All That's Left of Me Jun 01 2021 From the author of What Remains True comes an emotionally captivating novel about a woman who wishes away her troubles but doesn't anticipate the cost. I wish... It starts with a simple wish, and Emma Davies hardly notices when it comes true. She's too preoccupied with a life she isn't happy in--the spark in her marriage has fizzled, her career is headed nowhere and her boss is a misogynist. Her teenage daughter has grown distant, and her heart breaks daily for her teenage son with cerebral palsy. But soon Emma discovers her wishes are coming true, and she realizes that she has been given the power to change her life. Either that, or she's going insane. Emma begins testing her newfound gift, making calculated wishes and learning one important rule--once granted, they cannot be undone. Over time, she grows bolder as she builds up to the one wish she both fears and desperately longs to make. But when Emma finally gets everything she's asked for, will it be worth the price?

Kiss Me Deadly Feb 27 2021 A necromancer and a vampire walk into a cemetery...and if you're wondering how this joke ends, that makes two of us.I'm Seraphina Mason, Buffalo's only resident necromancer. While other people are on normal sleep schedules doing regular human things, I spend my nights conjuring spirits, resurrecting the dead, and sometimes a bit of poltergeist removal, if you need it. But I'm not even the most dangerous nocturnal creature lurking around the cemeteries. That's where vampire Nathaniel Caligari waltzes in-all devastating eternal beauty and brooding charm, ready to ruin my life. He'd rather have a wooden stake shoved through his chest than ask for my help, yet here we are. Turns out the bloodsucker has something of a heart after all because he's desperate, fearing his missing son is dead. Neither of us are excited about this, but I could really use the paycheck. So, we're just going to have to set aside our petty insults and work together before this city buries his kid. If we don't kill each other first. KISS ME DEADLY is the first book in an enemies to lovers paranormal romance trilogy perfect for fans of Kelly St. Clare, Linsey Hall, C.N. Crawford, K.M. Shea, and Helen Harper.

Teachings of Thomas S. Monson May 05 2024

The Education of an Anti-Imperialist Dec 08 2021 Robert M. La Follette (1855–1925), the Republican senator from Wisconsin, is best known as a key architect of American Progressivism and as a fiery advocate for liberal politics in the domestic sphere. But "Fighting Bob" did not immediately come to a progressive stance on foreign affairs. In *The Education of an Anti-Imperialist*, Richard Drake follows La Follette's growth as a critic of America's wars and the policies that led to them. He began his political career with conventional Republican views of the era on foreign policy, avidly supporting the Spanish-American and Philippine-American Wars. La Follette's critique of empire emerged in 1910, during the first year of the Mexican

Revolution, as he began to perceive a Washington–Wall Street alliance in the United States' dealings with Mexico. La Follette subsequently became Congress's foremost critic of Woodrow Wilson, fiercely opposing United States involvement in World War I. Denounced in the American press as the most dangerous man in the country, he became hated and vilified by many but beloved and admired by others. La Follette believed that financial imperialism and its necessary instrument, militarism, caused modern wars. He contended they were twin evils that would have ruinous consequences for the United States and its citizens in the twentieth century and beyond. "An excellent book. . . . As Drake fully documents, La Follette's warnings about [World War I] profiteers and the lust for power were fully justified. Then as now, the American people were lied to by the government and media and manipulated into the stink and blood of war."—Mark Taylor, *The Daily Call* "Scholars will . . . value the insights into La Follette's foreign policy education."—*The Historian*

Confessions of a Sociopath Jun 06 2024 The memoir of a high-functioning, law-abiding (well, mostly) sociopath and a roadmap—right from the source—for dealing with the sociopath in your life. "[A] gripping and important book . . . revelatory . . . quite the memorable roller coaster ride."—*The New York Times Book Review* As M.E. Thomas says of her fellow sociopaths, "We are your neighbors, your coworkers, and quite possibly the people closest to you: lovers, family, friends. Our risk-seeking behavior and general fearlessness are thrilling, our glibness and charm alluring. Our often quick wit and outside-the-box thinking make us appear intelligent—even brilliant. We climb the corporate ladder faster than the rest, and appear to have limitless self-confidence. Who are we? We are highly successful, noncriminal sociopaths and we comprise 4 percent of the American population." *Confessions of a Sociopath*—part

confessional memoir, part primer for the curious—takes readers on a journey into the mind of a sociopath, revealing what makes them tick while debunking myths about sociopathy and offering a road map for dealing with the sociopaths in your life. M. E. Thomas draws from her own experiences as a diagnosed sociopath; her popular blog, Sociopathworld; and scientific literature to unveil for the very first time these men and women who are “hiding in plain sight.”

