**ANGER AND THE ROCKING CHAIR** JANET LEDERMAN,1969      **Jailcare** Carolyn Sufrin,2017-05-23 Thousands of pregnant women pass through our nation s jails every year What happens to them as they gestate their pregnancies in a space of punishment Based on ethnographic fieldwork and clinical work as an Ob Gyn in a women s jail Carolyn Sufrin explores how in this time when public safety is in disarray and when incarceration has become a central strategy for managing the poor jail has become a safety net Focusing on the experiences of pregnant incarcerated women as well as on the practices of the jail guards and health providers who care for them Jailcare describes the contradictory ways that care and maternal identity emerge within a punitive space presumed to be devoid of care Sufrin argues that jail is not simply a disciplinary institution that serves to punish Rather when understood in the context of the poverty addiction violence and racial oppression that characterize these women s lives and their reproduction jail can become a safety net for women on the margins of society Provided by publisher      [Lightning in a Jar](#) Daron Kenneth,2010-12 Lightning in a Jar is a collection of poetry that gives the reader an intricate visit into the mindscapes and thoughts of the writer s gifted mind A real and sometimes surreal ride into the passages of his soul Lightning in a Jar takes the reader on a continuing eclectic journey into some of life s most richest and memorable moments that are often missed overlooked or taken for granted by the casual observer      *Alice in Chains* David de Sola,2015-08-04 Alice in Chains was the first of grunge s big four ahead of Nirvana Pearl Jam and Soundgarden to get a gold record and achieve national recognition With the charismatic Layne Staley behind the microphone they became one of the most influential and successful bands to come out of the Seattle music scene But as

the band got bigger so did its problems Acclaimed journalist David de Sola follows the members from their inauspicious beginnings at a warehouse under the Ballard Bridge through the history of the band charting The local hair metal scene in Seattle during the 1980s How drugs nearly destroyed the band and claimed the lives of Staley and founding bassist Mike Starr Jerry Cantrell s solo career and Mike Starr s life after being fired from the band The band s resurrection with William DuVall the Atlanta singer guitarist who stepped into Layne Staley s shoes Based on a wealth of interviews with people with direct knowledge of the band and its history many of whom are speaking on the record for the first time Alice in Chains will stand as the definitive Alice in Chains biography for years to come

**Highly Effective Therapy** Len Sperry,2010-03-17 Mental health professionals and accrediting bodies have steadily been embracing competency focused learning and clinical practice In contrast to a skill a competency is a level of sufficiency evaluated against an external standard Learning to be clinically competent involves considerably more than the current emphasis on skill and micro skill training While there are now a small number of books that describe the various clinical competencies of counseling and psychotherapy none of these books focus on how to learn them Highly Effective Therapy emphasizes the process of learning these essential competencies It illustrates them in action with evidence based treatment protocols and clinical simulations to foster learning and competency Highly Effective Therapy is a hands on book that promotes learning of the 20 competencies needed for effective and successful clinical practice
