Streams of Living Water Dec 14 2021 The author of the bestselling celebration of discipline explores the great traditions of Christian spirituality and their role in spiritual renewal today. In this landmark work, Foster examines the "streams of living water" -- the six dimensions of faith and practice that define Christian tradition. He lifts up the enduring character of each tradition and shows how a variety of practices, from individual study and retreat to disciplines of service and community, are all essential elements of growth and maturity. Foster examines the unique contributions of each of these traditions and offers as examples the inspiring stories of faithful people whose lives defined each of these "streams."

**Sidewalks in the Kingdom (The Christian Practice of Everyday Life) Jul 01 2023**

Christians often talk about claiming our cities for Christ and the need to address urban concerns. But according to Eric Jacobsen, this discussion has remained far too abstract. *Sidewalks in the Kingdom* challenges Christians to gain an informed vision for the physical layout and structure of the city. Jacobsen emphasizes the need to preserve the nourishing characteristics of traditional city life, including shared public spaces, thriving neighborhoods, and a well-supported local economy. He explains how urban settings create unexpected and natural opportunities to initiate friendship and share faith in Christ. Helpful features include a glossary, a bibliography, and a description of New Urbanism. Pastors, city-dwellers, and those interested in urban ministry and development will be encouraged by *Sidewalks in the Kingdom*.

The Care of Souls Jul 09 2021 Drawing on a lifetime of pastoral experience, *The Care of Souls*

is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice—born out of his five decades as a pastor—that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

*Found in Him* May 31 2023 Everyone, Christians included, knows what it's like to feel isolated and alone. We've all wondered if anyone really understands us or truly cares about our lives. The good news is that we aren't alone, and the gospel tells us why: Jesus, the Son of God, came to earth to be forever united with his people—to be one of us. In fact, he has so united himself with us that the Bible says we are literally "in" him. Far from being alone and lost, the Incarnation changes everything for the Christian.

Writing with everyday readers in mind, Elyse Fitzpatrick fleshes out the practical implications of our union with Christ and gives us confidence that we are not alone in this approachable and applicable devotional book.

*Brimstone* Feb 25 2023 How was Jesus the most holy person while at the same time the least judgmental? And why don't His followers live like He lived? Let's be honest, Christians are losing the culture war. The western Church is in stark decline and our kids no longer find the message of judgement tenable in the real world. Jesus came to influence and draw—not condemn and repel. In *Brimstone*, Hugh Halter helps us navigate the overuse of poor judgment and the underuse of right judgment. This book will help you navigate the great law of love given by Jesus. Inside you'll find a disruptive invitation to be holy as Jesus was holy and engage the sinful world with a smile instead of pointing a finger in their face.

*Announcing the Kingdom* Nov 24 2022  
Announcing the Kingdom provides a comprehensive survey of the biblical foundation of mission. It investigates the development of the kingdom of God theme in the Old Testament, describing what the concept tells us about God's

mission in creation, the flood, and the covenant with Abraham. It then describes God's mission through the nation of Israel during the exodus, at Mt. Sinai, and through the kings of Israel. The book then examines God's mission as Israel is sent into exile and the stage is set for the Messiah's coming. Finally, the book considers the fulfillment of the kingdom of God through Jesus Christ and the church. It examines Jesus' parables and ministry, his proclamation of God's kingdom among the nations, and the work of the Holy Spirit through the church. *Announcing the Kingdom* is the product of Arthur Glasser's more than thirty years of teaching and has been used by thousands of students at Fuller Theological Seminary. Now revised by Glasser's colleagues, this study provides mission workers and students with a new understanding of their calling and its biblical foundation.

Sacrilege (Shapevine) Oct 04 2023 It is safe to say most Christians do not live like Jesus did, have the same influence on people he had, or draw even the slightest curiosity from the on-looking world. Jesus's ability to woo people to him and win their hearts was directly related to how he challenged their assumptions about religion. He not only gave them a unique,

personal way to follow him but also showed them how to participate with him in his mission. *Sacrilege* helps readers rethink what it really means to become like Jesus. It exposes the patterns of thinking that have held the church hostage for years and inspires readers to rethink the way they understand Scripture, family, spiritual formation, conversion, church, sin, and more.

**The Kingdom** Mar 17 2022 "A ... fictional account of the early Christians, whose unlikely beliefs conquered the world ... With an idiosyncratic and at times iconoclastic take on the charms and foibles of the Church fathers, Carraere ferries readers through his 'doors' into

the biblical narrative. Once inside, he follows the ragtag group of early Christians through the tumultuous days of the faith's founding.

