The Administrative Dental Assistant - Text and Workbook Package Jul 04 2023

Dental Assisting Feb 16 2022

**Student Workbook to Accompany Torres and Ehrlich Modern Dental Assisting** Sep 13 2021 The text covers all levels of dental assisting, and applies the clinical sciences to the field and provides an in-depth theoretical basis for understanding how to prevent disease transmission

**Student Workbook for Modern Dental Assisting** Dec 09 2023 Learn to hone your dental assisting knowledge and skills with this bestselling workbook. Featuring reinforcement exercises and application activities that correspond chapter-by-chapter to the content covered in Bird & Robinson's Modern Dental Assisting, 13th Edition, this workbook gives you the practice you need to master both dental assisting concepts and practical office skills. The workbook comes with original practice management exercises that correspond to the Dentrax software available on Evolve. Also included are ample content review questions, case applications with questions, competency skills evaluation sheets for practice with dental assisting procedures, and a review of video procedures located on the text's companion website. Seamless content correlation utilizes activities and exercises that reinforce the chapter content that you are currently learning in the main text. Practice and review questions for each chapter include short answer, fill-in-the-blank, multiple-choice, and labeling questions to help reinforce your understanding of terminology and concepts. Competency skill checklists provide clear guidelines for performing each dental assisting skill and help you evaluate your strengths and weaknesses, with pages perforated so that you can detach individual skill sheets for use in clinical settings. Dentrax practice management software offers practice working with patient data much like you will in the office environment. Dental assisting externship provides information and resources to support practicum. Patient case exercises use patients on the companion Evolve website's Interactive Dental Office and include medical and dental histories, radiographs, and charting to help you solve problems relating to patient health issues. Video review sections visually reinforce your understanding of text material. NEW! Information on cultural diversity grounds you in this important topic and how it relates to patient care and patient communication. NEW! Coverage of the latest advances in general and specialty dental care matches the updates in the text and addresses technological advancements, public health and access to care, teledentistry, infection control guidelines, the Zika virus, Ebola, the oral-systemic health connection, and more. NEW! Updated diagrams and visual exercises enable you to expand your visual knowledge. UPDATED! Removable flashcards summarize key information about the sciences, medical emergencies, infection control, radiography, dental materials, dental instruments, and dental procedures, offering convenient, on-the-go review and exam preparation. NEW! Updated review questions, case applications, and exercises help reinforce your understanding of terminology and concepts from the main text.

The Administrative Dental Assistant Oct 27 2022 An indispensable companion to the 2nd edition of The Administrative Dental Assistant, this workbook combines the key objectives and content of the textbook with challenging exercises, putting the information into a practical context. These exercises also work in conjunction with the tasks presented in the companion CD-ROM, making the Administrative Dental Assistant an even more accurate representation of the challenges that administrative dental assistants will encounter on the job. This new edition includes an interactive demo CD from leading software provider Dentrax. An interactive, networkable demo CD from Dentrax is included, allowing students to access Dentrax's leading practice management software to perform administrative dental assistant tasks exactly as they would be performed by professionals. Introductory paragraphs in every chapter outline content revisions and changes in the field, along with instructions for using corresponding elements of the Dentrax software. New and revised exercises include short answer, multiple choice, matching, fill in the blank, labeling, and fill-in form exercises drawing on the most current information as presented in the textbook. More than 100 new or colorized images reinforce key points and provide examples of important topics and procedures. Chapter objectives set learning goals for each chapter. Puzzles include crossword, word search, and word scramble puzzles for every chapter, challenging retention of key terms and concepts. Illustrations, charts, and graphs are based on corresponding chapters in the textbook, and reinforce the link between learning and real-world application.

*Student Workbook for Modern Dental Assisting - E-Book* May 14 2024 Reinforce your understanding of the dental assisting skills described in Modern Dental Assisting, 11th Edition! With chapters corresponding to the chapters in Bird & Robinson's bestselling textbook, this workbook includes practice questions and exercises, competency skill sheets for practice with dental assisting procedures, and detachable flashcards for convenient review. Case-based questions help you master the clinical skills you need to succeed in your career as a dental assistant, and the new Dentrax Learning Edition DVD provides you with realistic practice management experience. Chapters correspond to chapters in the

textbook, and each procedure in the textbook also has a corresponding competency sheet. Practice exercises for each chapter include short answer, fill-in-the-blank, and multiple-choice questions, and labeling exercises, helping you master key terminology and important concepts. Patient case exercises use patients on the companion Evolve website's Interactive Dental Office and include medical and dental histories, files, radiographs, and charting information to help you solve problems relating to patient health issues. Procedure videos on the Evolve website visually reinforce your understanding of the material you have read. Competency sheets provide clear guidelines for performing each dental assisting skill and help you evaluate your strengths and weaknesses, with pages perforated so that you can detach individual skill sheets for use in clinical settings. Tear-out flashcards summarize key information about the sciences, medical emergencies, infection control, radiography, dental materials, dental instruments, and dental procedures, offering convenient, on-the-go review in preparing for examinations. NEW content matches that in the textbook, addressing the electronic patient record, the impact of the new health care law, preventive techniques, and the new hazard communication standard. NEW! Emphasis on the Electronic Health Record with the Dentrax Learning Edition DVD and unique practice management exercises allows you to work with patient data. EXPANDED! Additional Critical Thinking Questions offer more opportunities to apply chapter content, enhancing your preparation for state or regional board exams and for practice. EXPANDED! Case-based questions based on patient information in the online Interactive Dental Office help you learn to solve the problems seen in day-to-day clinical settings.