Surrounded by Idiots Nov 18 2022 Do you ever think you're the only one making any sense? Or tried to reason with your partner with disastrous results? Do long, rambling answers drive you crazy? Or does your colleague's abrasive manner rub you the wrong way? You are not alone. After a disastrous meeting with a highly successful entrepreneur, who was genuinely convinced he was 'surrounded by idiots', communication expert and bestselling author, Thomas Erikson dedicated himself to understanding how people function and why we often struggle to connect with certain types of people. *Surrounded by Idiots* is an international phenomenon, selling over 1.5 million copies worldwide. It offers a simple, yet ground-breaking method for assessing the personalities of people we communicate with – in and out of the office – based on four personality types (Red, Blue, Green and Yellow), and provides insights into how we can adjust the way we speak and share information. Erikson will help you understand yourself better, hone communication and social skills, handle conflict with confidence, improve dynamics with your boss and team, and get the best out of the people you deal with and manage. He also shares simple tricks on body language, improving written communication, advice on when to back away or when to push on, and when to

Speak up or shut up. Packed with 'aha!' and 'oh no!' moments, *Surrounded by Idiots* will help you understand and communicate with those around you, even people you currently think are beyond all comprehension. And with a bit of luck you can also be confident that the idiot out there isn't you!

The Truth of You Feb 07 2022 This is the truth of you. Because you are all I see. Because you are all I breathe. Because when I cannot find you, I am lost. Because when I'm with you, I am found. Because you have the fire of the universe in you, and sometimes you forget. So this book is here to remind you. Dear You, I want you to know that I see you. I want you to know that even if no one else does, even if you are a ghost in this bookshop, or just the static floating across the screen of your computer, wherever you're reading this, I see you. I see you in the dark and I see you in the grey. I see you as a story, as words I have spoken or may yet speak. Maybe only in a memory or a dream. I see your hands and your arms and your body and your legs and your face and I see what you have been and what you will be. I see you and in looking at you, I want you to know that whoever you've had to be to survive all this, I will not look away. I want you to know that there's a space inside this book for you. So if you have the time and the inclination, you can sit here with me, just for a while. And perhaps between us, we can see everything that matters.

A Ceremony Unveiling the Portrait of The Honorable Thomas S. Foley, June 25, 2003, * Nov 30 2023

To the Rescue Feb 02 2024 This is a fun and interesting book to read. Mrs. Swinton covered the typical events in a biography, from Thomas S. Monson's ancestry through his childhood and then into his life as a general authority. However, the life she followed is so remarkable that the book was hard to put down. It is filled with uncountable stories, some short, some lengthy, that give the reader faith and hope. A choice line reveals that immediately after Thomas S. Monson's call to the apostleship, he went home and mowed the lawn. A majestic chapter deals with Elder Monson's years of service with the East Germans. A progressive thread is the passing of senior apostles, interlaced with the fact that Tom Monson was seventeen years younger than the next junior apostle, Gordon B. Hinckley. Many details in the book reveal that Thomas S. Monson was a humble man, led by the Lord to perform acts of greatness, and yet his favorite breakfast is Wheaties. Elder Monson served in the highest councils of the LDS Church for thirty-six years, gaining tremendous experience and perspective, before being sustained as president.

Deep Learning for Coders with fastai and PyTorch Sep 04

2021 Deep learning is often viewed as the exclusive domain of math PhDs and big tech companies. But as this hands-on guide demonstrates, programmers comfortable with Python can achieve impressive results in deep learning with little math background, small amounts of data, and minimal code. How? With fastai, the first library to provide a consistent interface to the most frequently used deep learning applications. Authors Jeremy Howard and Sylvain Gugger, the creators of fastai, show you how to train a model on a wide range of tasks using fastai and PyTorch. You'll also dive progressively further into deep learning theory to gain a complete understanding of the algorithms behind the scenes.

