The Glory Now Revealed Andrew M. Davis, 2021-10-19 Believers know that when we die we enter heaven and will spend eternity there with God and the saints who have gone before us But what actually happens in heaven What are we going to be doing there Won t it get boring at some point According to Scripture a large part of our experience of heaven will be a continual revealing of God s glory Not just his glory in the moment but during all of time The mysteries of providence the hidden movements of God throughout history and the forgotten and unnoted works of even the most obscure of God s people will be unveiled so that we can see how wise loving gracious and powerful our God is And though we will experience perfection in heaven we will never be omniscient which means we will always be learning more about God s glory inspiring us to return joyful praise and thanksgiving If your vision of heaven has been limited to clouds and harps and angels it s time to expand that view with the truth found in this biblically based look at the afterlife

Crossing the Lines Sulari Gentill, 2017 2018 Winner of the Ned Kelly Awards for Best Crime Fiction As one for whom certain story lines and characters have become as real as life itself Crossing the Lines was a pure delight a swift yet psychologically complex read cleverly conceived and brilliantly executed Dean Koontz New York Times bestselling author Sulari Gentill author of the 1930s Rowland Sinclair Mysteries jumps to the post modern in Crossing the Lines A successful writer Madeleine creates a character Edward and begins to imagine his life He too is an author Edward is in love with a woman Willow who s married to a man Edward loathes and who loathes him but he and Willow stay close friends She s an artist As Madeleine develops the plot Edward attends a gallery show where a scummy critic is flung down a flight of fire stairs murdered Madeleine still stressed from her miscarriages and grieving her inability to have a child grows more and more enamored of Edward spending more and more time with him and the progress of the investigation and less with her physician husband Hugh who in turn may be developing secrets of his own As Madeline engages more with Edward he begins to engage back A crisis comes when Madeleine chooses the killer in Edward s story and Hugh begins to question her immersion in her novel Yet Crossing the Lines is not about collecting clues and solving crimes Rather it s about the process of creation a gradual undermining of the authority of the author as the act of writing spirals away and merges with the story being told a self referring narrative crossing over boundaries leaving in question who to trust and who and what is true For fans of Paul Auster Jesse Kellerman Vera Caspary s Laura Martin Amis Haruki Murakami Marisha Pessl
