Bridget Jones's Baby Helen Fielding,2016-10-11 Bridget Jones beloved Singleton and global phenomenon is back with a bump in Bridget Jones's Baby The Diaries 8 45 P M Realize there have been so many times in my life when have fantasized about going to a scan with Mark or Daniel just not both at the same time Before motherhood before marriage Bridget with biological clock ticking very very loudly finds herself unexpectedly pregnant at the eleventh hour a joyful pregnancy which is dominated however by a crucial but terribly awkward question who is the father Mark Darcy honourable decent notable human rights lawyer Or Daniel Cleaver charming witty notable fuckwit 9 45 PM It's like they're two halves of the perfect man who'll spend the rest of their lives each wanting to outdo the other one And now it's all enacting itself in my stomach In this gloriously funny touching story of baby deadline panic maternal bliss and social professional technological culinary and childbirth chaos Bridget Jones global phenomenon and the world's favorite Singleton is back with a bump

Where Passion Leads Lisa Kleypas,1987 Rosalie Belleau falls in love with Lord Randall Berkeley the wealthy London playboy who mistakenly kidnapped her *Seduced By Moonlight* Laurell K. Hamilton,2004-02-03 I am Meredith Gentry P I and Princess Merry heir to the throne of Fairie Now there are those among me who whisper I am more They fear me even as they protect me And who can blame them I've awakened the dazzling magic that's slumbered in them for thousands of years But the thing is I can't figure out why My aunt the Queen of Air and Darkness is no longer distracted by her usual sadistic hobbies Her obsession has turned unwaveringly to me The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected Even though I spend each night with the Queen's Ravens my immortal guards no child has come of our decadent pleasures But something else is happening My magic courses through me uncontrollably And as I lock my half mortal body with their full Sidhe blooded ones the power surges like never before It all

began with the chalice I dreamed of it and it appeared cool and hard beside me when I awoke My guards know the ancient relic well its disappearance ages ago stripped them of their vital powers But it is here with us now My touch resonates with its force and they re consumed with it their Sidhe essences lit up by it But even as they cherish me for this unexpected gift there are those who loathe me for it Me a mongrel only half fey and part mortal The Unseelie court has suffered for so long and there are some who would not have it weakened further by an impure queen My enemies grow in number every day But they do not know what I am capable of Nor for that matter do I In *Seduced by Moonlight* Laurell K Hamilton brings the dark erotic reign of the immortal fey to a startling new depth Full of sensuality and the consuming anticipation of latent powers unleashed this world of gods shapeshifters and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions

True Confessions Rachel Gibson,2010-02-20 Welcome to Gospel Idaho where everyone knows that there are two universal truths First God did His best work when He created the Sawtooth Wilderness Area Second every sin known to heaven and earth from the hole in the ozone to alien abductions is all California s fault This is the story of what happened when a Californian came to visit Hope Spencer knows wacky as a writer for *The Weekly News of the Universe* she s spotted Bigfoot Elvis and the face of Jesus on a tortilla Arriving in Gospel hoping for some peace and quiet and normal she quickly figures out that there s nothing normal going on in Gospel From the Barnes sisters with their color coordinated hair to the toilet tossing sportsmen to the murder victim whose body had been found in her house years before the Gospel truth really is stranger than fiction even tabloid fiction Hell she should have stayed in L A And then there s local sheriff Dylan Taber He s no made up character from one of her stories She could never create anything that good Dylan s all too real and soon Hope is forced to face the awful truth she s been too long without a man But once she gets wind of a Hollywood actress somehow mixed up in Dylan s life Hope realizes that if they are to have any chance together he has some true confessing to do

