A timely look at children's rights, the young activists who fought for them, and how readers can do the same by Amnesty International, Angelina Jolie, and Geraldine Van Bueren The witching hour has arrived in bestselling author H. P. Mallory's captivating and sexy new novel, starring the most dazzling denizen of the undead, Jolie Wilkins. Funny and feisty witch Jolie Wilkins is back--or rather, she's back to her humble beginnings. Propelled into the past to her old Los Angeles fortune-telling shop, Jolie has no idea she possesses extraordinary powers, and she definitely doesn't remember becoming Queen of the Underworld. But at least she has two incredibly sexy men vying for her affection: Rand Balfour, who looks very familiar, though Jolie can't place his gorgeous face, and Sinjin Sinclair, who is tall, dark, and perfect . . . except for the fangs. Yet despite her steamy love life, Jolie can't shake the sense that something is not quite right--like she's stuck in a déjà vu gone terribly awry. As both men race against time--and each other--to win Jolie's heart, the fate of the Underworld hangs in the balance. And Jolie's decision can either restore order or create an absolute, drop-dead disaster. From the red-carpet at their blockbuster movie premieres, to the dense forests surrounding their French

chateau, to a grim ward in a psychiatric hospital, #1 New York Times bestselling author Ian Halperin uncovers the facts behind the headlines. Halperin peels back the carefully crafted hype to reveal the complex truth about Brad Pitt and Angelina Jolie, Hollywood's supercouple, known to the world as Brangelina. "Life isn't bad for psychic Jolie Wilkins. True, she doesn't have a love life to speak of, but she has a cute house in the suburbs of Los Angeles, a cat and a quirky best friend. Enter Rand Balfour, a sinfully attractive warlock who insists she's a witch and who just might turn her life upside down. Rand hires her to help him solve a mystery regarding the death of his client who also happens to be a ghost. Jolie not only uncovers the cause of the ghost's demise but, in the process, she brings him back to life... Word of Jolie's incredible ability to bring back the dead spreads like wildfire, putting her at the top of the Underworld's most wanted list. Consequently, she finds herself at the center of a custody battle between a villainous witch, a dangerous but oh-so-sexy vampire, and her warlock boss, Rand." -- Back cover.

What's Your Price? It's a question I've asked any number of times as both CEO of a weapons manufacturer and working undercover for the CIA. Every person has a price. My daughter was abducted. I would have given every dollar in my name to get her back. For my daughter, I'll do anything. No price is too high. Now she's back, safe at home. When I hire a therapist to help her recovery, I find myself drawn to the doctor. But Ava Amara is one indulgence I can't allow myself. Or can I? What would you do for one hundred million dollars? Jack Sullivan is a man of few words. His cold emotionless countenance shields any glimpse of the human being within. If he didn't hire me to help his daughter, I'd suspect the man sold his soul for success. He's a billionaire with an ego to match. He flat out told me everyone has a price. What is mine? It's a question I've answered more than once over tumultuous years filled with bad choices. But when I agree to his unorthodox plan to move into his home, he ups the ante. What will I do for one hundred million dollars? He asks at a time of financial weakness, which is to say, my standard business-as-usual situation. My answer? Whatever you wish, Sir. He wants me for a four-week arrangement. I hope I'm strong enough to survive.

Sure of One is a billionaire, forbidden romantic suspense featuring an illicit contract between a former military billionaire alpha silver fox and his daughter's therapist. Sure of One is the second standalone romance in the Arrow Tactical Series. The Underworld in civil war. The cause? A witch who can reanimate the dead. A sexy as sin vampire determined to claim her. An infuriatingly handsome warlock torn between duty and love. Who says blonds have more fun? After defending herself against fairy magic, Jolie Wilkins wakes to find her world turned upside down—the creatures of the Underworld on the precipice of war. The Underworld is polarized in a battle of witch against witch, creature against creature, led by the villainous Bella, who would be Queen. While Jolie has one goal in mind, to stake the vampire, Ryder, who nearly killed her, she also must choose between the affections of her warlock

