Wade offers nothing less than a uniquely complete retelling of a story that began 500 centuries ago **Southern Horrors** Crystal N. Feimster,2009-11-23 Between 1880 and 1930 close to 200 women were murdered by lynch mobs in the American South Many more were tarred and feathered burned whipped or raped In this brutal world of white supremacist politics and patriarchy a world violently divided by race gender and class black and white women defended themselves and challenged the male power brokers Crystal Feimster breaks new ground in her story of the racial politics of the postbellum South by focusing on the volatile issue of sexual violence Pairing the lives of two Southern women Ida B Wells who fearlessly branded lynching a white tool of political terror against southern blacks and Rebecca Latimer Felton who urged white men to prove their manhood by lynching black men accused of raping white women Feimster makes visible the ways in which black and white women sought protection and political power in the New South While Wells was black and Felton was white both were journalists temperance women suffragists and anti rape activists By placing their concerns at the center of southern politics Feimster illuminates a critical and novel aspect of southern racial and sexual dynamics Despite being on opposite sides of the lynching question both Wells and Felton sought protection from sexual violence and political empowerment for women Southern Horrors provides a startling view into the Jim Crow South where the precarious and subordinate position of women linked black and white anti rape activists together in fragile political alliances It is a story that reveals how the complex drama of political power race and sex played out in the lives of Southern women *The Football Girl* Thatcher Heldring,2017-04-04 For every athlete or sports fanatic who knows she s just as good as the guys This is for fans of *The Running Dream* by Wendelin Van Draanen *Grace Gold and Glory* by Gabrielle Douglass and *Breakaway Beyond the Goal* by Alex Morgan The summer before Caleb and Tessa enter high school friendship has blossomed into a relationship and their playful sports days are coming to an end Caleb is getting ready to try out for the football team and Tessa is training for cross country But all their structured plans derail in the final flag game when they lose Tessa doesn t want to end her career as a loser She really enjoys playing and if she s being honest she likes it even more than running cross country So what if she decided to play football instead What would happen between her and Caleb Or between her two best friends who are counting on her to try out for cross country with them And will her parents be upset that she s decided to take her hobby to the next level This summer Caleb and Tessa figure out just what it means to be a boyfriend girlfriend teammate best friend and someone worth cheering for A great next choice for readers who have enjoyed Catherine Gilbert Murdock s *Dairy Queen* and Miranda Kenneally s *Catching Jordan* SLJ Fast paced football action realistic family drama and sweet romance will have readers looking for girl powered sports stories find ing plenty to like Booklist Tessa s ferocious competitiveness is appealing Kirkus Reviews *The Football Girl* serve s to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream Heldring writes with insight and restraint *The Horn Book* **Two Moons** Krystal A.
