America Past and Present, Volume 1

Semester Test for American History Jul 05 2024

A Synopsis of American History Jan 07 2022 The 8th edition of this notably successful college text. The concise nature of the Synopsis makes it easily compatible with the instructor's course emphases. Available in a complete or two-volume edition.

The American Past: A Survey of American History, Volume I: To 1877 May 30 2021 Author Joseph R. Conlin's award-winning teaching and writing styles are reflected in this colorful and engaging look at the individuals, events, and ideas that have shaped our nation's past. Organized into short chapters and updated with new insights into recently published research, this text sets the story in a political context, weaving in social, cultural, economic, intellectual, constitutional, diplomatic, and military events along the way. Conlin's popular sidebars and How They Lived vignettes-many of which are new in this edition-bring historical stories to life and emphasize the human and social dimensions of history. With its literary prose style and its unifying voice, THE

AMERICAN PAST, Ninth Edition will capture and hold your students' interest as it guides them on a fascinating, eye-opening walk through the years gone by. Conlin's text is available in the following volume options: THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY, Comprehensive, (Chapters 1-52), ISBN: 049557287X; VOLUME I: TO 1877, (Chapters 1-24), ISBN: 0495572888; VOLUME II: SINCE 1865, (Chapters 24-52), ISBN: 0495572896. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

America Past and Present, Black and White Edition Combined Volume Feb 25 2021 Focuses students on the story of American history. America : Past and Present integrates the social and political dimensions of American history into one chronological narrative, providing students with a full picture of the scope and complexity of the American past. Written by award-winning historians, it tells the story of all Americans-elite and ordinary, women and men, rich and poor, white majority and minorities. MyHistoryLab icons are paired with images in the text for more thorough integration between the book and online resources. A better teaching and learning experience This program will provide a better teaching and learning experience-for you and your students. Here's how: Personalize Learning -- The new MyHistoryLab delivers proven results in helping students succeed,

provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -- Learning Objective Questions at the beginning of each chapter and review features ending each chapter help students understand the material. Engage Students -- Feature Essays and "Law and Society" essays delve further into high-interest topics and help students understand the themes. These features are found in each chapter of the text and in MyHistoryLab. Support Instructors -- MyHistoryLab, Instructor's eText, MyHistoryLab Instructor's Guide, Class Preparation Tool, Instructor's Manual, MyTest, and PowerPoints are available to be packaged with this text. Note: MyHistoryLab does not come automatically packaged with this text.

American History Teaching and Testing Mar 01 2024
The American Past Nov 28 2023 This is Volume II (Since 1865) of THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY, Seventh Edition. Now in its Seventh Edition, Conlin's introductory American history text continues to offer a colorful and engaging look at the individuals, events, and ideas that have shaped our nation's past. Accessible and lively, it emphasizes political history, yet provides balanced coverage of social, cultural, economic, intellectual, constitutional, diplomatic, and military events. Consistent scholarship and a unique

organization make this book comprehensive and manageable, while new chronologies offer students quick reference and easy review of the major events and movements covered in each chapter. The text benefits from Conlin's literary narrative, which lends a unifying voice that captures and holds students' interest. **THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY, SEVENTH EDITION** is available in the following split options: **THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY, Comprehensive, Seventh Edition (Chapters 1-51)**, ISBN: 0534621368; **THE AMERICAN PAST, VOLUME I: TO 1877, Seventh Edition (Chapters 1-25)**, ISBN: 0534621376; **THE AMERICAN PAST, VOLUME II: SINCE 1865, Seventh Edition (Chapters 25-51)**, ISBN: 0534621384.

Remembering America Sep 02 2021 American history is ubiquitous, underscoring everything from food to travel to architecture and design. It is also emotionally charged, frequently crossing paths with political and legal issues. In *Remembering America*, Lawrence R. Samuel examines the place that American history has occupied within education and popular culture and how it has continually shaped and reflected our cultural values and national identity. The story of American history, Samuel explains, is not a straight line but rather one filled with twists and turns and ups and downs, its narrative path as winding as that of the United States as a whole. Organized around six distinct eras of American history ranging from the 1920s

to the present, Samuel shows that our understanding of American history has often generated struggle and contention as ideologically opposed groups battled over ownership of the past. As women and minorities gained greater power and a louder voice in the national conversation, our perspectives on American history became significantly more multicultural, bringing race, gender, and class issues to the forefront. These new interpretations of our history helped to reshape our identity on both a national and an individual level. Samuel argues that the fight for ownership of our past, combined with how those owners have imparted history to our youth, crucially affects who we are. Our interpretation and expression of our country's past reflects how that self-identity has changed over the last one hundred years and created a strong sense of our collective history—one of the few things Americans all have in common.

America's History for the AP* Course Mar 21 2023

America's History offers a thematic approach and skills-oriented pedagogy that helps students succeed in the redesigned AP U.S. History course. Known for its attention to AP themes and content, the new edition features a new nine part structure closely aligned with the chronology of the new AP U.S. History course, an expanded documents program, LearningCurve—an online adaptive learning tool that reinforces students' reading—and a wealth of supporting resources and digital options that give teachers and students the tools they need

to master the course and the new exam.

The American Past Apr 09 2022

American History Workbook, Volume I Jul 13 2022

Unto a Good Land Jan 19 2023 "Unto a Good Land offers a distinctive narrative history of the American people -- from the first contacts between Europeans and North America's native inhabitants, through the creation of a modern nation, to the standing of the United States as a world power. Written by a team of distinguished historians led by David Edwin Harrell, Jr. and Edwin S. Gaustad, this textbook shows how grasping the uniqueness of the bAmerican experimentb depends on understanding the role of religion as well as social, cultural, political, and economic factors in shaping U.S. history. A common shortcoming of most United States history textbooks is that while, in recent decades, they have expanded their coverage of social and cultural history, they still tend to shortchange the role of religious ideas, practices, and movements in the American past. "Unto a Good Land addresses this shortcoming in a balanced way. The authors recognize that religion is only one of many factors that have influenced our past -- one, however, that has often been neglected in textbook accounts. This volume gives religion its appropriate place in the story. "Unprecedented coverage of the forces that have shaped the history of the United States While none

of America's rich history is left out, this volume is the first U.S. history textbook to give serious attention to the religious dimension of American life. This textbook is not a religious history; instead, it offers an account of American history that includes religious ideas, practices, and movements whenever they played a shaping role.

"Comprehensive and current This volume traces the American story from the earliest encounters between the first North American inhabitants and Europeans through the 2004 presidential election. Complete and balanced treatment is also given to issues of gender, race, and ethnicity, as well as cultural, political, and economic forces. "A clear and compelling narrative The authors are more than expert historians; they are also talented writers who recognize history to be the retelling of human life. United by a seamless narrative structure, these chapters restore the bstoryb to history. "Multiple formats specially designed for flexible classroom use "Unto a Good Land is available as a single hardcover edition or as two paperback volumes, offering maximum flexibility when adapting curriculum for one- and two-semester courses in U.S. history. The two paperback volumes can be used for U.S. history survey courses divided at 1865 or 1900 -- or at any date in between. "Informative special features to complement the text In addition to the book's exceptional narrative, an array of special features enhances the instructional value of the text and points students to resources for further study. "Includes assistance for

teaching and test preparation The instructor's manual for "Unto a Good Land provides helpful suggestions for lesson plans and assignments, and the test bank provides multiple-choice and essay questions for use as study aids, quizzes, or tests. "Suitable for instruction at both secular and religious colleges and universities Drawing on their experience in both secular and religious schools, the authors have ensured that this textbook is suitable for U.S. history classes in a wide variety of settings.

History CourseMate with EBook, Wadsworth American History Resource Center, History Premium Web Site, InfoTrac® 2-Semester Printed Access Card for HIST Oct 04 2021

Major Problems in American History Since 1945 Dec 30 2023 Designed to encourage critical thinking about history, the Major Problems in American History series introduces students to both primary sources and analytical essays on important topics in U.S. history. Each volume presents a carefully selected group of readings in a format that asks students to evaluate primary sources, test the interpretations of distinguished historians and others, and draw their own conclusions.

American History Resource Center with InfoTrac 2-Semester Printed Access Card May 23 2023

Wadsworth's American History Resource Center gives your students access to a "virtual reader" with hundreds of primary sources including speeches, letters, legal documents and transcripts, poems, maps, simulations,

timelines, and additional images that bring history to life. Students can browse this extensive collection of primary source materials by topic, resource type, or theme. Documents include Standard Primary Documents for study; Assignable Primary Sources with questions; and Primary Sources on the Web--links to resources contained on other websites. An assortment of maps enhances students' understanding of history and geography. Assignable Maps include questions; Interactive Maps include clickable content and descriptions; Static Maps display map content; and Google Earth Maps are exercises that make use of the free, downloadable Google Earth application. Also included is free access to HistoryUnbound--interactive, easy-to-navigate modules that bring the past to life through seamless integration of text and context."

A Third Experiment in Teaching a Semester of American History in Accordance with the Roberts Plan Apr 21 2023
American History Jun 04 2024

These Truths Mar 09 2022 New York Times Bestseller
In the most ambitious one-volume American history in decades, award-winning historian and New Yorker writer Jill Lepore offers a magisterial account of the origins and rise of a divided nation, an urgently needed reckoning with the beauty and tragedy of American history. Written in elegiac prose, Lepore's groundbreaking investigation places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The

American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. And it rests, too, on a fearless dedication to inquiry, Lepore argues, because self-government depends on it. But has the nation, and democracy itself, delivered on that promise? These Truths tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore traces the intertwined histories of American politics, law, journalism, and technology, from the colonial town meeting to the nineteenth-century party machine, from talk radio to twenty-first-century Internet polls, from Magna Carta to the Patriot Act, from the printing press to Facebook News. Along the way, Lepore's sovereign chronicle is filled with arresting sketches of both well-known and lesser-known Americans, from a parade of presidents and a rogues' gallery of political mischief makers to the intrepid leaders of protest movements, including Frederick Douglass, the famed abolitionist orator; William Jennings Bryan, the three-time presidential candidate and ultimately tragic populist; Pauli Murray, the visionary civil rights strategist; and Phyllis Schlafly, the uncredited architect of modern conservatism. Americans are descended from slaves and slave owners, from conquerors and the conquered, from immigrants and from people who have fought to end immigration. "A nation born in

contradiction will fight forever over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. "The past is an inheritance, a gift and a burden," These Truths observes. "It can't be shirked. There's nothing for it but to get to know it."

Revel for Learning U.S. History, Semester 1 -- Access

Card Feb 17 2023 For U.S. History Survey courses

Student's Outline of American History, From 1824 to

1919 May 03 2024 Excerpt from Student's Outline of

American History, From 1824 to 1919: Second Semester of an One-Year Course for High Schools, Normal Schools

and Colleges One-year course. - This outline is intended to follow the Persinger "First Semester Outline," and thus to complete a one-year American history course in high school, normal school or college. It covers the following topics or "periods" of American history: VII. Jacksonian Democracy (1824-1843), 8 lessons. VIII. The struggle over slavery in the territories (1844- 1860), 9 lessons. IX. The Civil War (1861-1865), 13 lessons. X. Political and Financial "Reconstruction" (1866-1879), 10 lessons. XI. Civil service reform, tariff and anti-monopoly (1880-1897), 9 lessons. XII. The rise and regulation of "big business" (1898-1916), 18 lessons. XIII. America and the war against Germany (1914-1919), 8 lessons. Semester reviews and final examinations, 11 lessons. As in the first semester, this total of about eighty lessons will be found ample to occupy the entire recitation-time for the second semester. One-semester course. - Teachers who wish or need to use the two parts of this outline for a one-semester course may be able to do so by omitting and combining the lessons indicated in the Introductory Note to part one, omitting lesson 99 in this part of the outline and combining the following lessons in this part of the outline: 82 and 83, 84 and 85, 90 and 91, 96 and 97, 101 and 102, 104 and 105, 106 and first half of 107, last half of 107 and all of 108, either 113 and 114 or 114 and 115, 116 to 118, 126 to 128, 129 and 130, 132 and 133, 134 and 135, 138 and 139, 140 and 141, 142 and 143. d104 and reference books. - The list of textbooks to which references are

given in this second semester outline is the same as that to which references were given in the first semester outline: Adams Trent, Ashley, Channing, Forman, Hart, James Sanford, McLaughlin, Muzzey, and West. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The American Past Dec 18 2022

America's History, Volume 2 Aug 14 2022 America's History explains WHY events occurred, not just when. Students are provided an analytical and big-picture approach to American history with a plethora of support tools.

Major Problems in American History Since 1945 Dec 06

2021 This text introduces students to both primary sources and analytical essays on important topics in U.S. history. The book asks students to evaluate primary sources, test the interpretations and draw their own conclusions.

American History from 1865 (First Edition) Oct 16

2022 American History from 1865: Artifacts and Reflections encourages students to not only study the content of our shared histories, but also to critically examine and assess competing narratives through a variety of diverse perspectives. The texts, images, audio recordings, and films covered within the text delve into the unique histories and experiences of women, African Americans, children, and native people, as well as the role of inanimate actors of the past, such as the environment. Beginning in 1865 and proceeding chronologically, students are introduced to a variety of historical events viewed through the lens of contemporary inquiries. They critically examine the real-world aftermath of the Civil War, the cultural conflict ignited through western expansion, the push for monolingualism in America, and the origin of the idea of social Darwinism. Dedicated readings explore the role of racial violence in the Great Migration, the association of immigrants and disease in 1920s American society, and the reasons why President Truman dropped the atomic bomb on Hiroshima during World War II. Students learn about American involvement in Vietnam, the journey of the African

American teacher before and after *Brown v. Board of Education*, the rise of American conservatism, and contemporary issues related to race and multiraciality in the U.S. A highly approachable text featuring modern perspectives on America's past, *American History from 1865* is ideal for undergraduate courses in American history for non-history majors.

A Synopsis of American History Aug 02 2021 The 8th edition of this notably successful college text. The concise nature of the Synopsis makes it easily comparable with the instructor's course emphases. Available in a complete or two-volume edition.
