Compassion A Reflection On The Christian Life Henri Jm Nouwen

Compassion Henri J. M. Nouwen, Donald P. McNeill, Douglas A. Morrison, 2006-01-17 In this provocative essay on that least understood virtue compassion the authors challenge themselves and us with these questions Where do we place compassion in our lives Is it enough to live a life in which we hurt one another as little as possible Is our guiding ideal a life of maximum pleasure and minimum pain Compassion answers no After years of study and discussion among themselves with other religious and with men and women at the very center of national politics the authors look at compassion with a vigorous new perspective They place compassion at the heart of a Christian life in a world governed far too long by principles of power and destructive control Compassion no longer merely an eraser of human mistakes is a force of prayer and action the expression of God's love for us and our love for God and one another Compassion is a book that says no to a compassion of guilt and failure and yes to a compassionate love that pervades our spirit and moves us to action Henri Nouwen Donald McNeill and Douglas Morrison have written a moving document on what it means to be a Christian in a difficult time

Compassion. A Reflection on the Christian Life, 1984 The Path of Peace Henri J. M. Nouwen, 1994-09 In this brief essay by Henri J M Nouwen one of this century's most inspiring spiritual guides the subject is peace Peace is found in weakness Nouwen says when we surrender our self sufficiency Where we are the weakest peace is hidden **The Return of the Prodigal Son** Henri J. M. Nouwen, 2013-11-20 With over a million copies sold this classic work is essential reading for all who ask Where has my struggle led me A chance encounter with a reproduction of Rembrandt's The Return of the Prodigal Son catapulted Henri Nouwen on an unforgettable spiritual adventure Here he shares the deeply personal and resonant meditation that led him to discover the place within where God has chosen to dwell As Nouwen reflects on Rembrandt's painting in light of his own life journey he evokes a powerful drama of the classic parable in a rich captivating way that is sure to reverberate in the hearts of readers Nouwen probes the several movements of the parable the younger son's return the father's restoration of sonship the elder son's resentfulness and the father's compassion The themes of homecoming affirmation and reconciliation will be newly discovered by all who have known loneliness dejection jealousy or anger The challenge to love as God loves and to be loved as God's beloved will be seen as the ultimate revelation of the parable known to Christians throughout time and is here represented with a vigor and power fresh for our times

Intimacy Henri J. M. Nouwen, 2016-07-12 Is love a possibility within our reach We probably have wondered in our many lonesome moments if there is one corner in this competitive demanding world where it is safe to be relaxed to expose ourselves to someone else and to give unconditionally It might be very small and hidden But if this corner exists it calls for a search through the complexities of our human relationships in order to find it from Intimacy Writing from his vast experience as a pastoral counselor Henri Nouwen addresses the basic question How can I find a creative and fulfilling intimacy in my

relationship with God and my fellow human beings He conducts a rich and insightful exploration into the balance between intimacy and distance the problems in trying to develop lasting and productive relationships on all levels and the connections between intimacy and sexuality pray faith and the mental well being of the minister Intimacy is an essential resource for anyone struggling to grasp the profound implications of this most basic human need The Wounded Healer Henri J. M. Nouwen, 1979-02-02 A radically fresh interpretation of how we can best serve others from the bestselling author of *The Return of the Prodigal Son* hailed as one of the world's greatest spiritual writers by Christianity Today In our own woundedness we can become a source of life for others In this hope filled and profoundly simple book Henri Nouwen inspires devoted men and women who want to be of service in their church or community but who have found traditional outreach alienating and ineffective Weaving keen cultural analysis with his psychological and religious insights Nouwen presents a balanced and creative theology of service that begins with the realization of fundamental woundedness in human nature According to Nouwen ministers are called to identify the suffering in their own hearts and make that recognition the starting point of their service Ministers must be willing to go beyond their professional somewhat aloof roles and leave themselves open as fellow human beings with the same wounds and suffering as those they serve In other words we heal from our wounds *The Wounded Healer* is a thoughtful and insightful guide that will be welcomed by anyone engaged in the service of others *The Path of Power* Henri J. M. Nouwen, 1995 Henri J M Nouwen one of our day's most inspiring spiritual guides writes what he calls a theology of weakness in which he shows the destructiveness of worldly power the remedy of powerlessness and the emergence of an authentic healing power Disruptive Compassion Hal Donaldson, 2019-07-09 Your invitation to move beyond pity helplessness and outrage and your playbook for making a difference right where you are As the daily newsfeed full of suffering and injustice scrolls by it's all too easy to question what one person can really do to enact the profound change the world needs Like moviegoers we often watch and witness with care but assume the script has already been written *Disruptive Compassion* dares to make a bold counter you possess the power to provoke real and meaningful change Why Because God has empowered you to rewrite the story of tomorrow Over 2 000 years ago Jesus created a model for revolutionaries that has been followed ever since These principles are just as powerful to guide our journey today With raw and inspiring stories from the world's most desperate places and his own journey to find meaning *Convoy of Hope* founder and CEO Hal Donaldson will take you on a tour along the frontlines of courage and compassion Let this book be your crash course in what it means to become a revolutionary as you learn how to Evaluate the resources you already have Navigate real concerns and risks Check your motives And ultimately become equipped as an agitator with purpose With principles and insights gleaned from two decades of relief work Hal reveals what he's learned from the journey and what we can take with us as we join the revolution **The Selfless Way of Christ** Henri Nouwen, 2011-10-24 When I first came across Nouwen's phase downward mobility it struck me as radical counterintuitive and profoundly true His

reminder of Jesus message goes against nearly everything in modern life but ignoring it has led to most of the urgent problems we now face global warming poverty and a deep sense of alienation Perhaps it is not too late to change and Henri Nouwen has shown the way Philip Yancy In this short work Henri Nouwen offers a penetrating reflection on the challenge of the spiritual life especially the call to imitate Christ s example of downward mobility Illustrated with drawings by Vincent van Gogh The Selfless Way of Christ is an inspiring guide for ministers and everyone walking the path of discipleship
