

➤ **Discussion Notes**

Take notes on the lesson to help you understand and to help you study for the test.

I. Meekness Toward Parents (based on Genesis 22)

A. How does Isaac demonstrate this idea?

He was willing to let Abraham kill him, we didn't argue or protest.

B. Review Exodus 20:12. What does it instruct? What is the reward from God for doing this?

Honor your father and mother. The reward is a long life in the land He has given you.

C. Is it hard to demonstrate meekness to your parents in an "all about me" society?

Why or why not?

Yes because it's hard to keep from arguing, or complaining about something. Everything in our world is about rebellion.

II. Meekness Toward God (Genesis 24:1-27, 50-67 - Isaac & Rebekah)

A. How does Isaac demonstrate this idea?

He loved Rebekah and was willing to marry her after just meeting her.

B. How does Rebekah demonstrate this idea?

She left her family to come and marry a man she had never met.

C. How does Rebekah's family demonstrate this idea?

They let Rebekah go and marry Isaac even though they didn't know him.

III. Meekness Toward Government Officials (Genesis 26: 1-18 (Isaac & Abimelech))

A. How does Isaac demonstrate this idea?

Abimelech told Isaac to move away and Isaac obeyed without arguing or fighting.

B. How can we demonstrate this idea? Review Romans 13:1 and Titus 3:1 for help.

Submit to authorities because God put them in power and there is no other authority over Him.

C. Can we demonstrate meekness in this area if our leaders are not God-honoring? How?

Follow the law of God and don't follow the non-God-honoring laws of officials.

IV. Meekness Toward Other People (Genesis 26:19-22 - Isaac Responds to Others)

A. How does Isaac demonstrate this idea?

He avoids conflict twice by moving and building new wells until the arguments stopped.

B. What can we do to assure peaceful living with our family, friends, classmates, and teammates?

Don't argue or try to start a fight with someone even though

they may be wrong.

➤ **Reflecting on the Lesson**

What I Know Now about Isaac:

Isaac married Rebekah. He was meek toward Abimelech by moving out of the land when he was told to. He, also, was meek toward others by not starting an argument by continuing to

What I Know Now about meekness:

Meekness is showing kindness towards others. It doesn't steal rights, but fights to maintain peace. It is not boastful or proud. It is more concerned about others than itself.

Force Structure Tactics and Modernization of the Russian Ground Forces

The mighty Soviet Army is no more
The feckless Russian Army that stumbled into Chechnya is no more
Today's Russian Army is modern better manned better equipped and designed for maneuver combat under nuclear threatened conditions

This is your source for the tactics equipment force structure and theoretical underpinnings of a major Eurasian power

Here's what the experts are saying

A superb baseline study for understanding how and why the modern Russian Army functions as it does

Essential for specialist and generalist alike

Colonel Ret David M Glantz foremost Western author on the Soviet Union in World War II and Editor of The Journal of Slavic Military Studies

Congratulations to Les Grau and Chuck Bartles on filling a gap which has yawned steadily wider since the end of the USSR

Their book addresses evolving Russian views on war including the blurring of its nature and levels and the consequent Russian approaches to the Ground Forces force structuring manning equipping and tactics

Confidence is conferred on the validity of their arguments and conclusions by copious footnoting mostly from an impressive array of primary sources

It is this firm grounding in Russian military writings coupled with the authors understanding of war and the Russian way of thinking about it that imparts such an authoritative tone to this impressive work

Charles Dick former Director of the Combat Studies Research Centre Senior Fellow at the Defence Academy of the United Kingdom author of the 1991 British Army Field Manual Volume 2 A Treatise on Soviet Operational Art and author of From Victory to Stalemate The Western Front Summer 1944 and From Defeat to Victory The Eastern Front Summer 1944

Dr Lester Grau's and Chuck Bartles professional research on the Russian Armed Forces is widely read throughout the world and especially in Russia

Russia's Armed Forces have changed much since the large scale reforms of 2008 which brought the Russian Army to the level of the world's other leading armies

The speed of reform combined with limited information about their core mechanisms represented a difficult challenge to the authors

They have done a great job and created a book which could be called an encyclopedia of the modern armed forces of Russia

They used their wisdom and talents to explore vital elements of the Russian military machine the system of recruitment and training structure of units of different levels methods and tactics in defense and offence and even such little known fields as the Arctic forces and the latest Russian combat robotics

Dr Vadim Kozyulin Professor of Military Science and Project Director Project on Asian Security Emerging Technologies and Global Security Project PIR Center Moscow

Probably the best book on the Russian Armed Forces published in North America during the past ten years

A must read for all analysts and professionals following Russian affairs

A reliable account of the strong and weak aspects of the Russian Army

Provides the first look on what the Russian Ministry of Defense learned from best Western practices and then applied them on Russian soil

Ruslan Pukhov Director of the Moscow based Centre for the Analysis of Strategies and Technologies CAST and member of the Public Council of the Russian Federation
