Malone,2022-11-15 A WALL STREET JOURNAL NATIONAL BESTSELLER AS SEEN ON TUCKER CARLSON TODAY AND THE JOE ROGAN EXPERIENCE A guide for the times breaking down the lies about COVID 19 and shedding light on why we came to believe them When he invented the original mRNA vaccine technology as a medical and graduate student in the late 1980s Robert Malone could not have imagined that he would become a leader in a movement to expose the dangers of mRNA vaccines that billions of people have received too often without being informed of the risks For voicing opposition to the mainstream narrative Dr Robert Malone was censored by Big Tech and vilified by the media But he continues to speak out and alert the world to the web of lies that we have all experienced From vaccine safety and effectiveness to early treatments like ivermectin to lockdowns masks and more Dr Malone is the signature dissident voice telling the other side of the story about COVID the role of corporate media censorship propaganda and the brave new world of transhumanism promoted by the World Economic Forum and its acolytes What effect did the COVID policies have on lives livelihoods and democracies How is it possible that the lies spread by governments would persist and that our institutions would fail to correct them Lies My Gov't Told Me takes a hard look at these questions and illustrates how data information and psychology have been distorted during the pandemic Governments intentionally weaponized fear to mold behavior The media smeared anyone who objected to the narrative And Big Pharma aligned with larger globalist interests exemplified by the likes of Bill Gates and the World Economic Forum had captured the agencies that are supposed to regulate it long before the pandemic began Dr Malone explores these perverse connections between Pharma government and media and tells us what can be done about it With