coming in to her own powers as the last of the Falconers **Black Obsidian** Victoria Quinn,2017 I was standing at the bar and waiting for a friend when it happened When my life changed forever She strutted inside with her head held high with grace not pretentiousness With legs that reached her neck and an hourglass frame perfect for gripping she got me hard instantly And those green eyes got the rest of my body hard too Mistaking me for the man who cheated on her friend she walked up to me those green eyes burning with fire and she slapped me so hard my skin bubbled The Making of Modern Colombia David Bushnell,1993-02-09 Colombia s status as the fourth largest nation in Latin America and third most populous as well as its largest exporter of such disparate commodities as emeralds books processed cocaine and cut flowers makes this the first history of Colombia written in English a much needed book It tells the remarkable story of a country that has consistently defied modern Latin American stereotypes a country where military dictators are virtually unknown where the political left is congenitally weak and where urbanization and industrialization have spawned no lasting populist movement There is more to Colombia than the drug trafficking and violence that have recently gripped the world s attention In the face of both cocaine wars and guerrilla conflict the country has maintained steady economic growth as well as a relatively open and democratic government based on a two party system It has also produced an impressive body of art and literature David Bushnell traces the process of state building in Colombia from the struggle for independence territorial consolidation and reform in the nineteenth century to economic development and social and political democratization in the twentieth He also sheds light on the modern history of Latin America as a whole Everwild Neal Shusterman,2010-02-18 Nick the chocolate ogre wants to help the children of Everlost to reach the light at the end of the tunnel and is slowly handing each child a coin which will release them from Everlost But Mary Hightower wants to trap the children forever and joins forces with Pugsy Capone a death boss who gains allies in a terrible way Meanwhile Allie has gone in search for her parents and joins up with a group of skinjackers But as her search takes her further away from Nick and the children of Everlost Allie uncovers a shocking secret it seems that skinjackers are not actually dead In this riveting sequel to the imaginative supernatural thriller Everlost there is new dark force to be reckoned with *The Vampire Voss* Colleen Gleason,2012-04-17 Regency London a dizzying whirl of balls and young ladies pursued by charming men But the Woodmore sisters are hunted by a more sinister breed Lucifer s own First in the vampire trilogy *The Regency Dracula* The Unbecoming of Mara Dyer Michelle Hodkin,2011-09-27 Mara Dyer doesn t know if she is crazy or haunted all she knows is that everyone around her is dying in this suspenseful and strong inventive tale Kirkus Reviews Mara Dyer doesn t think life can get any stranger than waking up in a hospital with no memory of how she got there It can She believes there must be more to the accident she can t remember that killed her friends and left her mysteriously unharmed There is She doesn t believe that after everything she s been through she can fall in love She s wrong After Mara survives the traumatizing accident at the old asylum it makes sense that she has issues She lost her best friend her boyfriend and her boyfriend s sister and as if that weren t enough to cope

with her family moves to a new state in order to give her a fresh start But that fresh start is quickly filled with hallucinations or are they premonitions and then corpses and the boundary between reality and nightmare is wavering At school there s Noah a devastatingly handsome charmer who seems determined to help Mara piece together what s real what s imagined and what s very very dangerous This fast paced psychological or is it paranormal thriller will leave you breathless for its sequel *The Evolution of Mara Dyer* **Pestilence** Laura Thalassa,2023-08-15 They came to earth Pestilence War Famine Death four horsemen riding their screaming steeds racing to the corners of the world Four horsemen with the power to destroy all of humanity They came to earth and they came to end us all When Pestilence the first of the horsemen comes for Sara Burn s town one thing is certain everyone she knows and loves is marked for death Unless of course the angelic looking horseman is stopped which is exactly what Sara has in mind when she shoots the unholy beast off his steed Too bad no one told her Pestilence can t be killed Alive and furious the horseman takes Sara prisoner determined to make her suffer for impeding his mission Despite her pleas nothing and no one gets in the way of his orders to destroy humankind Only the longer Pestilence spends beside Sara s bravery and compassion the more he seems to understand her and understand humanity And the longer Sara travels with Pestilence and his plague the more uncertain she grows about his true feelings toward her and hers toward him Sara might still be able to save the world but she ll have to sacrifice her heart in the process
