Getting the Love You Want Harville Hendrix,2001 I know of no better guide for couples who genuinely desire a maturing relationship M Scott Peck author of *The Road Less Traveled* A remarkable bookthe most incisive and persuasive I have ever read on the knotty problems of marriage relationships Ann Roberts former president Rockefeller Family Fund White Women's Rights Louise Michele Newman,1999-02-04 This study reinterprets a crucial period 1870s 1920s in the history of women s rights focusing attention on a core contradiction at the heart of early feminist theory At a time when white elites were concerned with imperialist projects and civilizing missions progressive white women developed an explicit racial ideology to promote their cause defending patriarchy for primitives while calling for its elimination among the civilized By exploring how progressive white women at the turn of the century laid the intellectual groundwork for the feminist social movements that followed Louise Michele Newman speaks directly to contemporary debates about the effect of race on current feminist scholarship *White Women s Rights* is an important book It is a fascinating and informative account of the numerous and complex ties which bound feminist thought to the practices and ideas which shaped and gave meaning to America as a racialized society A compelling read it moves very gracefully between the general history of the feminist movement and the particular histories of individual women Hazel Carby Yale University *The Best Year of Your Marriage* Jim Daly,Jean Daly,2014 This beautiful 52 week devotional provides Christian couples with an easy way to read Scripture pray and engage in spiritual discussions and activities to strengthen their relationship and marriage Perfect for younger couples in building a strong spiritual foundation early on it s a great resource for couples of any age or stage who want to grow closer as they follow God together Presented in a relaxed and easy to use way and edited by Focus on the Family president Jim Daly and his wife Jean each devotional offers foundational practical and wise material from members of the Focus counselling staff The content is divided into 13 sections with topics including getting to know each other better
