The Elephant To Hollywood Michael Caine

The Elephant to Hollywood Michael Caine,2010-10-26 Charming engaging and surprisingly forthright Michael Caine gives us his insider's view of Hollywood and the story of his brilliant second act When he was in his late fifties Michael Caine believed his glamorous rags to riches Hollywood career had come to an end The scripts being sent his way were worse and worse When one script really disappointed he called the producer to complain about the part The producer said No no we don't want you for the lover we want you for the father Salvation came in the unlikely form of his old friend Jack Nicholson who convinced him to give acting one more shot What followed was not only an incredible personal transformation but also one of the most radical comebacks in film history Learning to accept his new role both on camera and in his own life Caine went on to win his second Oscar be knighted by the queen and deliver some of his best performances to date Now he shares the spectacular story of his life from his humble upbringing in London's poverty stricken Elephant and Castle his military service touching marriage and family life and lively adventures with friends to legendary meetings with fellow stars forays as a restaurateur and hilarious off screen encounters from his glittering five decade career Caine's The Elephant to Hollywood brings his gift for storytelling and his insider's view to a tale that is funny warm and deeply honest

The Elephant to Hollywood Michael Caine,2011 Funny warm and honest Caine gives us his insider's view of Hollywood He recalls the films the legendary stars and the off screen moments with a rare gift for storytelling Hollywood has been his some and his playground But England is where his heart lies and a plaque now celebrates him at the Elephant in London

What's It All About? Michael Caine,2012-03-31 From Alfred to Zulu Michael Caine has been Britain's best loved actor for half a century Now for the first time he reveals the truth behind his remarkable life From his time as an evacuee during the Blitz to his front line military service in the Korean War from his early days as an assistant stagehand to becoming Peter O Toole's understudy from walk on parts in local theatres to blowing the bloody doors off with his legendary roles in Zulu and The Italian Job Caine's life was never simple or easy Discussing his little known childhood and family alongside his hard fought journey from London to Hollywood Caine writes with astonishing candour about the good years and the lean years bringing his unique charm and humour to his anecdotes and memories of a sprawling movie making career If you worked in Hollywood in the last few decades you've probably worked with Michael Caine and his accounts of his relationships with other superstars both on and offscreen make this autobiography essential reading for any fan not just of Michael Caine but of film in general

Blowing the Bloody Doors Off Michael Caine,2018-10-23 Now in his 85th year Hollywood legend Michael Caine shares wisdom and stories from his remarkable career in this engrossing memoir that shines with positive energy Library Journal starred review One of our best loved actors Michael Caine has starred in over 100 films in his six decade career spanning classic movies like Alfie Zulu and The Italian Job the inspiration for the book title to playing Alfred opposite Christian Bale's

Batman in Christopher Nolan's blockbuster Dark Knight trilogy Caine has excelled in every kind of role with a skill that made it look easy Caine knows what success takes He's made it to the pinnacle of his profession from humble origins But as he says Small parts can lead to big things And if you keep doing things right the stars will align when you least expect it Still working and more beloved than ever Caine now shares everything he's learned and his fans will be rewarded as will anyone seeking an enjoyable inspirational read Library Journal

Acting in Film Michael Caine, 2000-02-01 Applause Books A master actor who's appeared in an enormous number of films starring with everyone from Nicholson to Kermit the Frog Michael Caine is uniquely qualified to provide his view of making movies This revised and expanded edition features great photos with chapters on Preparation In Front of the Camera Before You Shoot The Take Characters Directors On Being a Star and much more Remarkable material A treasure I'm not going to be looking at performances quite the same way FASCINATING Gene Siskel Author - Translator - Reader Jonathan Oriol, 2012 **Not Many People Know That!**

Michael Caine, 1985 *Michael Caine's Almanac of Amazing Information* Michael Caine, 1985-12 Collects facts and trivia concerning usual aspects of subjects including animals medicine literature movies and English history *When Do I Start?*

Karl Malden, 1998-11-01 This memoir is a peripatetic selection of Malden's encounters with larger than life Broadway figures like Kazan Strasberg and Brando The 1950s were Broadway's heyday but also the time of blacklisting and Malden paints a vivid picture here of those times Moreover the actor eschews the down and dirty tell all memoir so common now to offer his views on the various acting techniques and methods he came upon Recommended Library Journal The Elephant to Hollywood - Signed Stock

