world forever Baby Drama (An Accidental Billionaire Baby Romance) Sandi Lynn,2021-04-14 JennaThere are two things you need to know about me I m very independent and I m a genius Literally I m a genius At least that s what my IQ score says But even being a genius mistakes are bound to happen I am human after all It all started one night when a sexy billionaire bought me a drink and I accidentally tossed it all over his five thousand dollar suit He tried to blame me but in actuality it was his fault because of his lack of respect for my personal boundaries I offered to pay for the dry cleaning and gave him my number to let me know how much it cost He did and we ended up spending the night together Long story short the condom broke I forgot to take my pill two days in a row and we mistakenly created a baby I never planned on telling him about the baby until I lost my job and my landlord turned the apartments I lived in into condos He told me he couldn t be a father and I was okay with that I didn t need a man complicating my life I was all set to embark on my journey as a single parent until LucasThe only thing I did was notice a beautiful woman and buy her a drink A drink she carelessly spilled all over me and then had the nerve to say it was my fault I forgave her because I wanted her At least for one night Maybe I should have just forgotten about her and thrown her number away But I didn t and a mishap occurred during our one night stand that resulted in a baby I wasn t father material or maybe I was but just didn t want to be The last thing I needed in my life was baby drama I liked my bachelor life the way it was and Jenna was cool with that She made it clear she didn t want me involved I was all set to continue on with my life as if nothing happened until 18 One of a Kind Sandi Lynn,2021-10-24 From the New York Times bestselling author Sandi Lynn comes a brand new brothers series you ll want to devour Sam I made a promise not to sleep with my new personal assistant Too late I d already slept with her before I knew Grayson my human resources director hired her Long story short We first met at a caf when she let me have the last apple turnover Then I saw her again that same night at a bar She was incredibly sexy and she wanted me as much as I wanted her We both agreed it was a one time thing and she left the following day Imagine the shock on both our faces when she showed up for work on Monday I wasn t a relationship type of guy and for good reasons Julia Benton had her own reasons why she wasn t looking to get involved with anyone So continuing our sexual relationship was a win win for both of us But the more time we spent together feelings I d never felt before started to emerge Then things became complicated and she quit to pursue her dreams I knew how much it meant to her and I didn t care Now that I d lost her I wanted no I needed her back in my life and I would do anything to make sure that happened Julia He was the sexy and domineering man who wore an expensive suit A man who cracked the hard shell I d built around myself for the past four years I wasn t looking for someone to save me but Sam unintentionally did just that Then I was given a chance to pursue my lifelong dream He tried to stop it from happening by showing me exactly who he was My only focus now was starting the business I d always wanted and leave Sam behind in the trail of a disaster he created between us The problem was he truly was one of a kind and I had to use every bit of strength I had to forget him 18 **When I Lie with You** Sandi Lynn,2014 After Rory Sinclair suffered a brutal attack she

