Firefly Lane Kristin Hannah, 2008-02-05 From the New York Times bestselling author Kristin Hannah comes a powerful novel of love loss and the magic of friendship now a 1 Netflix series In the turbulent summer of 1974 Kate Mularkey has accepted her place at the bottom of the eighth grade social food chain Then to her amazement the coolest girl in the world moves in across the street and wants to be her friend Tully Hart seems to have it all beauty brains ambition On the surface they are as opposite as two people can be Kate doomed to be forever uncool with a loving family who mortifies her at every turn Tully steeped in glamour and mystery but with a secret that is destroying her They make a pact to be best friends forever by summer's end they've become Tully and Kate inseparable So begins Kristin Hannah's magnificent new novel Spanning more than three decades and playing out across the ever changing face of the Pacific Northwest *Firefly Lane* is the poignant powerful story of two women and the friendship that becomes the bulkhead of their lives From the beginning Tully is desperate to prove her worth to the world Abandoned by her mother at an early age she longs to be loved unconditionally In the glittering big hair era of the eighties she looks to men to fill the void in her soul But in the buttoned down nineties it is television news that captivates her She will follow her own blind ambition to New York and around the globe finding fame and success and loneliness Kate knows early on that her life will be nothing special Throughout college she pretends to be

driven by a need for success but all she really wants is to fall in love and have children and live an ordinary life In her own quiet way Kate is as driven as Tully What she doesn't know is how being a wife and mother will change her how she'll lose sight of who she once was and what she once wanted And how much she'll envy her famous best friend For thirty years Tully and Kate buoy each other through life weathering the storms of friendship jealousy anger hurt resentment They think they've survived it all until a single act of betrayal tears them apart and puts their courage and friendship to the ultimate test Firefly Lane is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac More than a coming of age novel it's the story of a generation of women who were both blessed and cursed by choices It's about promises and secrets and betrayals And ultimately about the one person who really truly knows you and knows what has the power to hurt you and heal you Firefly Lane is a story you'll never forget one you'll want to pass on to your best friend

Outside the Lettered City Manishita Dass,2015-11-02 Outside the Lettered City traces how middle class Indians responded to the rise of the cinema as a popular form of mass entertainment in early 20th century India focusing on their preoccupation with the mass public made visible by the cinema and with the cinema's role as a public sphere and a mass medium of modernity It draws on archival research to uncover aspirations and anxieties about the new medium which opened up tantalizing possibilities for nationalist mobilization on the one hand and troubling challenges to the cultural authority of Indian elites on the other Using case studies drawn from the film cultures of Bombay and Kolkata it demonstrates how discourses about the cinematic public dovetailed into discourses about a national public giving rise to considerable excitement about cinema's potential to democratize the public sphere beyond the limits of print literate culture as well as to deepening anxieties about cultural degeneration The case studies also reveal that early twentieth century discourses about the cinema contain traces of a formative tension in Indian public culture between visions of a deliberative public and spectres of the unruly masses

Takedown: A Small-Town Cop's Battle Against the Hells Angels and the Nation's Biggest Drug Gang Jeff Buck,Jon Land,Lindsay Preston,2016-03-08 Jeff Buck thought he'd seen it all Twenty years working undercover in the netherworld of drugs had left him burned out and grateful to assume the quiet job of police chief in the small town of Reminderville Ohio That is until a simple domestic assault case turns out to have links to the murder of a drug runner in upstate New York and a syndicate smuggling billions of dollars in drugs across the U S Canada border As Buck reluctantly plunges back into his old world of death and deceit he uncovers a complex chain linking the Hells Angels to the Russian Mafia in a plot to use Native American tribal land to smuggle their deadly wares into the United States From grow houses set ablaze in Quebec to the insular St Regis Mohawk Indian Reservation from board rooms and biker wars to the frozen rivers that serve as private turnpikes for the drug gangs Buck opposes a serpentine criminal enterprise that has every reason to want to end his crusade in violence and bloodshed Ultimately his efforts lead to an unprecedented slew of indictments on

both sides of the border and prison terms for even the kingpins toppling an empire once deemed invincible Takedown spans the period of December 2007 to June 2009 Journal of Proceedings and Addresses of the ...