employer, Rand, and the mysteriously sexy vampire, Sinjin. And as if that weren't enough to ruin a girl's day, everything Jolie knows will be turned inside out when she's thrust into the shock of a lifetime. There are new children at Jolie's school, which would normally be great, but Jolie is having a hard time making friends with them. Jolie is always so friendly and outgoing and loves to play with everyone, but these children make Jolie nervous, and she doesn't know what to say or how to act around them. The children have different abilities, and that is new to Jolie. One is in a wheelchair, one on crutches, one just sings, and the other doesn't talk to anyone. How can she make friends with children who are so unlike her other friends? She's afraid of hurting their feelings or saying the wrong thing, so she just keeps to herself, which has caused her to become sad. Nana notices the change in Jolie's behavior and decides it's time to take Jolie on an adventure that ends up helping her deal with the situation at school. Join Jolie, Nana, and the gang as they head on a magical journey, and see how Hamilton plays a big part in showing Jolie that no matter what abilities someone has, everyone just wants to be treated the same. From H. P. Mallory—the exciting author of *Fire Burn and Cauldron* *Bubble*—comes her new paranormal romance featuring the sassy, self-deprecating witch Jolie Wilkins. Jolie thinks she's seen it all, but life continues to spring surprises. The latest shocker? She's just been crowned Queen of the Underworld. Jolie may possess a rare gift for reanimating the dead, but she doesn't know the first thing about governing disparate factions of supernatural creatures. She can barely maintain order in her own chaotic personal life, which is heading into a romantic tailspin. First there's sexy warlock Rand, the love of her life, from whom Jolie is hiding a devastating secret. Then there's Sinjin, a darkly seductive vampire and Jolie's sworn protector—though others suspect he harbors ulterior motives. As the two polar opposite yet magnetic men vie for Jolie's affection, she must keep her wits about her to balance affairs of state and affairs of her heart. Overwhelmed, under pressure, and longing for love, Jolie decides it's time to take charge—and show everyone that this queen won't take jack.

The Untold Story of Britain's First Female Special Agent of World War II In June 1952, a woman was murdered by an obsessed colleague in a hotel in the South Kensington district of London. Her name was Christine Granville. That she died young was perhaps unsurprising; that she had survived the Second World War was remarkable. The daughter of a feckless Polish aristocrat and his wealthy Jewish wife, Granville would become one of Britain's most daring and highly decorated special agents. Having fled to Britain on the outbreak of war, she was recruited by the intelligence services and took on mission after mission. She skied over the hazardous High Tatras into occupied Poland, served in Egypt and North Africa, and was later parachuted behind enemy lines into France, where an agent's life expectancy was only six weeks. Her courage, quick wit, and determination won her release from arrest more than once, and saved the lives of several fellow officers—including one of her

many lovers—just hours before their execution by the Gestapo. More importantly, the intelligence she gathered in her espionage was a significant contribution to the Allied war effort, and she was awarded the George Medal, the OBE, and the Croix de Guerre. Granville exercised a mesmeric power on those who knew her. In *The Spy Who Loved*, acclaimed biographer Clare Mulley tells the extraordinary history of this charismatic, difficult, fearless, and altogether extraordinary woman. A witch's work is never done, and in bestselling author H. P. Mallory's mesmerizing new novel, Jolie Wilkins finds that the real magic is only just beginning. For smart and sexy witch Jolie Wilkins, being Queen of the Underworld is a royal pain. Back from a round of time travel, Jolie must now protect her realm from the sinister Lurkers—a powerful breed of half-humans bent on conquering the undead. And if there's one thing she knows, it's that the supernatural never goes down without a fight. At least Jolie has her soul mate (and finally official boyfriend), warlock Rand Balfour, by her side. Honorable, brave, and unbelievably handsome, Rand is everything Jolie wants in a man. So why can't she forget the dangerously alluring vampire, Sinjin Sinclair? With her private life heating up and a battle boiling over, Jolie sets out to prove that in matters of love and war, the fairer sex has its own set of charms. When a beautiful teenage girl is killed, New Iberia police detective Dave Robicheaux senses that the most likely suspect, Tee Bobby Hulin, is not the actual

killer. Though a drug addict and general neer-do-well, Hulin just doesn't fit the profile for this kind of crime. He's a Cajun blues singer (one of his songs is titled "Jolie Blon's Bounce"), and he's been raised by his grandmother Ladice Hulin, a proud and strong-willed black woman. But when there's another, similar murder—this victim a drugged-out prostitute who happens to be the daughter of one of the local mafia bigwigs—the cries for an arrest become too loud to ignore. The mafia figure, however, prefers to take matters in his own hand and sets out to find—and punish—the killer himself. Once again, Tee Bobby Hulin seems the most likely suspect. Added to the mix of characters on the good guy side of the balance sheet is Clete Purcel, a long-time buddy of Robicheaux's and a confirmed boozier and womanizer. Coming to New Iberia for a visit, Clete is quickly drawn into the struggle between the various forces of evil in the town: Jimmy Dean Styles, a black man intent on maintaining his empire of corruption; Joe Zeroski, a trailer-park mafioso with palatial aspirations—and of course Legion Guidrey, the devil incarnate.
