Nesara David E. Robinson,2011-08-01 Long before NESARA a project was born to restore the United States of America to its original Constitution of the Republic and to remove the structure of the Corporate United States This project began in the early 1950s and involved intelligent and patriotic minds of both civilian and military background These people over the years became known as the White Knights Out of this restoration process came the Prosperity Programs the Farmer Claims and finally NESARA The children of the wealthy families on our planet became concerned about the future of our civilization when they observed the poverty disease starvation and suffering of the masses They saw the imbalance between the wealth of the few and the destitution of the many and agreed among themselves to try to correct it One hundred of these wealthy children who came to be known as wealthy visionaries put one million dollars each of their money into investment programs in the 1980s called roll programs to generate funds to be used for humanitarian purposes Thus the Prosperity Programs were born Gradually news of this spread to the public and millions of people invested small amounts of their meager funds to aid in these various Prosperity Programs success Also during the 1970s and 1980s many US farmers were losing their land machinery buildings and cattle due to fraudulent foreclosures by the Federal Reserve Banks in cooperation with the IRS Many farmers joined forces and brought a class action lawsuit against the US Government the non federal Federal Reserve Bank and the IRS for fraud against the farmers

Cracked Hearts Linda Masemore Pirrung,2013-12 Some cracked hearts mend and some implode For the residents of a usually quiet and peaceful neighborhood life is about to change Beneath the peaceful and seemingly law abiding veneer lurks danger violence and a festering web of interconnected secrets lust and betrayal Everyone has a secret tucked away in a private place in their minds safe from discovery But dark forces at play will pry open these mental vaults and soon no one s privacy will be protected Hearts will shatter lives will end relationships will fall apart and paranoia will sweep the shadows Some will find perverse thrill in a forbidden love and others will pay the price for it Some will move from obsession to violence and no one s life will be quite as logical as it was before Every person who touches the life of another leaves a mark Can neighbors Stephanie John and Meg help Ron Hayley and Dan conquer their inner demons in time And will they ever learn the identity of the killer in their midst Can Zach and Blythe s love survive the trauma Does love truly conquer all or does it destroy it