fell into the arms of Millionaire Ian Braxton He took her in healed her and they both gave each other something they never had love Page 4 of cover *The Upside Of Love (Love Series, Book 2)* Sandi Lynn,2015-11-04 Luke Matthews and Lily Gilmore are back in the final book of the Love Series The Upside of Love Lily My life felt perfect alongside Luke with our love my booming photography business and the promise of happily ever after However it all unraveled when Luke discovered a forgotten secret from my past shattering him me and the foundation of our relationship Once again my world came crashing down Despite Luke s attempts to mend things I found forgiving myself for the past impossible How could he ever find it in his heart to forgive me Luke Life was a dream I had a woman I loved more than anything and my bar was thriving beyond my wildest expectations The revelation of something from Lily s past left me in shock leading to words I never should have said and a sudden departure from her life After some soul searching I realized my mistake and solemnly vowed to win her back The challenge was Lily holding onto a misconception that wasn t true making the fight to bring her back into my life grueling They say love has two sides the downside and the upside Lily was my upside and I was determined to overcome any obstacle to reclaim the love that rightfully belonged to me 18 The Exception Sandi Lynn,2023-04-18 Jillian I grew up wealthy and was given everything my parents wanted me to have After years of being molded into the perfect daughter I played a role I was only what they wanted me to be My parents controlled everything my life friends career and even the man I was supposed to marry When I stood in front of the mirror and looked at myself the person looking back was a total stranger Leaving my fianc at the altar on my wedding day was the start of a journey I embarked on in search of the person that I truly was I would disappear vanish and start a new life where little by little I would unmold the person everybody thought I was I would live in a man free zone for as long as my journey took me NO EXCEPTIONS Until I met a man with dark hair a business suit smoldering eyes and a face like a god Drew Westbrook Drew I had everything I wanted in life Money looks success and beautiful women by my side at all times Some of these women stayed around for a while and some left quickly I was all for a relationship as long as she wasn t looking for a ring or wanting to hear the words I do I liked the way I lived my life and I was content I had plenty of friends loving parents and a successful billion dollar company were all I needed to feel complete NO EXCEPTIONS Until the day a brown haired blue eyed beauty sat down next to me on an airplane and suddenly everything that mattered to me didn t seem to matter anymore She captivated me and I wanted her all of her But her journey didn t include me and I felt something I d never felt before incomplete 18 *Playing the Millionaire* Sandi Lynn,2017-05-11 I had six rules I lived by 1 Know your mark 2 Listen and never look bored 3 Never reveal your true self 4 Never stay in one place too long 5 Exit as smoothly as you entered 6 Never fall in love I was a charmer a seducer and the woman that men were hungry to get their hands on Rich men never should have trusted me but they did It was stupidity on their part Things were going well and I was doing what I was supposed to do until I ripped off the wrong millionaire A millionaire who came after me with a vengeance My name is Kate Harper and this is my story I was the CEO of Quinn Hotels one of the largest hotel

chains in the world I met Kate Harper on an airplane back from Seattle to New York She was captivating and had my attention the moment I laid eyes on her But she was far from the person she said she was After parting ways at JFK airport I discovered she ripped me off I never thought I'd see her again but fate stepped in and we crossed paths This time I wasn't letting her go until her debt to me was paid She was every kind of wrong but that didn't stop the feelings that emerged while I kept her in my possession My name is Gabriel Quinn and this is my story

Remembering You Sandi Lynn, 2014-04 They say young love isn't real It's only our bodies full of raging hormones and our minds filled with lust that make us think we are in love I can tell them that they're wrong Young love is real It can and it does exist at least in my seventeen year old life This is my journey after my accident to figure out who I am and who I was The road to recovery isn't easy but the one thing that stayed with me after the accident was the soft voice and words that I'd never forget Page 4 of cover

Something About Lorelei Sandi Lynn, 2022-12-19 Jack Sutton CEO of Sutton Fashion Magazine I had the world at my fingertips A successful career loads of money and beautiful women were always at my beckoning call My problem I lived under the shadow of my mother who started the family business over thirty years ago Not to mention her being married and divorced six times left a bad taste in my mouth regarding relationships Then I met Lorelei Flynn She showed up at my office as my new personal assistant after spilling coffee all over my new designer suit in Starbucks She was beautiful and as hard as I tried I couldn't keep my hands to myself We grew close until I found out her secret which changed everything Lorelei Flynn Mr Sutton's Personal Assistant I was Jack Sutton's fifteenth personal assistant in over a year Seven years ago my boyfriend and the love of my life gave me a gift before he was tragically killed in a car accident my daughter Hope Since that day I haven't dated or had sex with anyone Then Jack Sutton came into my life He was sexy as sin but a womanizer and my boss We both crossed the line We broke the rules and I fell in love Now my entire world was spinning out of control because there were two things Jack Sutton didn't like relationships and children 18