Shouldering biblical scholarship like a camcorder, Carraere re-creates the climate of the New Testament with the acumen of a ... storyteller, intertwining his own account of reckoning with the central tenets of the faith with the lives of the first Christians"--

The Making of Incarnation May 07 2021 The most ambition and exciting novel yet from the Booker shortlisted author of *C* and *Satin Island*. Bodies in motion. Birds, bees and bobsleighs. What is the force that moves the sun and other stars? Where's our fucking airplane? What's inside Box 808, and why does everybody want it? Deep within the archives of time-and-motion pioneer Lillian Gilbreth lies a secret. Gilbreth helped birth the era of mass observation and big data but did she also discover a 'perfect' movement that would 'change everything'? An international hunt begins for the one box missing from her records, and we follow contemporary motion-capture consultant Mark Phocan across geo-political fault lines and experimental zones in his search for it. And all the while, work is underway on the blockbuster film *Incarnation*, an

*Incarnation* Mar 29 2023 Since the ages before time was measured, the angelic races have existed. Unseen by our eyes, they move through creation, shaping our world, sustaining our existence, and battling demonic hordes. But the war is changing; the battle lines are expanding into new frontiers and the next epoch is emerging. Seven hundred years after the first humans were exiled from their home, their descendants have pushed eastward into a prehistoric wilderness. In a land shrouded by mist and superstition, primitive tribes struggle to establish new civilizations, unaware that their world is about to change forever. Weary from unceasing conflict, Sariel—legendary warrior of the Myndarym—crosses into the Temporal Realm in search of the only one who can bring him peace. But he is not the first; others have already begun their inhabitation. As the dominance of their kingdom spreads, threatening to engulf all of humanity, Sariel finds himself standing

between his own kind and the one he loves and must embrace the life he abandoned in order to secure her freedom. In this riveting prequel to the bestselling Awakened series, Jason Tesar sets in motion a sweeping fantasy epic birthed at the very foundations of humanity when our prehistoric world collided with supernatural forces, spawning an age of mythological creatures and heroes.

**Kingdom Conspiracy** Sep 22 2022 An Award-Winning Challenge to Popular Ideas of the Kingdom According to Scot McKnight, "kingdom" is the biblical term most misused by Christians today. It has taken on meanings that are

completely at odds with what the Bible says and has become a buzzword for both social justice and redemption. In *Kingdom Conspiracy*, McKnight offers a sizzling biblical corrective and a fiercely radical vision for the role of the local church in the kingdom of God. Now in paper. **Ministering Cross-Culturally** Aug 10 2021

*Ministering Cross-Culturally* examines the significance of the incarnation for effective cross-cultural ministry. The authors demonstrate that Jesus needed to learn and understand the culture in which he lived before he could undertake his public ministry. *Paul's Theology in Context* Dec 06 2023 This accessible text by James P. Ware provides both a

concise guide to Paul's theology and a general introduction to the key issues and debates in the contemporary study of Paul. Examining Paul's message in the context of the ancient world, Ware identifies what would have struck Paul's original audience as startling or unique. By comparing Paul's teaching to the other religions and philosophies of that day, Ware presents a fresh perspective on Paul's theology, revealing four pillars of his thought: creation, incarnation, covenant, and kingdom. After examining each of these dimensions of Paul's gospel, Ware explores the historical role of Paul within Christian origins and the astounding evidence embedded in his letters regarding the beginnings of Christianity and the eyewitness origins of the gospels. Clergy, students, and laypeople will find that this guide to the big picture of Paul's theology will illumine and enliven the study, preaching, and teaching of all the Pauline letters.

**Mission Between the Times** Mar 05 2021 This revised version includes a new essay on the contemporary history of integral mission, a history that began with the Latin American Theological Fellowship, progressed within the Lausanne Movement, is bearing fruit globally through the Micah Network, and challenges

evangelicals to address the major issues of our day. By almost any measure, a bold and confident use of the Bible is a hallmark of Christianity. Underlying such use are a number of assumptions about the origin, nature and form of the biblical literature, concerning its authority, diversity and message. However, a lack of confidence in the clarity or perspicuity of Scripture is apparent in Western Christianity. Despite recent, sophisticated analyses, the doctrine is ignored or derided by many. While there is a contemporary feel to these responses, the debate itself is not new. In this excellent study, Mark Thompson surveys past and present objections to the clarity of Scripture; expounds the living God as the Guarantor of his accessible, written Word; engages with the hermeneutical challenges; and restates the doctrine for today.

The Kingdom of God Has No Borders Apr 05

2021 Award of Merit, 2019 Christianity Today

Book Awards (History/Biography) More than

forty years ago, conservative Christianity

emerged as a major force in American political

life. Since then the movement has been analyzed

and over-analyzed, declared triumphant and, more than once, given up for dead. But because outside observers have maintained a near-relentless focus on domestic politics, the most transformative development over the last several decades--the explosive growth of Christianity in the global south--has gone unrecognized by the wider public, even as it has transformed evangelical life, both in the US and abroad. *The Kingdom of God Has No Borders* offers a daring new perspective on conservative Christianity by shifting the lens to focus on the world outside US borders. Melani McAlister offers a sweeping narrative of the last fifty years of evangelical history, weaving a fascinating tale that upends much of what we know--or think we know--about American evangelicals. She takes us to the Congo in the 1960s, where Christians were enmeshed in a complicated interplay of missionary zeal, Cold War politics, racial hierarchy, and anti-colonial struggle. She shows us how evangelical efforts to convert non-Christians have placed them in direct conflict with Islam at flash points across the globe. And she examines how Christian leaders have fought to stem the tide of HIV/AIDS in Africa while at the same time supporting harsh repression of

LGBTQ communities. Through these and other stories, McAlister focuses on the many ways in which looking at evangelicals abroad complicates conventional ideas about evangelicalism. We can't truly understand how conservative Christians see themselves and their place in the world unless we look beyond our shores.

