Designed for achieving results, Big English 2nd Edition (American English) delivers comprehensive English language acquisition alongside CLIL and broader life skills, supported by unique online digital teacher and student resources. The 2nd Edition features improved digital tools, clearer designs for students and mapping to the Global Scale of English. This student workbook presents techniques for and exercises in constructing paragraphs in English, all to develop familiarity with the writing process, grammar skills, lexical knowledge and rhetorical modes for academic writing. The New Senior Mathematics Extension 2 for Year 12 Student Worked Solutions contains fully worked solutions for every second question in the student book. Since it was first

published, Future has helped over half a million students learn English and achieve their personal, career, and educational goals. Now in its second edition, this effective six-level program continues to address the diverse needs of adult learners, equipping them with transferrable academic, workplace, and English communication skills. Future, Second Edition supports the Workforce Innovation and Opportunity Act (WIOA) goals and helps students develop the skills outlined in the College and Career Readiness Standards and the English Language Proficiency Standards. New to this edition

- * Updated content exposes students to language and concepts used in workplace, school, and community settings.
- * More workplace vocabulary and skills, and functional language prepare learners for career success.
- * New content-rich readings with level-appropriate text complexity build content knowledge, introduce academic vocabulary, and require learners to analyze text and cite evidence to extend their learning.
- * New writing lessons focus on analyzing models, brainstorming, organizing ideas, and synthesizing unit learning into well-organized writing outcomes.
- * New Soft Skills at Work lessons help learners develop essential social and cultural skills, critical to career advancement and success.
- * Increased rigor built into all lessons at every level challenges learners to analyze, evaluate, predict, infer, and problem-solve.
- * Enhanced unit goals and lesson objectives ensure learners track and reflect on

their own progress. Other highlights

- * Latest digital tools help develop students' digital skills.
- * Research-based teaching strategies provide creative solutions for all stages of lesson planning and implementation.
- * Comprehensive digital and print resources for teachers enhance classroom instruction and simplify lesson planning.
- * Correlations to standards guide and support teachers in aligning their instruction with current standards.
- * Mapped to the Global Scale of English A math text creates a path for students - one that should be easy to navigate, with clearly marked signposts, built-in footholds, and places to stop and assess progress along the way.

Research-based and updated for today's classroom, Prentice Hall Mathematics is that well-constructed path. An outstanding author team and unmatched continuity of content combine with timesaving support to help teachers guide students along the road to success. The write-in Quoi de Neuf ? 1-4, 2nd Edition Activity Books cater for a variety of learning styles, offering opportunities to practise and reinforce key skills and learning. Engaging activities offer support and differentiated learning opportunities whilst allowing students to track their progress for deeper motivation. The Activity Books follow the learning progression of the Student Books and can be used in class or out of class as homework material and formative learning assessment. With its fresh new look, the third edition of the Summit program helps develop confident English speakers who are

able to navigate a host of social and professional situations. This two-level course provides high-intermediate learners with an integrated set of global communication skills. It delivers immediate, demonstrable results through its goal- and achievement-based pedagogy and continual recycling of language. The two levels of Summit can be used with Top Notch as the fifth and sixth books in a complete six-level series. Summit 1 covers competencies from B2 to B2 #43 There are two versions of Student Book: with and without Online Practice. This version is without Online Practice. Features 12 units, with teaching material designed for at least 8 hours of English a week Unit title phrased as a big question sparks students' curiosity and builds engagement with the topic Students come up with answers throughout the unit and reflect on what they have learnt on the Now I Know page at the end Unit objectives phrased as simplified GSE descriptors appear at the beginning and at the end of the unit helping students see what they have learnt International English box highlights differences between British and American English BBC video clips (topic and story clips) enhance engagement and understanding of the topic One text per unit is factual, allowing students to gain non-ELT knowledge, and another text is a story focusing on a value Clear grammar practice helps students build confidence with the language Strategy boxes help teach all skills A math text creates a path for students - one that should be easy to navigate, with clearly

marked signposts, built-in footholds, and places to stop and assess progress along the way. Research-based and updated for today's classroom, Prentice Hall Mathematics is that well-constructed path. An outstanding author team and unmatched continuity of content combine with timesaving support to help teachers guide students along the road to success. The Top Notch Workbook contains daily assignments that reinforce each lesson. The six-level Top Notch program makes English unforgettable through multiple exposures to language, numerous opportunities to practice it, and systematic and intensive recycling. Goals- and achievement-based lessons with can-do statements enable students to confirm their progress. Our revision resources are the smart choice for those revising for Edexcel Functional Skills Level 2 in English. Since it was first published, Future has helped over half a million students learn English and achieve their personal, career, and educational goals.
