

# Does your school have spirit?

Kat wants nothing more than to be normal, or at least to appear that way to the students at her new middle school. But her mother is a medium, and not the kind that fits in between small and large; Kat's mom sees spirits and communicates with them. And, even worse, Kat has just discovered that she can see spirits, too. Now she's the only one capable of helping a spirit at her school cross over successfully. The question is, can she do it without needing to switch schools herself?

**Elizabeth Cody Kimmel** channels her inner middle-school self as she captures the challenges of surviving middle school with humor, heart, and supernatural charm in the first book in the Suddenly Supernatural series. Her website is [www.codykimmel.com](http://www.codykimmel.com).

"A satisfying start to a new series, this will especially appeal to tweens who like their paranormal with a touch of humor and some daily life."  
—*Kirkus*

"The book is so inviting—from the opening page design to Kat's engaging voice—that readers will thoroughly enjoy unraveling the supernatural mystery."

*The Queer Fantasies of the American Family Sitcom* Tison Pugh, 2018-02-27 The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family friendly sitcoms Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power as a kind of camouflage and as a foundation for family building The book examines how queerness at first latent became a vibrant yet continually conflicted part of the family sitcom tradition Taking into account elements such as the casting of child actors the use of and experimentation with plot traditions the contradictory interpretive valences of comedy and the subtle subversions of moral standards by writers and directors Pugh points out how innocence and sexuality conflict on television As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family television history reveals a deeper queerer vision of family bonds
