**Beyond Blonde** Christine Margaret Young, 2009 To fulfill the MFA thesis requirements I have the opportunity to play Audrey in Ken Ludwig's *Leading Ladies* as part of the 2008 UCF SummerStage season *Leading Ladies* is a two act farce dealing with the shenanigans of two men Jack and Leo who impersonate Florence Snider's long lost nieces in order to gain her fortune Audrey knows Florence and unwittingly provides Jack and Leo with the information they need to succeed in their scam During the course of the play Audrey and Jack fall in love and by the end of the evening they are engaged Ken Ludwig describes Audrey She's about 20 extremely well built and extremely sweet and good natured She's a knockout 20 Although this description focuses mainly on Audrey's appearance her personality is also important While Audrey possesses a certain kind of intelligence she definitely has a unique view of the world that could be construed as naive innocent or silly Because of this lack of sophistication and the emphasis on her physical appearance the phrase dumb blonde could be attributed to her as the blonde hair color carries specific connotations in contemporary culture American society possesses strong if not basic stereotypes for each color the dumb blonde the intelligent or serious brunette and the spitfire redhead In contemporary entertainment culture blonde women have achieved unique status beyond the stereotypes accorded to their brunette and redheaded counterparts Revered and reviled simultaneously these women cannot be ignored or dismissed The convention of the dumb blonde is at the heart of this issue When scrutinized it is possible to discern at least four distinctions of this stereotype the perceived truly dumb or innocent blonde Johanna in *Sweeney Todd* the bombshell blonde Lorelei Lee in *Gentlemen Prefer Blondes* Mae West in *Dumb Blonde* the dumb but actually intelligent blonde Elle Woods in *Legally Blonde* Galinda in *Wicked* and the comedic blonde Adelaide in *Guys and Dolls* These characters presumably share more than their hair color and sex By researching these blonde stereotypes commonalities will be discovered and assessed for their applicability in character research As this thesis explores the creation of Audrey in Ken Ludwig's *Leading Ladies* a methodology for creating this type of character will be created Through research and analysis of the various blonde

stereotypes an in depth character and script analysis and a journal of the creation process it is my intention to reveal how a non superficial portrayal of this character is possible and can be duplicated Audrey s blonde traits will also be explored as they relate to the character s function within the play emphasizing the ways her specified blondeness serves the play s needs Analysis of the blonde stereotypes script and character analyses and the rehearsal journal will not only create a system for creating this type of character but also will illuminate why this character type is important to comedic theatrical literature

A Taste of Power Elaine Brown,2015-05-20 Profound funny wild and moving heartbreaking accounts of a lonely black childhood Brown sees racial oppression in national and global context every political word she writes pounds home a lesson about commerce money racism communism you name it A glowing achievement Los Angeles Times Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words I have all the guns and all the money I can withstand challenge from without and from within Am I right Comrade It was August 1974 From a small Oakland based cell the Panthers had grown to become a revolutionary national organization mobilizing black communities and white supporters across the country but relentlessly targeted by the police and the FBI and increasingly riven by violence and strife within How Brown came to a position of power over this paramilitary male dominated organization and what she did with that power is a riveting unsparing account of self discovery Brown s story begins with growing up in an impoverished neighborhood in Philadelphia and attending a predominantly white school where she first sensed what it meant to be black female and poor in America She describes her political awakening during the bohemian years of her adolescence and her time as a foot soldier for the Panthers who seemed to hold the promise of redemption And she tells of her ascent into the upper echelons of Panther leadership her tumultuous relationship with the charismatic Huey Newton who would become her lover and her nemesis her experience with the male power rituals that would sow the seeds of the party s demise and the scars that she both suffered and inflicted in that era s paradigm shifting clashes of sex and power Stunning lyrical and acute this is the indelible testimony of a black woman s battle to define herself

**The Lifespan of a Fact** John D'Agata,Jim Fingal,2019-08-22 NOW A BROADWAY PLAY STARRING DANIEL RADCLIFFE Provocative maddening and compulsively readable Maggie Nelson In 2003 American essayist John D Agata wrote a piece for Harper s about Las Vegas s alarmingly high suicide rate after a sixteen year old boy had thrown himself from the top of the Stratosphere Tower The article he delivered What Happens There was rejected by the magazine for inaccuracies But it was soon picked up by another who assigned it a fact checker their fresh faced intern and recent Harvard graduate Jim Fingal What resulted from that assignment and beyond the essay s eventual publication in the magazine was seven years of

arguments negotiations and revisions as D Agata and Fingal struggled to navigate the boundaries of literary nonfiction This book includes an early draft of D Agata s essay along with D Agata and Fingal s extensive discussion around the text The Lifespan of a Fact is a brilliant and eye opening meditation on the relationship between truth and accuracy and a penetrating conversation about whether it is appropriate for a writer to substitute one for the other A fascinating and dramatic power struggle over the intriguing question of what nonfiction should or can be Lydia Davis
