Give Me Liberty! Sep 23 2023

Freedom, the oldest of clichés and the most modern of aspirations, is the unifying theme in the new survey of American history by Eric

Foner, the well-known historian and author of *The Story of American Freedom*. *Give Me Liberty!* examines the changing meanings of freedom, the social conditions that make freedom possible and its shifting boundaries from colonial times to the early twenty-first century.

A clear, concise, up to date, authoritative history by one of the leading historians in the country. *Give Me Liberty!* is the leading book in the market because it works in the classroom. A single-author book, *Give Me Liberty!* offers students a consistent approach, a single narrative voice, and a coherent perspective throughout the text. Threaded through the chronological narrative is the theme of freedom in American history and the significant conflicts

over its changing meanings, its limits, and its accessibility to various social and economic groups throughout American history. The Third Edition places American history more fully in a global context. The pedagogy is also enhanced in the Third Edition, with a Visions of Freedom feature in each chapter and more extensive end-of-chapter review exercises.

- Language arts practice: Mad Libs are a great way to build reading comprehension and grammar skills.
- Fun with Friends: each story is a chance for friends to work together to create unique

stories!

The Fiery Trial: Abraham Lincoln and American Slavery

May 27 2021 “A masterwork [by] the preeminent historian of the Civil War era.”—Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue:

American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

[Give Me Liberty! an American History](#) Nov 01 2021

Gateway To Freedom Jun 28 2021 The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has

influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize-winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835.

offsite.creighton.edu

In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first

appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

[Give Me Liberty](#) Oct 01 2021

An award-winning historian recounts the history of American liberty through the stories of thirteen essential documents. Nationalism is inevitable: It supplies feelings of belonging, identity, and recognition. It binds us to our neighbors and tells us who we are. But increasingly -- from

the United States to India, from Russia to Burma -- nationalism is being invoked for unworthy ends: to disdain minorities or to support despots. As a result, nationalism has become to many a dirty word. In *Give Me Liberty*, award-winning historian and biographer Richard Brookhiser offers up a truer and more inspiring story of American nationalism as it has evolved over four hundred years. He examines America's history through thirteen documents that made the United States a new country in a new world: a free country. We are what we are because of them; we stay true to what we are by staying true to them. Americans have always sought liberty, asked for it, fought for it; every victory has been the fulfillment of old hopes and promises. This is our nationalism, and we should be proud of it.
