Romiette and Julio Sharon M. Draper, 2010-12-07 Do you feel the soul of another calling to you Do you know in your heart that your destiny and his were meant to merge In the cosmos We can help you find him When Romiette Cappelle and her best friend Destiny decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine they're not sure what they're getting into But Destiny a self-proclaimed psychic assures Romi that for 44.99 plus shipping and handling it's the only way they're ever going to find out who their soul mates really are If nothing else maybe Romi will get some insight into that recurring dream she's been having about fire and water But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's destiny with that of Julio Montague a boy she's just met in the cosmos of an Internet chat room It turns out they go to the same high school not to mention having almost the same names as Shakespeare's famous lovers Sweet-scented dreams of Julio have almost overtaken Romi's nightmares when suddenly they return but this time in real life It seems the Devildogs a local gang violently oppose the relationship of Romiette and Julio Soon they find themselves haunted by the purple-clad shadows of the gang and the fire and water of Romiette's dream merge in ways more terrifying and ultimately more affirming than even Destiny could have foreseen