Kingdom Triangle Dec 26 2022 Western society is in crisis, the result of our culture's embrace of naturalism and postmodernism. At the same time, the biblical worldview has been pushed to the margins. Christians have been strongly influenced by these trends, with the result that the personal lives of Christians often reflect the surrounding culture more than the way of Christ, and the church's transforming influence on society has waned. In Kingdom Triangle, J.P. Moreland issues a call to recapture the drama and power of kingdom living. He examines and provides a penetrating critique of these worldviews and shows how they have ushered in the current societal crisis. He then lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world. Drawing insights from the early church, he outlines three essential ingredients of this revolution: ? Recovery of the Christian mind ?

Renovation of Christian spirituality ? Restoration of the power of the Holy Spirit He believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision.

**Destroyer of Worlds** Jun 19 2022 It is the beginning of the end ... The end of the axe-age, the sword-age, leading to the passing of gods and men from the universe. Jack Churchill, Champion of Existence, must lead the Brothers and Sisters of Dragons in a last, desperate assault on the Fortress of the Enemy, to confront the ultimate incarnation of destruction: the Burning Man. It is humanity's only chance to avert the coming extinction. At his back is an army of gods culled from the world's great mythologies - Greek, Norse, Chinese, Aztec, and more. But will even that be enough? Driven to the brink by betrayal, sacrifice and death, his allies fear Jack may instead bring about the very devastation he is trying to prevent ...

In *The Lifegiving Table*, Sally shares her own family stories, favorite recipes, and practical ideas to help you get closer to the people you love . . . and grow in faith together.

**Flesh** Feb 08 2024 Christ's Body, Human Flesh  
If we're honest, no one really cares about theology unless it reveals a gut-level view of God's presence. According to pastor and ministry leader Hugh Halter, only the incarnational power of Jesus satisfies what we truly crave, and once we taste it, we're never the same. God understands how hard it is to be human, and the incarnation—God with us—enables us to be fully alive. With refreshing, raw candor, *Flesh* reveals the faith we all long to experience—one based on the power of Christ in the daily grind of work, home, school, and life. For anyone burned out, disenchanted, or seeking a fresh honest-to-God

encounter, Flesh will invigorate your faith.

**Imagining the Kingdom** Aug 22 2022 2013  
Word Guild Award (Academic) How does worship

work? How exactly does liturgical formation shape us? What are the dynamics of such transformation? In the second of James K. A. Smith's three-volume theology of culture, the author expands and deepens the analysis of cultural liturgies and Christian worship he developed in his well-received *Desiring the Kingdom*. He helps us understand and appreciate the bodily basis of habit formation and how liturgical formation--both "secular" and Christian--affects our fundamental orientation to the world. Worship "works" by leveraging our bodies to transform our imagination, and it does this through stories we understand on a register that is closer to body than mind. This has critical implications for how we think about Christian formation. Professors and students will welcome this work as will pastors, worship leaders, and Christian educators. The book includes analyses of popular films, novels, and other cultural phenomena, such as *The King's Speech*, *Rise of the Planet of the Apes*, David Foster Wallace's *Infinite Jest*, and Facebook.

*The Church as Movement* Feb 01 2021 IVP  
Readers' Choice Award Missio Alliance Essential  
Reading List Public gatherings are vital for  
movement, but too often in our approach to

planting churches, we haven't paid enough attention to the difficult grassroots work of movement: discipleship, community formation, and mission. This book will help you start missional-incarnational communities in a way that reflects the viral movement of the early New Testament church. JR Woodward (author of *Creating a Missional Culture*) and Dan White Jr. (author of *Subterranean*) have trained church planters all over North America to create movemental churches that are rooted in the neighborhood, based on eight necessary competencies: Movement Intelligence Polycentric Leadership Being Disciples Making Disciples Missional Theology Ecclesial Architecture Community Formation Incarnational Practices

The book features an interactive format with tools, exercises, and reflection questions and activities. It's ideal for church planting teams or discipleship groups to use together. It's not enough to understand why the church needs more missional and incarnational congregations. *The Church as Movement* will also show you how to make disciples that make disciples. This is the engine that drives the church as movement, so that everyday Christians can be present in the world

to join God's mission in the way of Jesus.
