Bonwell, James A. Eison, 1991 This monograph examines the nature of active learning at the higher education level the empirical research on its use the common obstacles and barriers that give rise to faculty resistance and how faculty and staff can implement active learning techniques A preliminary section defines active learning and looks at the current climate surrounding the concept A second section entitled The Modified Lecture offers ways that teachers can incorporate active learning into their most frequently used format the lecture The following section on classroom discussion explains the conditions and techniques needed for the most useful type of exchange Other ways to promote active learning are also described including visual learning writing in class problem solving computer based instruction cooperative learning debates drama role playing simulations games and peer teaching A section on obstacles to implementing active learning techniques leads naturally to the final section Conclusions and Recommendations which outlines the roles that each group within the university can play in order to encourage the implementation of active learning strategies The text includes over 200 references and an index JB

Intelligence Community Legal Reference Book ,2012      The Armed Forces Officer Richard Moody Swain, Albert C. Pierce, 2017 In 1950 when he commissioned the first edition of The Armed Forces Officer Secretary of Defense George C Marshall told its author S L A Marshall that American military officers of whatever service should share common ground ethically and morally In this new edition the authors methodically explore that common ground reflecting on the basics of the Profession of Arms and the officer's special place and distinctive obligations within that profession and especially to the Constitution      *The Restoration of Engravings, Drawings, Books, and Other Works on Paper* Max Schweidler, 2006 Ever since its original publication in Germany in 1938 Max Schweidler's Die Instandsetzung von Kupferstichen Zeichnungen Buchern usw has been recognized as a seminal modern text on the conservation and restoration of works on paper To address what he saw as a woeful dearth of relevant literature and in order to assist those who have set themselves the goal of preserving cultural treasures the noted German restorer composed a thorough technical manual covering a wide range of

specific techniques including detailed instructions on how to execute structural repairs and alterations that if skilfully done can be virtually undetectable By the mid twentieth century curators and conservators of graphic arts discovering a nearly invisible repair in an old master print or drawing might comment that the object had been Schweidlerized This volume based on the authoritative revised German edition of 1949 makes Schweidler s work available in English for the first time in a meticulously edited and annotated critical edition The editor s introduction places the work in its historical context and probes the philosophical issues the book raises while some two hundred annotati

*Building a StoryBrand* Donald Miller,2017-10-10 More than half a million business leaders have discovered the power of the StoryBrand Framework created by New York Times best selling author and marketing expert Donald Miller And they are making millions If you use the wrong words to talk about your product nobody will buy it Marketers and business owners struggle to effectively connect with their customers costing them and their companies millions in lost revenue In a world filled with constant on demand distractions it has become near impossible for business owners to effectively cut through the noise to reach their customers something Donald Miller knows first hand In this book he shares the proven system he has created to help you engage and truly influence customers The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies Without a clear distinct message customers will not understand what you can do for them and are unwilling to engage causing you to lose potential sales opportunities for customer engagement and much more In *Building a StoryBrand* Donald Miller teaches marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their businesses His proven process has helped thousands of companies engage with their existing customers giving them the ultimate competitive advantage *Building a StoryBrand* does this by teaching you The seven universal story points all humans respond to The real reason customers make purchases How to simplify a brand message so people understand it and How to create the most effective messaging for websites brochures and social media Whether you are the marketing director of a multibillion dollar company the owner of a small business a politician running for office or the lead singer of a rock band *Building a StoryBrand* will forever transform the way you talk about who you are what you do and the unique value you bring to your customers

*Sir Barton and the Making of the Triple Crown* Jennifer S. Kelly,2019-05-03 The true story of a forgotten champion Bringing Sir Barton out from the shadows Jennifer Kelly restores him to a richly deserved spotlight Dorothy Ours author of *Man o War* He was always destined to be a champion Royally bred with English and American classic winners in his pedigree Sir Barton shone from birth dubbed the king of them all But after a winless two year old season and a near fatal illness uncertainty clouded the start of Sir Barton s three year old season Then his surprise victory in America s signature race the Kentucky Derby started him on the road to history where he would go on to dominate the Preakness and the Belmont Stakes completing America s first Triple Crown His wins inspired the ultimate chase for greatness in American horse racing and established an elite group that would grow to

include legends like Citation Secretariat and American Pharoah After a series of dynamic wins in 1920 popular opinion tapped Sir Barton as the best challenger for the wonder horse Man o War and demanded a match race to settle once and for all which horse was the greatest That duel would cement the reputation of one horse for all time and diminish the reputation of the other for the next century until now Sir Barton and the Making of the Triple Crown is the first book to focus on Sir Barton his career and his historic impact on horse racing Jennifer S Kelly uses extensive research and historical sources to examine this champion s life and achievements Kelly charts how Sir Barton broke track records scored victories over other champions and sparked the yearly pursuit of Triple Crown glory
