The Book of Unknown Americans Jan 15 2024 A stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American and "illuminates the lives behind the current debates about Latino immigration" (*The New York Times Book Review*). When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here *Henríquez* seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America.

Things Fall Apart May 19 2024 "A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world." —Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's *The Great American Read* **Things Fall Apart** is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, **Things Fall Apart** explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, **Things Fall Apart** provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** *The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library*

Black Boy Mar 13 2021 *Richard Wright's powerful account of his journey from innocence to experience in the Jim Crow South. It is at once an unashamed confession and a profound indictment--a poignant and disturbing record of social injustice and human suffering. When Black Boy exploded onto the literary scene in 1945, it caused a sensation. Orville Prescott of the New York Times wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Opposing forces felt compelled to comment: addressing Congress, Senator Theodore Bilbo of Mississippi argued that the purpose of this book "was to plant seeds of hate and devilment in the minds of every American." From 1975 to 1978, Black Boy was banned in schools throughout the United States for "obscenity" and "instigating hatred between the races." The once controversial, now classic American autobiography measures the brutality and rawness of the Jim Crow South against the sheer desperate will it took to survive. Richard Wright grew up in the woods of Mississippi, with poverty, hunger, fear, and hatred. He lied, stole, and raged at those about him; at six he was a "drunkard," hanging*

about in taverns. Surly, brutal, cold, suspicious, and self-pitying, he was surrounded on one side by whites who were either indifferent to him, pitying, or cruel, and on the other by blacks who resented anyone trying to rise above the common lot. At the end of Black Boy, Wright sits poised with pencil in hand, determined to "hurl words into this darkness and wait for an echo."

Quran Jan 23 2022 Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word "Allah" to refer to the Creator. Edition (B) uses the word "God". Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The messenger of Allah said to them, "This is the she-camel of Allah, so let her drink." 14. But they called him a liar, and hamstrung her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran

is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.
