Plaza Suite Jun 10 2021 A portrait of three couples successively occupying a suite at the Plaza. A suburban couple take the suite while their house is being painted and it turns out to be the one in which they honeymooned 23 (or was it 24?) years before and was yesterday the anniversary, or is it today? This tale of marriage in tatters is followed by the exploits of a Hollywood producer who, after three marriages, is looking for fresh fields. He calls a childhood sweetheart, now a suburban housewife, for a little sexual diversion. Over the years she has idolized him from afar and is now more than the match he bargained for. The last couple is a mother and father fighting about the best way to get their daughter out of the bathroom and down to the ballroom where guests await her or as Mother yells, "I want you to come out of that bathroom and get married!"--Publisher's description.

Biloxi Blues Apr 20 2022 The second in Pulitzer Prize-winning playwright Neil Simon's trilogy which began with *Brighton Beach Memoirs* and concluded with *Broadway Bound*. When we last met Eugene Jerome, he was coping with adolescence in 1930's Brooklyn. Rewrites Jan 18 2022 A winning combination of touching personal memories and reflections, anecdotes about the writing life, and hilarious stories about some of the biggest names in the entertainment business, "Rewrites" is "one wonderful read" (Larry King, USA Today). His plays and movies have kept us laughing for four decades, but even more than the humor, it is the humanity of Neil Simon's vision that has made him America's most-loved playwright. Now, the author of such hilarious and heartwarming plays as *Barefoot in the Park*, *The Odd Couple*, *Plaza Suite*, and *The Goodbye Girl* gives readers his memoir—a funny, touching biography filled with the details of his writing life and rich with the experiences that underlie his work.

Rewrites Apr 13 2024 Neil Simon's plays are to some extent a reflection of his life, sometimes autobiographical, other times based on the experiences of those close to him. What the reader of this warm, nostalgic memoir discovers, however, is that the plays, although grounded in Neil Simon's own experience, provide only a glimpse into the mind and soul of this very private man. In *Rewrites*, he tells of the painful discord he endured at home as a child, of his struggles to develop his talent as a writer, and of his insecurities when dealing with what proved to be his first great success -- falling in love. Supporting players in the anecdote-filled memoir include Sid Caesar, Jerry Lewis, Walter Matthau, Robert Redford, Gwen Verdon, Bob Fosse, Maureen Stapleton, George C. Scott, Peter Sellers, and Mike Nichols. But always at center stage is his first love, his wife Joan, whose death in the early seventies devastated him, and whose love and inspiration illuminate this remarkable and revealing self-portrait. *Rewrites* is rich in laughter and emotion, and filled with the memories of a sometimes sweet, sometimes bittersweet life.

First Man May 10 2021 On July 20, 1969, the world stood still to watch American astronaut Neil A. Armstrong become the first person ever to step on the surface of another heavenly body. Upon his return to Earth, Armstrong was celebrated for his monumental achievement. He was also--as NASA historian Hansen reveals in this authorized biography--misunderstood. Armstrong's accomplishments as an engineer, a test pilot, and an astronaut have long been a matter of record, but Hansen's access to private documents and unpublished sources and his interviews with more than 125 subjects (including more than fifty hours with Armstrong himself) yield the first in-depth analysis of this elusive, reluctant hero.

Lost in Yonkers Jan 10 2024 A coming of age tale that focuses on brothers Arty and Jay, left in the care of their Grandma Kurnitz and Aunt Bella in Yonkers, New York. Their desperate father, Eddie, works as a traveling salesman to pay off debts incurred following the death of his wife. Grandma is a severe, frightfully intimidating immigrant who terrified her children as they were growing up, damaging each of them to varying degrees. Bella is a sweet but mentally slow and highly excitable woman who longs to marry an usher at the local movie house so she can escape the oppressive household and create a life and family of her own. Her brother Louie is a small-time, tough-talking hoodlum who is on the run, while her sister Gert suffers from a breathing problem with causes more psychological than physical problems. Missing much of the sentimentality of the plays comprising Simon's earlier Eugene trilogy, *Lost in Yonkers* climaxes with a dramatic confrontation between embittered mother and lonely daughter that creates a permanent fissure in this highly dysfunctional family.

The Play Goes On Nov 27 2022 A revealing and heartfelt memoir of a Pulitzer Prize-winning artist finding joy and inspiration after tragedy. In his critically acclaimed *Rewrites*, Neil Simon talked about his beginnings—his early years of working in television, his first real love, his first play, his first brush with failure, and, most moving of all, his first great loss. Simon's same willingness to open his heart to the reader permeates *The Play Goes On*. This second act takes the reader from the mid-1970s to the present, a period in which Simon wrote some of his most popular and critically acclaimed plays, including the Brighton Beach trilogy and *Lost in Yonkers*, for which he won the Pulitzer Prize. Simon experienced enormous professional success during this time, but in his personal life he struggled to find that same sense of happiness and satisfaction. After the death of his first wife, he and his two young daughters left New York for Hollywood. There he remarried, and when that foundered he remarried again. Told with his characteristic humor and unflinching sense of irony, *The Play Goes On* is rich with stories of how Simon's art came to imitate his life. Simon's forty-plus plays make up a body of work that is a long-running memoir in its own right, yet here, in a deeper and more personal book than his first volume, Simon offers a revealing look at an artist in crisis but still able and willing to laugh at himself.

Brighton Beach Memoirs Dec 29 2022 Full Length, Comic Drama / 3m, 4f / Comb. Ints/Ext. Here is part one of Neil Simon's autobiographical trilogy: a portrait of the writer as a young teen in 1937 living with his family in a crowded, lower middle-class Brooklyn walk-up. Eugene Jerome, standing in for the author, is the narrator and central character. Dreaming of baseball and girls, Eugene must cope with the mundane existence of his family life in Brooklyn: formidable mother, overworked father, and his worldly older brother Stanley. Throw into the mix his widowed Aunt Blanche, her two young (but rapidly aging) daughters and Grandpa the Socialist and you have a recipe for hilarity, served up Simon-style. This bittersweet memoir evocatively captures the life of a struggling Jewish household where, as his father states "if you didn't have a problem, you wouldn't be living here." "Brings a fresh glow to Broadway...In many respects his funniest, richest and consequently the most affecting of his plays."-New York Daily News "Simultaneously poignant and funny. The characters are fully dimensional, believable... An outstanding show...the best seen on Broadway in too long a time."-Variety "Hilarious comedy...His finest play...A delightful and enriching experience."-CBS-TV

Later rewritten by Neil Simon as the film *Only When I Laugh* starring Marsha Mason." -- Publisher's description.

The Star-spangled Girl Feb 16 2022 THE STORY: Andy and Norman are two earnest young men using their apartment as a publishing office for a protest magazine in San Francisco. Sophie, an Olympic swimmer and all-American girl, moves into another apartment on the same floor. Sophie makes her

California Suite Feb 04 2021 "Four couples arrive, in turn, from New York, Philadelphia, London and Chicago and separately inhabit a suite at The Beverly Hills Hotel, bringing along their problems, anxieties, and comical marital dilemmas. The view from Beverly Hills will never look the same!"--Cover.

Fifteen-year-old Eugene Jerome lives in Brighton Beach with his family. He is witty, perceptive, obsessed with sex, and forever fantasizing his baseball-diamond triumphs as star pitcher for the New York Yankees. As our guide through his "memoirs," Eugene takes us through a series of trenchant observations and insights that show his family meeting life's challenges with pride, spirit, and a marvelous sense of humor. But as World War II looms ever closer, Eugene sees his own innocence slipping away as the first important era of his life ends—and a new one begins.
