Be an active citizen. Know your Constitution! Ever wonder why the president has a Cabinet? Why there's such thing as trial by jury? Why someday you'll have to pay income tax, or why there are no Dukes, Duchesses, Counts, or Countesses in the United States? Because the Constitution says so--and so much more. And now, in *The Constitution Decoded*, the ideas, concepts, and rules that make America are unpacked and explained in detail to help all of us, kids and parents too, become more informed citizens. Written with impeccable clarity and illustrated in a style that brings America's early days to life, this fascinating guide goes through the Constitution literally word by word, sentence by sentence, and idea by idea to give readers a true understanding of not only how the Framers envisioned the

United States, but also why they made the choices they did. Here's why, for example, the United States has three branches of government—legislative, executive, and judicial. It explains how bills become laws, why we have the right to free speech, how we can change the Constitution as our country evolves, and so much more. Packed with historical context and figures, vocabulary, anecdotes, and trivia, this book is an accessible yet richly layered work that belongs in every family library. *Reading Essentials and Study Guide* (English and Spanish): Reinforce critical concepts from the text and help students improve their reading-for-information skills with this essential resource, written 2-3 grade levels below the Student Edition. The year is 1787. Fifty-five men gather in Philadelphia. Their aim is to unite the 13 former colonies as a new nation. Their debates will go on for months. Bit by bit, they agree on a new form of government. Learn about the creation of the United States Constitution and how this document has endured for more than 230 years. Featuring TIME For Kids content, this 6-Pack of nonfiction readers includes clear, informational text, stimulating facts, and detailed photos and sidebars to engage students as they build their critical literacy skills. The books include important text features such as a table of contents, glossary, and an index to increase understanding and improve academic vocabulary. The Reader's Guide, Dig Deeper, and Try It! sections prompt students to connect back to the text, and provide extensive language-development activities that will develop critical thinking. Aligned with state and national standards, this text prepares students for college and career. This 6-Pack includes six copies of this title and a lesson plan. *Declaration of Statesmanship* is a one-of-a-kind American Government high school course. It unites history, philosophy, and civics in a dynamic blend of narrative and argument. The authors of the course continually endeavor to match the thoughtfulness and elegance of the multiplicity of original sources and fundamental texts found in this course which were pivotal in the founding of the nation. The course has three primary parts. In the first, the text explores the ideals and principles of this nation as expressed in *The Declaration of Independence*. It examines the philosophy and religious teaching that influenced the founders in their decision to write the Declaration and leave Great Britain. Then the text considers the Declaration in detail and shows how *The Articles of Confederation* and *The Constitution* establish a government which fulfills the Declaration's ideals. The second part of the course investigates how some of our greatest statesmen were guided by these same ideals when dealing with the difficult questions of slavery and civil rights. From even before the founding there was a conflict between the ideas of liberty and the existence of slavery. This part of the course reviews how the founding generation addressed the problem of slavery

present in the new nation and how future statement have used those same ideals in their struggles. America needs great statesmen, but it has an even greater need, a need of people capable of living as free men. In the third part, the course uses Alexis de Tocqueville's *Democracy in America* to analyze the peculiarities of America which allowed this experiment in democracy to be so successful, and what is needed to maintain the freedom and self-rule which we have inherited. *Declaration of Statesmanship* has been designed as a one semester course in American Government for high school students. The program is made up of 4 different components which give students everything they need. *Reading Book: The Reading Book* contains the bulk of the original writings and documents which accompany the course. This course is the perfect tool to inform future generations of their rights, duties and responsibilities as American citizens living in the civic state that is the American Government. *Learn About What Makes A Nation, Including Political Boundaries, Government Systems, Money, And Shared Traditions. Social Studies Based Leveled Readers For Use In Guided Reading And Social Studies Instruction. That is the central theme of this impressively illustrated book as it helps peel away the confusion young readers may have about something that plays a vital role in all of our lives. Reading Essentials and Study Guide (English and Spanish): Reinforce critical concepts from the text and help students improve their reading-for-information skills with this essential resource, written 2-3 grade levels below the Student Edition Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior

Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States. This new offering from AP® teacher Karen Waples and college professor Scott Abernathy is tailor-made to help teachers and students transition to the redesigned AP® U. S. Government and Politics course.
