English Grammar Dec 02 2022 Looking for an easy-to-use guide to English grammar? This handy introduction covers all the basics of the subject, using a simple and straightforward style. Students will find the book's step-by-step approach easy to follow and be encouraged by its non-technical language. Requiring no prior knowledge of English grammar, the information is presented in small steps, with objective techniques to help readers apply concepts. With clear explanations and well chosen examples, the book gives students the tools to understand the mysteries of English grammar as well as the perfect foundation from which to move on to more advanced topics.

All about Me, Or Is It I? Aug 10 2023 Readers of this book will capture many wild pronouns, and never start a sentence with me again. All weapons are used to tame our beastly pronouns, to sort out the differences between me and I, and to help everyone to use pronouns correctly. The pronouns are holding a conference to determine their places in the English language. Me is tired of being an object and although he fights to be allowed to serve as a subject, the conference firmly puts him into his objective place. Mine is so busy with her possessions she has trouble getting to the podium to speak. You is flamboyant and a braggart. Throughout the book, serious explanations about the pronouns are mixed with humorous discussions amongst the pronouns themselves. Numerous examples provide both correct and incorrect pronoun placement, while exercises (with answers at the back) help readers to put pronouns into their writing. Serving as a comprehensive reference book, All About Me, Or Is It I? will help anyone who wants to speak or write good English, and who finds pronouns confusing. It can be used as a teaching aid, a reference book, and for intense individual study. Teachers, media staff, parents, writers, speakers,

advanced ESL learners, and anyone aged 13 and above will enjoy teaching or learning from this book. The author, a Canadian academic librarian, has spent most of her life in scholarly libraries and has written extensively in her field. Reviews Pronouns are tricky things, and they seem to be tricking more people than ever these days. Gwynneth T. Heaton agrees and has brought us a wonderfully worthwhile book called All about me, or is it I? Beware the wild pronoun! And Ms Heaton's book is here to help us all tame those wild pronouns. Although the subject, as with much English grammar, is not easy, Ms Heaton considers that anyone ages 13 and above should be able to understand pronouns after studying this book. She's right, I think, if you work at it. The book is comprehensive, in that it takes in every aspect of pronoun use and abuse. And Ms Heaton has attempted to make it more palatable, even amusing, by creating a conference in which the various pronouns take part and explain their use. The best aspect of the book are the chunks of examples for each and every pronoun situation (She has a nice practice of shouting NO! NO! NO! with each wrong example, followed by the explanation of what is correct.) In The Welland Tribune, July 31, 2007. A wonderfully worthwhile book Ms Heaton is good at showing us the way around correct but odd-sounding usage. For example, in this: I'm hungry Me too. The Me is incorrect. I is the correct pronouns but I too sounds a little pompous. So the author suggests the simple change, I am too, or So am I. The book is complete, it is authoritative and will help all of us over the age of 13 to improve our English. It is a teaching book, a workbook with practical exercises (answers included), and a reference work. In my humble opinion, it is a prize. Jack Bush in The Haliburton County Echo July 20, 2007. Mix one part librarian with one part artist and behold a book that makes grammar fun Gwynneth T. Heaton has created a reference book about pronouns. A pet peeve with grammatically incorrect phrases such as Her and a buddy are going somewhere inspired Heaton to set the record straight. The book is a teaching tool for people 13 and older She spiced up a drier draft of the book by personifying pronouns like Himself and Me. In some spots, overused pronouns lament their new found popularity, I'm being kept a whole lot busier than I was some years ago, says the character Myself Heaton drew playful cartoons of cats, camels and lions that she sprinkles on each page. The drawings give the impression that another person has already gone thro

Find the Errors! Jul 09 2023 No matter how much teachers may talk about the importance of solid writing skills, nothing beats giving students the opportunity to make their own edits. Find the Errors! is a light-hearted approach to this age-old challenge. 37 passages contain short, humorous anecdotes, letters, crossword puzzles and more. But each passage is also riddled with errors! Now it's up to your students to go into those passages and identify and annotate the mistakes. They'll work on spelling, capitalization, punctuation, sentence structure, and style. For middle school students, this is a very successful way to engage them, while giving them a palpable sense of accomplishment as they improve each passage. Extensive teacher support includes grammatical rules, answer keys, additional activities, and tests for easy assessment See also Find the Errors II

The Eight Parts of Speech Jul 17 2021 This language arts eBook allows students in fourth grade or higher to learn about the eight parts of speech, which is an integral segment of a language arts curriculum. Students in traditional and home school settings will learn in three ways: watch a video, read chapter text, and complete exercises to reinforce rules and concepts of English grammar. The student clicks on text at the beginning of a chapter to open a video. Then, if viewing the PDF on a tablet that does not allow for completing the exercises by filling in the blanks in the workbook, the student can click on a link within the description of each exercise and provide answers online.

Key Grammar Jan 23 2022 Essential skills practice for better reading and writing

When Bad Grammar Happens to Good People Nov 01 2022 Ever stumble when choosing between "who" and "whom," "affect" and "effect," "lay" and "lie"? Are you worried that how you speak or write is holding you back at work? Do you fear you're making frequent conversational errors, but just aren't sure what's correct? How you use language tells people a good deal about who you are, how you think, and how you communicate. Making simple errors in written and spoken English can make you seem less sophisticated -- even less intelligent -- than you really are. And that can affect (not effect) your relationships, your friendships, and even your career. This comprehensive, easy-to-use reference is a program designed to help you identify and correct the most common errors in written and spoken English.

Nouns and Pronouns Apr 18 2024 Enable your students to use the English language effectively and with confidence! These engaging activities focus on nouns and pronouns, including proper nouns and possessive nouns and pronouns. Answer key is included.
