuclear war. Horrified by the specter of nuclear annihilation, Kennedy gradually turned away from his long-held Cold Warrior beliefs and toward a policy of lasting peace. But to the military and intelligence agencies in the United States, who were committed to winning the Cold War at any cost, Kennedy's change of heart was a direct threat to their power and influence. Once these dark "Unspeakable" forces recognized that Kennedy's interests were in direct opposition to their own, they tagged him as a dangerous traitor, plotted his assassination, and orchestrated the subsequent cover-up. Douglass takes readers into the Oval Office during the tense days of the Cuban Missile Crisis, along on the strange journey of Lee Harvey Oswald and his shadowy handlers, and to the winding road in Dallas where an ambush awaited the President's motorcade. As Douglass convincingly documents, at every step along the way these forces of the Unspeakable were present, moving people like pawns on a chessboard to promote a dangerous and deadly agenda.

20 Years in the Secret Service Jul 01 2021 When shots rang out in Dallas on November 22, 1963, U.S. Secret Service Agent Rufus W. Youngblood immediately lunged over the seat of the vice president's car and bravely used his body to shield Vice President Lyndon B. Johnson. Faced with the unknown, Youngblood maintained this protective position as they sped toward Parkland Hospital. Throughout that fateful day, he vigilantly remained by LBJ's side to ensure his safety. This candid memoir includes Youngblood's first-hand account of the Kennedy assassination and its aftermath, as well as highlights from his twenty-year career in the Secret Service during which he protected Presidents Truman, Eisenhower, Kennedy, Johnson, and Nixon. Readers will enjoy Youngblood's behind-the-scenes look at some of the most pivotal events in U.S. history, humorous anecdotes, and descriptions of the complexities, risks, and constant tensions involved in protecting America's chief executive. A unique and comprehensive collection of more than one hundred photographs has been added to illustrate this agent's amazing story.

The Man Who Killed Kennedy Jul 13 2022 "We appreciate Roger Stone, he is one tough cookie." - President Trump The sensational New York Times bestseller, now in paperback. Find out how and why LBJ had JFK assassinated. *The Man Who Killed Kennedy: The Case Against LBJ* hit the New York Times bestseller list the week of the 50th Anniversary of the assassination of President John F. Kennedy. Consummate political insider Roger Stone makes a compelling case that Lyndon Baines Johnson had the motive, means, and opportunity to orchestrate the murder of JFK. Stone maps out the case that LBJ blackmailed his way on the ticket in 1960 and was being dumped in 1964 to face prosecution for corruption at the hands of his nemesis attorney Robert Kennedy. Stone uses fingerprint evidence and testimony to prove JFK was shot by a long-time LBJ hit man—not Lee Harvey Oswald. President Johnson would use power from his personal connections in Texas, from the criminal underworld, and from the United States government to escape an untimely end in politics and to seize even greater power. President Johnson, the thirty-sixth president of the United States, was the driving force behind a conspiracy to murder President Kennedy on November 22, 1963. In *The Man Who Killed Kennedy*, you will find out how and why he did it. Legendary

political operative and strategist Roger Stone has gathered documents and uses his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only involved in JFK's assassination, but was in fact the mastermind. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

JFK's Secret Doctor Jul 25 2023 Set against the grand panorama of twentieth-century world events, it captures the remarkable life and spirit of climbing and medical visionary Hans Kraus (1905-1966). Kraus was taught English by James Joyce, escaped Nazi dominated Europe, and was JFK's secret back specialist. A legendary rock climber known for hair-raising ascents on two continents, Kraus lived a life filled with tragedy and triumph, intense passion, verve, and a whole lot of guts, glory, and wit. One of the great unsung medical pioneers of the twentieth century, Kraus made headline news throughout the second half of the 1950s, was a guest of honor at Eisenhower's White House, and was the subject of cover stories in major magazines throughout America, including Sports Illustrated. His pioneering work in muscles and fitness uncovered a shocking truth about a lack of fitness in American children, and his work curing back pain brought him into the Kennedy White House and inner circle of Camelot. Here now is the life of Hans Kraus, including the behind-the-scenes story of Kennedy's crippling back problems, based on new documentation, including White House medical records and interviews with two Kennedy White House doctors. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

JFK Sep 02 2021 Provides the complete script for JFK, which details the investigation into President Kennedy's assassination, and includes responses and comments about the film, and official reports and documentation

The President's Book of Secrets Jan 07 2022 Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply "the Book." Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

The Echo from Dealey Plaza Jan 24 2021 A gripping and unforgettable true story of bravery and patriotism in the face of bitter hatred. Abraham Bolden was a young African American Secret Service agent in Chicago when he was asked by John F. Kennedy himself to join the White House Secret Service detail. For Bolden, it was a dream come true--and an encouraging sign of the charismatic president's vision for a new America. But the dream quickly turned sour. Bolden found himself regularly subjected to open hostility and blatant racism, and he was appalled by the White House team's irresponsible approach to security. In the wake of JFK's assassination, Bolden sought to expose the agency's negligence, only to find himself the victim of a sinister conspiracy. The Echo from Dealey Plaza is the story of the terrible price paid by one man for his commitment to truth and justice.