Michael Caine, 2010-09-30 *Drama* John Lithgow, 2011-09-27 In this riveting and surprising personal history John Lithgow shares a backstage view of his own struggle crisis and discovery revealing the early life and career that took place out of the public eye and before he became a nationally known star Above all Lithgow's memoir is a tribute to his most important influence his father Arthur Lithgow who as an actor director producer and great lover of Shakespeare brought theater to John's boyhood From bedtime stories to Arthur's illustrious productions performance and storytelling were constant and cherished parts of family life Drama tells of the Lithgows countless moves between Arthur's gigs John attended eight secondary schools before flourishing onstage at Harvard and details with poignancy and sharp recollection the moments that introduced a budding young actor to the undeniable power of theater Before Lithgow gained fame with the film *The World According to Garp* and the television show *3rd Rock from the Sun* his early years were full of scenes both hilarious and bittersweet A shrewd acting performance saved him from duty in Vietnam His involvement with a Broadway costar brought an end to his early first marriage The theater worlds of New York and London come alive as Lithgow relives his collaborations with renowned performers and directors including Mike Nichols Bob Fosse Liv Ullmann and Meryl Streep His ruminations on the nature of theater film acting and storytelling cut to the heart of why actors are driven to perform and why people are driven to watch them do it Lithgow's memory is clear and his wit sharp and much of

the humor that runs throughout Drama comes at his own expense But he also chronicles the harrowing moments of his past reflecting with moving candor on friends made and lost mistakes large and small and the powerful love of a father who set him on the road to a life onstage Illuminating funny affecting and thoroughly engrossing Drama raises the curtain on the making of one of our most beloved actors Dear Me Peter Ustinov,2011-05-31 Sir Peter Ustinov s beautifully crafted autobiography is told with exquisite wit and insight From his birth in April 1921 it spans his extraordinary career as actor playwright film star and director confirming his early belief that he is irrevocably betrothed to laughter Ustinov s renowned gift for mimicry is exploited to the full in Dear Me Eccentric relatives school masters sergeant majors and manic Hollywood moguls are all brought unforgettably to life *My Word is My Bond* Roger Moore,2008-11-04 A natural raconteur Moore delights readers with his candid witty and often self deprecating recollections of the movie business He shares his thoughts on playing some of the world s most famous roles and how they have enriched his life and career **Truth** Mary Mapes,2015-10-13 Mary Mapes s Truth previously published as Truth Duty was made into the 2015 film Truth starring Cate Blanchett Robert Redford Topher Grace and Elizabeth Moss A riveting play by play of a reporter getting and defending a story that recalls All the President s Men Truth puts readers in the center of the 60 Minutes II story on George W Bush s shirking of his National Guard duty The firestorm that followed that broadcast a conflagration that was carefully sparked by the right and fanned by bloggers trashed Mapes well respected twenty five year producing career caused newsman Dan Rather to resign from his anchor chair early and led to an unprecedented internal inquiry into the story chaired by former Reagan attorney general Richard Thornburgh Truth examines Bush s political roots as governor of Texas delves into what is known about his National Guard duty or lack of service and sheds light on the solidity of the documents that backed up the National Guard story even including images of the actual documents in an appendix to the book It is peopled with a colorful cast of characters from Karl Rove to Sumner Redstone and moves from small town Texas to Black Rock CBS corporate headquarters in New York City Truth connects the dots between a corporation under fire from the federal government and the decision about what kinds of stories a news network may cover It draws a line from reporting in the trenches to the gutting of the great American tradition of a independent media and asks whether it s possible to break important stories on a powerful sitting president *Rubber Balls and Liquor* Gilbert Gottfried,2011-04-26 Nobody ever reads this part of the book Somebody at the publishing house explained to me that it s actually called the book flap That sounded dirty so I giggled for three hours But it says in my contract that I have to write something over here in this tiny space even though I don t think anyone will notice Some people might open up to the middle of the book and start flipping through pages but nobody will read this part In fact I ll bet anything that you re not reading this part now And if it turns out that you are well the guy in the bookstore is probably staring at you saying Stop reading that book I guess there s a reason bookstores are going out of business left and right Cheap fucks like you think it s okay to stand in the aisles and read to your heart s content So for the

sake of bookstores everywhere buy this fucking book I myself don't care I only care about the poor working man Oh and the sanctity of the written word I care about that too And in my case those written words of course include fuck dick and pussy In the early 1970s as our nation's youth railed against every conceivable societal norm a funny looking teenage Jew started turning up at open mike nights in various New York City comedy clubs Surprisingly he didn't suck That funny looking teenage Jew is now the even funnier looking middle aged comedian Gilbert Gottfried who despite his transparent shortcomings has managed to carve out a hardly respectable career and a reputation for shock and awe unrivaled outside the Bush administration With this scathingly funny book of rants and musings Gottfried sullies an entirely new medium with his dysfunctional worldview HILARIOUS HIGHLIGHTS INCLUDE Gut wrenching stories from his bizarre childhood A list of celebrities Gilbert would like to have sex with A somewhat shorter list of celebrities who would like to have sex with Gilbert An even shorter list of Gilbert's comely co-stars who have been forced to have sex with him on screen Side splitting tales of the worst gigs he's ever performed Incredibly awkward encounters with famous people from Gilbert's years as a celebrity of sorts including Harrison Ford Keifer Sutherland Hugh Hefner and one wildly offensive exchange with Marlee Matlin that left the actress speechless Signature takes on timeless jokes presented in a clip n save format so humorless readers can commit them to memory or tear them from the book's spine and carry them around in their wallets to amuse their friends The story behind Gilbert's infamous retelling of the classic Aristocrats routine that defined the most recent phase of his career And much more
