The material presented is applicable, without modification, to both nuclear and non-nuclear warfare. Author Anne Snowden Crosman, inspired by her own parents' graceful aging, interviewed hundreds of elderly people, each of whom continued to lead vibrant lives. She spoke with the famous and non-famous, those born in this country and those who had immigrated, some who had endured a difficult life, others who had known a life of privilege. To each she posed the same question: What was their secret of living long and well?
