Fortune's Fool Fred Goodman, 2010-07-13 In 1999 when Napster made music available free online the music industry found itself in a fight for its life A decade later the most important and misunderstood story and the one with the greatest implications for both music lovers and media companies is how the music industry has failed to remake itself In Fortune s Fool Fred Goodman the author of The Mansion on the Hill shows how this happened by presenting the singular history of Edgar M Bronfman Jr the controversial heir to Seagram s who after dismantling his family s empire and fortune made a high stakes gamble to remake both the music industry and his own reputation Napster had successfully blown the industry off its commercial foundations because all that the old school label heads knew how to do was record and market hits So when Bronfman took over the Warner Music Group in 2004 his challenge was to create a new kind of record executive Goodman finds the source of the crisis in the dissolution of the old Warner Music Group the brilliant conglomerate of Atlantic Elektra and Warner Bros Records He shows how Doug Morris the head of Atlantic Records rose through the ranks and rode the CD bonanza of the 1990s to enormous corporate and personal profit before becoming embroiled in an ego driven corporate turf war and how all of Warner s record executives were blindsided when AOL Time Warner announced in 2003 that it wanted nothing more to do with the record industry When the music group was finally sold to Bronfman it was a ghost of itself Bronfman built an aggressive streamlined team headed by Lyor Cohen whose relentless ambition and discipline had helped build Def Jam Records They instituted a series of daring initiatives intended to give customers legitimate online music choices and took market share from Warner s competitors But despite these efforts illegal downloads still outnumber legitimate ones 19 1 Most of the talk of a new world of music and media has proven empty despite the success of iTunes even wildly popular sites like YouTube and MySpace have not found a way to make money with music Instead Warner and the other labels are diversifying and forcing young artists to give them a cut of their income from touring publishing and merchandising Meanwhile the average downloader isn t even meeting forward thinking musicians halfway Each time a young band finds a following through music websites it s a unique story no formula has emerged If one does Warner is probably in a better position than anyone to exploit it But at the end of the day If is the one word verdict on Bronfman s big bet

Anything for a Hit Dorothy Carvello, 2018-09-04 Dorothy Carvello knows all about the music biz She was the first female A R executive at Atlantic Records and one of the few in the room at RCA and Columbia But before that she was secretary to Ahmet Ertegun Atlantic s infamous president who signed acts like Aretha Franklin and Led Zeppelin negotiated distribution deals with Mick Jagger and added Neil Young to Crosby Stills Nash The stories she tells about the kingmakers of the music biz are outrageous but it is her sinuous friendship with Ahmet that frames her narrative He was notoriously abusive sexually harassing Dorothy on a daily basis Carvello reveals here how she flipped the script and showed Ertegun and every other man who tried to control her that a woman can be just as willing to do what it takes to get a hit Never before heard stories about artists like Michael Jackson Madonna Steven Tyler Bon Jovi INXS Marc Anthony and many more make this book a must read for anyone looking for the real stories on what it takes for a woman to make it in a male dominated industry
