over which Honor's sister-in-law mother superior Bernadette Ignatius keeps a benevolent and watchful eye. No one could have foreseen the day rebellious Regis would come home with the stunning news that she was getting married. Nor could anyone have guessed how that sudden announcement would soon change all their lives forever. Eleven years ago Honor thought she had the perfect home, the perfect love, the perfect life. Then her husband, brilliant photographer and sculptor John Sullivan, broke her heart and tore their little family apart. Now, hearing of Regis's impending marriage, John has ended his self-imposed exile and returned to the family he's always loved more than anything on earth. What he finds is one daughter still hurting over his abandonment, another who barely remembers him, and a third who may be in more trouble than anyone knows. And then there is Honor herself and a passion that may have been interrupted but that has never waned. Some things like sandcastles don't survive the changing tides. But love, family, and friendship, just as fragile, have a way of standing against anything. It will take nothing short of a miracle to heal the rift between father and daughter, husband and wife, the past and the present, but a miracle is exactly what is in the works at Star of the Sea Academy. The only question is: Do you believe?

Last Night Luanne Rice, 2023-12-05. From the Amazon Charts and New York Times bestselling author of *The Shadow Box* and *Last Day* comes a breathtaking thriller about a family shaken by lies, vengeance, and a cold-blooded crime. A fierce blizzard is burying the eastern seaboard, but on the icy Rhode Island shore, renowned artist Maddie Morrison finds warm sanctuary from a contentious divorce at the legendary Ocean House. Hours later, her body is found buried under a blanket of snow, and her little daughter, CeCe, has disappeared without a trace. For Detective Conor Reid, his brother Tom, a coast guard commander, and Maddie's grieving sister Hadley, the posh hotel becomes ground zero for an investigation. Trapped by the blizzard, they must hunker down and determine who in the young mother's life could have possibly wanted her dead. There are stories of a twisted romantic past, of old jealousies and resentments that still cut to the bone, and a history of greed, rage, and revenge that created the perfect storm for murder. A storm that has just begun. *The Edge of Winter* Luanne Rice, 2007-02-27. Neve Halloran and her daughter have shared a fierce love for the austere beauty of Rhode Island's South County ever since Neve guided Mickey's first baby steps along the sandy shore. Now, with Mickey a teenager and Neve's last hope for happiness with her daughter's loving but unstable father gone, both will struggle to make a new life together amid the windswept landscape that sustains them. Captivated by a fragile wildlife sanctuary, Mickey will move toward womanhood in the company of a lonely boy who shares her instinctive way with the creatures of the coast. And Neve will find herself drawn to a man who has devoted his life to the sanctuary but who is unable to share the pain of a recent loss or reconnect with the father who still bears the scars of World War II. As winter gives way to spring, and spring to summer, a secret will emerge that has lain buried in the depths just offshore for decades, a secret that will galvanize the small seaside community. For the waters bear their own vestige of the past, and their ceaseless rhythms may point the way to hope and new beginnings. Lyrical, luminous, and utterly captivating, *The Edge of Winter* is Luanne Rice at her most penetrating and insightful in a
