[The Craft and Science of Coffee](#) Britta Folmer,2016-12-16 The Craft and Science of Coffee follows the coffee plant from its origins in East Africa to its current role as a global product that influences millions of lives though sustainable development economics and consumer desire For most coffee is a beloved beverage However for some it is also an object of scientifically study and for others it is approached as a craft both building on skills and experience By combining the research and insights of the scientific community and expertise of the crafts people this unique book brings

readers into a sustained and inclusive conversation one where academic and industrial thought leaders coffee farmers and baristas are quoted each informing and enriching each other This unusual approach guides the reader on a journey from coffee farmer to roaster market analyst to barista in a style that is both rigorous and experience based universally relevant and personally engaging From on farming processes to consumer benefits the reader is given a deeper appreciation and understanding of coffee s complexity and is invited to form their own educated opinions on the ever changing situation including potential routes to further shape the coffee future in a responsible manner Presents a novel synthesis of coffee research and real world experience that aids understanding appreciation and potential action Includes contributions from a multitude of experts who address complex subjects with a conversational approach Provides expert discourse on the coffee calue chain from agricultural and production practices sustainability post harvest processing and quality aspects to the economic analysis of the consumer value proposition Engages with the key challenges of future coffee production and potential solutions

**The Cult of Smart** Fredrik deBoer,2020-08-04 Named one of Vulture s Top 10 Best Books of 2020 Leftist firebrand Fredrik deBoer exposes the lie at the heart of our educational system and demands top to bottom reform Everyone agrees that education is the key to creating a more just and equal world and that our schools are broken and failing Proposed reforms variously target incompetent teachers corrupt union practices or outdated curricula but no one acknowledges a scientifically proven fact that we all understand intuitively Academic potential varies between individuals and cannot be dramatically improved In The Cult of Smart educator and outspoken leftist Fredrik deBoer exposes this omission as the central flaw of our entire society which has created and perpetuated an unjust class structure based on intellectual ability Since cognitive talent varies from person to person our education system can never create equal opportunity for all Instead it teaches our children that hierarchy and competition are natural and that human value should be based on intelligence These ideas are counter to everything that the left believes but until they acknowledge the existence of individual cognitive differences progressives remain complicit in keeping the status quo in place This passionate voice driven manifesto demands that we embrace a new goal for education equality of outcomes We must create a world that has a place for everyone not just the academically talented But we ll never achieve this dream until the Cult of Smart is destroyed

**God in a Cup** Michael Weissman,2011-06-01 Follow the ultimate coffee geeks on their worldwide hunt for the best beans Can a cup of coffee reveal the face of God Can it become the holy grail of modern day knights errant who brave hardship and peril in a relentless quest for perfection Can it change the world These questions are not rhetorical When highly prized coffee beans sell at auction for 50 100 or 150 a pound wholesale and potentially twice that at retail anything can happen In God in a Cup journalist and late blooming adventurer Michael Weissman treks into an exotic and paradoxical realm of specialty coffee where the successful traveler must be part passionate coffee connoisseur part ambitious entrepreneur part activist and part Indiana Jones Her guides on the journey are the nation s most heralded coffee business

hotshots Counter Culture's Peter Giuliano Intelligentsia's Geoff Watts and Stumptown's Duane Sorenson With their obsessive standards and fiercely competitive baristas these roasters are creating a new culture of coffee connoisseurship in America a culture in which 10 lattes are both a purist's pleasure and a way to improve the lives of third world farmers If you love a good cup of coffee or a great adventure story you'll love this unprecedented up close look at the people and passions behind today's best beans Weissman illustrates how the origin flavor compounds and socioeconomic impact of a cup of coffee are relevant now more than ever Tagging along behind the main characters in today's specialty coffee scene she travels from the exotic to the expected to artfully deconstruct the connoisseur's cup of coffee Publishers Weekly

The Top Books of the Year Manual Coffee Grinder Reviews The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
