**The Evening and the Morning and the Night** Octavia E. Butler, 1991

You Feel It Just Below the Ribs Jeffrey Cranor, Janina Matthewson, 2021-11-16 A haunting provocative novel *You Feel It Just Below the Ribs* is a fictional autobiography in an alternate twentieth century that chronicles one woman's unusual life including the price she pays to survive and the cost her choices hold for the society she is trying to save. Born at the end of the old world, Miriam grows up during The Great Reckoning, a sprawling decades-long war that nearly decimates humanity and strips her of friends and family. Devastated by grief and loneliness, she emotionally exiles herself, avoiding relationships or allegiances and throws herself into her work, disengagement that serves her when the war finally ends and The New Society arises. To ensure a lasting peace, The New Society forbids anything that may cause tribal loyalties, including traditional families. Suddenly everyone must live as Miriam has chosen to be: disconnected and unattached. A researcher at heart, Miriam becomes involved in implementing this detachment process. She does not know it is the beginning of a darkly sinister program that will transform this new world and the lives of everyone in it. Eventually the harmful effects of her research become too much for Miriam and she devises a secret plan to destroy the system from within, endangering her own life. But is her confession honest or is it a fabrication riddled with lies meant to conceal the truth? A jarring and uncanny tale of loss, trauma, and the power of human connection and deception. *You Feel It Just Below the Ribs* is a portrait of a disturbing alternate world, eerily within reach, and an examination of the difficult choices we must make to survive in it.

*Bloodchild and Other Stories* Octavia E. Butler, 2011-01-04 A perfect introduction for new readers and a must-have for avid fans, this New York Times Notable Book includes *Bloodchild*, winner of both the Hugo and the Nebula awards, and *Speech Sounds*, winner of the Hugo Award. Appearing in print for the first time, *Amnesty* is a story of a woman named Noah who works to negotiate the tense and codependent relationship between humans and a species of invaders. Also new to this collection is *The Book of Martha*, which asks, "What would you do if God granted you the ability and responsibility to save humanity from itself?" Like all of Octavia Butler's best writing, these works of the imagination are parables of the contemporary world. She proves constant in her vigil, an unblinking pessimist hoping to be proven wrong and one of contemporary literature's strongest voices.
