The Book of Why Judea Pearl,Dana Mackenzie,2018-05-15 A Turing Award winning computer scientist and statistician shows how understanding causality has revolutionized science and will revolutionize artificial intelligence Correlation is not causation This mantra chanted by scientists for more than a century has led to a virtual prohibition on causal talk Today that taboo is dead The causal revolution instigated by Judea Pearl and his colleagues has cut through a century of confusion and established causality the study of cause and effect on a firm scientific basis His

work explains how we can know easy things like whether it was rain or a sprinkler that made a sidewalk wet and how to answer hard questions like whether a drug cured an illness Pearl s work enables us to know not just whether one thing causes another it lets us explore the world that is and the worlds that could have been It shows us the essence of human thought and key to artificial intelligence Anyone who wants to understand either needs *The Book of Why* *Children's Friendship Training* Fred D. Frankel,Robert J. Myatt,2013-05-13 First published in 2003 Children s Friendship Training is a complete manualized guide for therapists treating children with peer problems This unique empirically validated treatment is the first to integrate parents into the therapy process to ensure generalization to school and home Representing over twelve years of research Children s Friendship Training presents the comprehensive social skills training program developed by these pioneering authors Step by step interventions help children develop the skills to initiate mutually satisfying social interactions These interactions can lead to higher regard within the peer group and the development of satisfying dyadic relationships that will in turn serve to enhance overall well being Clinical and empirical rationales illustrative case examples and parent handouts that educate parents and give specific guidelines for homework assignments are presented for each treatment module Brief relevant reviews of the child development literature and selective reviews of assessment techniques and other approaches to children s social skills training are presented to sufficiently acquaint therapists interested in implementing children s friendship training

Writing in a Bilingual Program Carole Edelsky,1986 A year long study of the writing development of 27 first through third graders in an English Spanish bilingual program was conducted during the 1980 81 school year Samples of the children s writing were collected at four intervals coded for computer tallying and analyzed in terms of code switching spelling punctuation and segmentation structural features stylistic devices and content Additionally the context in which the writing developed was evaluated by classroom observations teacher interviews review of familial backgrounds and a survey of the community language situation Myths about bilingual language proficiency biliteracy bilingual education teaching writing and learning to write are all countered by evidence presented in this study In a discussion of implications the concept of a whole language approach to writing instruction is supported in which authentic and functional texts are offered to and produced by children Examples of the children s writing with appropriate translations are given along with various tables Informal follow up information is presented in three epilogues dealing with changes in the researcher s commitment to the study s original writing theories the writing of some students a year after the study and a chronological outline of the demise of the bilingual program used in the study Appendices list interview questions used for teachers and aides and categories for coding the writing data This book contains 134 references ALL

The Persian Boy Mary Renault,2013-09-10 A New York Times bestselling novel of the ancient king of Macedon and his lover by the author Hilary Mantel calls a shining light The Persian Boy centers on the most tempestuous years of Alexander the Great s life as seen through the eyes of his lover and most faithful attendant Bagoas When Bagoas is very young his father is murdered and

he is sold as a slave to King Darius of Persia Then when Alexander conquers the land he is given Bagoas as a gift and the boy is besotted This passion comes at a time when much is at stake Alexander has two wives conflicts are ablaze and plots on the Macedon king s life abound The result is a riveting account of a great conqueror s years of triumph and ultimately heartbreak The Persian Boy is the second volume of the Novels of Alexander the Great trilogy which also includes Fire from Heaven and Funeral Games This ebook features an illustrated biography of Mary Renault including rare images of the author Mary Renault is a shining light to both historical novelists and their readers She does not pretend the past is like the present or that the people of ancient Greece were just like us She shows us their strangeness discerning sure footed challenging our values piquing our curiosity she leads us through an alien landscape that moves and delights us Hilary Mantel **Spanish, Grades 6 - 12** Cynthia Downs,2002-01-05 Support Spanish acquisition using Skills for Success Spanish for grades 6 12 Students can use the activities in this 128 page book on their own or in addition to any Spanish program The exercises are presented in a range of formats that help students acquire everyday Spanish vocabulary The book includes vocabulary lists reproducible storybooks a pronunciation key and an answer key
