What Looks Like Crazy Charlotte Hughes, 2008-02-26 She's had hit after hit with Janet Evanovich. Now this New York Times bestselling author begins a series that readers will go crazy for. Psychologist Kate Holly's own life has become the stuff of intensive therapy. She's divorcing her gorgeous firefighter husband, she has an eccentric secretary, her mother and aunt have erected a vaguely sexual sculpture in her front yard, and her psychiatrist ex-boyfriend won't stop calling to find out what color panties she's wearing. Now Kate's being bombarded with mysterious threats, and the only person who can help her is the one man who always makes her lose her mind and heart.

High Anxiety Charlotte Hughes, 2009-12-29 Readers will go crazy for the latest Kate Holly case. Kate Holly needs a temporary secretary. Amanda Davis is a competent worker with a friendly personality, and after altering her hairstyle and fashion sense to identically match Kate's, more issues than a lifetime subscription to *Psychology Today*.

Full Speed Janet Evanovich, Charlotte Hughes, 2010-04-01 A novel brimming with nonstop action, quirky characters, sexy highjinks, and sharp humor. Welcome to Full Speed by Janet Evanovich and Charlotte Hughes. You'll fall in love with Jamie Swift and Max Holt, one dynamic duo who can't seem to escape trouble and an irresistible attraction as you follow them from one adventure to another. Newspaper editor Jamie Swift likes a little predictability in her life. When she suddenly finds herself minus a fiancé and with a major case of the hots for her silent partner, millionaire Maximillian Holt, any bit of predictability goes right out the window. Max is like a tornado turning her well-ordered world upside down. Now someone's unhappy with Max's recent business deal, dangerously unhappy. Before she knows it, Jamie's hotfooting across state lines to help Max and land a story. But Sweet Pea, Tennessee harbors some smelly secrets, many of which reside under the big tent of revivalist Harlan Rawlins, whose link to the Almighty rides shotgun with his Mob connections. Posing as husband and wife with computer genius Muffin and a mutt named Fleas along for the ride, Max and Jamie are in the middle of another crazy case, closer than ever to each other and too close for comfort to the kind of people who will do anything to stop them.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate shame free guide for your darkest days. A one of a kind book to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized medicalized or over spiritualized. Kay Warren cofounder of Saddleback Church. What happens when loving Jesus doesn't cure you of depression anxiety or suicidal thoughts. You might be crushed by shame over your mental illness only to be told by well meaning Christians to choose joy and pray more. So you beg God to take away the pain but nothing eases the ache inside. As darkness lingers and color drains from your world you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus But I Want to Die* Sarah J. Robinson offers a healthy practical and shame free guide for Christians struggling with mental illness. With unflinching honesty Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights mental health research and simple practices Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard won wisdom *I Love Jesus But I Want to Die* offers a path toward a rich hope filled life in Christ even when healing doesn't look like what you expect.

Man in the Dark Paul Auster, 2008 I am alone in the dark turning the world around in my head as I struggle through another bout of insomnia another white night in the great American wilderness. So begins Paul Auster's brilliant devastating tale about the many realities we inhabit as wars flame all around us. Seventy two year old August Brill is recovering from a car accident in his daughter's house in Vermont. When sleep refuses to come he lies in bed and tells himself stories struggling to push back thoughts about things he would prefer to forget his wife's recent death and the horrific murder of his granddaughter's boyfriend Titus. The retired book critic imagines a parallel world in which America is not at war with Iraq but with itself. In this other America the twin towers did

not fall and the 2000 election results led to secession as state after state pulled away from the union and a bloody civil war ensued As the night progresses Brill s story grows increasingly intense and what he is so desperately trying to avoid insists on being told Joined in the early hours by his granddaughter he gradually opens up to her and recounts the story of his marriage After she falls asleep he at last finds the courage to revisit the trauma of Titus s death *Passionate and shocking Man in the Dark* is a story of our moment an audiobook that forces us to confront the blackness of night even as it celebrates the existence of ordinary joys in a world capable of the most grotesque violence **Animals** Emma Jane Unsworth,2015-10-06 It is the moment every twenty something must confront the time to grow up Adulthood looms with all it s numbing tranquility and stifling complacency The end of prolonged adolescence is near Laura and Tyler are two women whose twenties have been a blur of overstayed parties a fondness for drugs that has shifted from cautious experimentation to catholic indulgence and hangovers that don t relent until Monday morning They ve been best friends partners in excess for the last ten years But things are changing Laura is engaged to Jim a classical pianist who has long since given up the carousing lifestyle He disapproves of Tyler s reckless ways and of what he perceives to be her bad influence on Laura Jim pulls Laura toward adulthood and responsibility toward what society says she should be but Tyler isn t ready to let her go But what does Laura want for herself And how can she choose between Tyler and Jim between one life she loves and another she s supposed to love Raw uproarious and deeply affecting *Animals* speaks to an entire generation caught between late adolescence and adulthood wondering what exactly they ll have to give up in order to grow up *The Never Hero* T. Ellery Hodges,2014-09-12 What if when you died no one would ever know you were all that stood between man and the enemy When Jonathan Tibbs awakes in a puddle of his own blood there isn t a scratch on him to explain it In the weeks to follow he comes to find he s been drafted for a war with a violent otherworldly species A war that only he can remember Now the man Jonathan imagined himself becoming is no longer the man who can endure his future The first installment in this science fiction action adventure series *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon Abandoned with little guidance and at the mercy of a bargain struck far outside his reach Jonathan races to unlock the means to surmount the odds and understand the mystery behind a conflict raging outside of time and memory In the end the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice
