A Review of the Parasitic Wasps of the

Ichneumonid Genus Exenterus Hartig Dec 08 2021 This review of parasitic wasps is motivated by the discovery within the past several years that three European species of pine-feeding sawflies have become established in North America, which prompted interest in the parasites of the sawflies in this group.

Sanctions in the CalWORKS Program Mar 30 2021 The California Department of Social Services asked RAND to study the state's policy for sanctioning welfare program participants who do not comply with statutory requirements of the welfare-to-work program. Researchers found that sanctions were weak in practice and that caseworkers were reluctant to sanction clients. Making sanction swifter, stronger, and safer are possible directions for reforming sanction policy and practice.
