Ethics of Character

0.5 in
Indent

The first step in making ethical decisions remains as the most preferred way in enacting informed choices. The second entails taking a systematic approach. It is critical to analyze various components concerning what constitutes a moral action. According to Aristotle, six primary elements guide moral character in any social set up. Notably, they include moral imagination which argues that routine relationships and choices play a significant part in an ethical dimension. Moral ordering and identification rank as the second element in the identification of critical issues and determining priorities. Honest evaluation constitutes the third element entailing application of analytical skills in the assessment of options. Tolerating ethical disagreements and ambiguity is the fourth element which focuses on agreeing on courses of action. The fifth focuses on the

The Ground Beneath Her Feet Salman Rushdie, 2000-03-16 From the world renowned author of Midnight's Children and The Satanic Verses comes Salman Rushdie's brilliant novel The Ground Beneath Her Feet featuring an epic exuberant love story with a rock n roll soundtrack At the beginning of this stunning novel Vina Apsara a famous and much loved singer is caught up in a devastating earthquake and never seen again by human eyes This is her story and that of Ormus Cama the lover who finds loses seeks and again finds her over and over throughout his own extraordinary life in music Their epic romance is narrated by Ormus's childhood friend and Vina's sometime lover her back door man the photographer Rai whose astonishing voice filled with stories images myths anger wisdom humor and love is perhaps the book's true hero Telling the story of Ormus and Vina he finds that he is also revealing his own truths his human failings his immortal longings He is a man caught up in the loves and quarrels of the age's goddesses and gods but dares to have ambitions of his own And lives to tell the tale Around these three the uncertain world itself is beginning to tremble and break Cracks and tears have begun to appear in the fabric of the real There are glimpses of abysses below the surfaces of things The Ground Beneath Her Feet is Salman Rushdie's most gripping novel and his boldest imaginative act a vision of our shaken mutating times an engagement with the whole of what is and what might be an account of the intimate flawed encounter between the East and the West a brilliant remaking of the myth of Orpheus a novel of high and low comedy high and low passions high and low culture It is a tale of love death and rock n roll

The Subversive Copy Editor Carol Fisher Saller, 2009-08-01 Each year writers and editors submit over three thousand grammar and style questions to the Q another speaks to writers themselves Throughout the focus is on serving the reader even if it means breaking rules along the way Saller's own foibles and misadventures provide ample material I mess up all the time she confesses It's how I know things Writers Saller acknowledges are only half the challenge as copy editors can also make trouble for themselves Does any other book have an index entry that says terrorists See copy editors The book includes helpful sections on e mail etiquette work flow management prioritizing and organizing computer files One chapter even addresses the special concerns of freelance editors Saller's emphasis on negotiation and flexibility will surprise many copy editors who have absorbed along with the dos and don'ts of their stylebooks an attitude that their way is the right way In encouraging copy editors to banish their ignorance and disorganization insecurities and compulsions the Chicago Q A presents itself as a kind of alter ego to the comparatively staid Manual of Style In The Subversive Copy Editor Saller continues her mission with audacity and good humor