Train models in computer vision, natural language processing, tabular data, and collaborative filtering Learn the latest deep learning techniques that matter most in practice Improve accuracy, speed, and reliability by understanding how deep learning models work Discover how to turn your models into web applications Implement deep learning algorithms from scratch Consider the ethical implications of your work Gain insight from the foreword by PyTorch cofounder, Soumith Chintala

Patrick Henry Jan 01 2024 Historian Thomas S. Kidd shows how the fiery Patrick Henry cherished a vision of America as a virtuous republic with a clearly circumscribed central government. These ideals brought him into bitter conflict with other Founders and were crystallized in his vociferous opposition to the U.S. Constitution.

My Grandfather's Son Dec 20 2022 Provocative, inspiring, and unflinchingly honest, My Grandfather's Son is the story of one of America's most remarkable and controversial leaders, Supreme Court Justice Clarence Thomas, told in his own words. Thomas speaks out, revealing the pieces of his life he holds dear, detailing the suffering and injustices he has overcome, including the polarizing Senate hearing involving a former aide, Anita Hill, and the depression and despair it created in his own life and the lives of those closest to him. In this candid and deeply moving memoir, a quintessential American tale of hardship and grit, Clarence Thomas recounts his astonishing journey for the first time.

Because You'll Never Meet Me Jun 25 2023 Ollie and Moritz are two teenagers who will never meet. Each of them lives with a life-affecting illness. Contact with electricity sends Ollie into debilitating seizures, while Moritz has a heart defect and is kept alive by an electronic pacemaker. If they did meet, Ollie would seize, but turning off the pacemaker would kill Moritz. Through an exchange of letters, the two boys develop a strong bond of friendship which becomes a lifeline during dark times – until Moritz reveals that he holds the key to their shared, sinister past, and has been keeping it from Ollie all along.

Excuse Me Sep 16 2022 What are the rules for business etiquette today? Is it acceptable to text your boss at home? What is the polite way to ask a colleague to take a distracting conversation behind closed doors? What about the use of smartphones in meetings? In today's workplace, manners matter more than ever. With an increasing amount of open-plan workplaces and constant connectivity, the chances of unintentionally annoying or offending others is growing exponentially. Merging classic rules of behavior with new realities of modern business, Excuse Me spotlights dozens of puzzling situations, with suggestions for bridging divides. The book untangles the nuances of: meeting etiquette, interview expectations, proper office attire, electronic manners, privacy in tight spaces, nonverbal cues, small talk, social media use, and much more. In even the most diverse workplaces, good manners will create an atmosphere of respect, smoothing the way for everyone to succeed.

Excuse Me explains how to begin. "Both novice and experienced workers will find a wealth of business etiquette in a book that, instead of excusing bad behavior, could help prevent it from happening in the first place" (Foreword Reviews).

Forget Me Not Mar 03 2024 Inspirational address to women highlights five things they should never forget about their divine relationship with God: forget not to be patient with yourself; forget not the difference between a good sacrifice and a foolish sacrifice; forget not to be happy now; forget not the "why" of the gospel; and forget not that the Lord loves you.

THREE BEST FRIENDS, A LAKE HOUSE, A SECRET TRIP -- WHAT COULD GO WRONG? It was supposed to be the perfect prom weekend getaway. But it's clear something terrible happened when Claire wakes up alone and bloodied on a hiking trail with no memory of the past forty-eight hours. Now everyone wants answers--most of all, Claire. She remembers Friday night, but after that . . . nothing. And now Kat and Jesse--her best friends--are missing. What happened on the mountain? And where are Kat and Jesse? Claire knows the answers are buried somewhere in her memory. But as she's learning, everyone has secrets--even her best friends. And she's pretty sure she's not going to like what she remembers.

The Myth of Mental Illness Nov 06 2021 "The landmark book that argued that psychiatry consistently expands its definition of mental illness to impose its authority over moral and cultural conflict." — New York Times The 50th

anniversary edition of the most influential critique of psychiatry ever written, with a new preface on the age of Prozac and Ritalin and the rise of designer drugs, plus two bonus essays. Thomas Szasz's classic book revolutionized thinking about the nature of the psychiatric profession and the moral implications of its practices. By diagnosing unwanted behavior as mental illness, psychiatrists, Szasz argues, absolve individuals of responsibility for their actions and instead blame their alleged illness. He also critiques Freudian psychology as a pseudoscience and warns against the dangerous overreach of psychiatry into all aspects of modern life.
