One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race. As representatives of the Galactic Republic and the Sith Empire attempt to negotiate a peace treaty, deception by the Sith puts the Jedi in an unfortunate position. Meet Darth Vader, Darth Maul, Darth Sidious, and all of the villainous Sith from the epic Star Wars space saga! Featuring stunning retro illustrations, this book is perfect for Star Wars—and Little Golden Book—fans of all ages. An atlas to the game "Star Wars: the Old Republic" with maps to navigate every planet. Includes concept art. The second novel set in the Old Republic era and based on the massively multiplayer online game *Star Wars: The Old Republic*™ ramps up the action and brings readers face-to-face for the first time with a Sith warrior to rival the most sinister of the Order's Dark Lords—Darth Malgus, the mysterious, masked Sith of the wildly popular "Deceived" and "Hope" game trailers. Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she's going to find out what happened to him, even if it means

breaking every rule in the book. " ... Provides a stimulating introduction for readers with little previous knowledge of history. In our increasingly interdependent world, and understanding of other people and their history is becoming vitally important, but many people find it difficult to acquire an overall view of world history because they do not have attractive starting points. This book fills the gap. In short visual chapters, it provides the bare bones of the major developments in the history of the world. The book looks at individual civilisations and vividly describes how people lived, their discoveries and inventions, their conflicts with rival civilisations and their contributions to our own cultural heritage"--About this book. The Republic is Plato's most famous work and one of the seminal texts of Western philosophy and politics. The characters in this Socratic dialogue - including Socrates himself - discuss whether the just or unjust man is happier. They are the philosopher-kings of imagined cities and they also discuss the nature of philosophy and the soul among other things. A prequel to the upcoming multi-player online game follows a smuggler's discovery of a rich treasure that sparks a competition involving the Republic, the Empire, the Hutts and the Jedi High Council, all of whom are manipulated by an enigmatic spy. Relatively little attention has been paid to American military history between 1783 and 1812—arguably the most formative years of the United States. This encyclopedia fills the void in existing literature and provides greater understanding of how the nation evolved during this era. This encyclopedia offers a comprehensive examination of U.S. military history from the beginning of the republic in 1783 up to the eve of war with Great Britain in 1812. It enables a detailed study of the Early Republic, during which ideological and political divisions occurred over the fledgling U.S. military. The entries cover all the important battles, key individuals, weapons, Indian nations, and treaties, as well as numerous social, political, cultural, and economic developments during this period. The contents of the work will enable readers at the high school, college, university, and even graduate level to comprehend how political parties emerged, and how ideological differences over the organization, size, and use of the military developed. Larger global developments, including Anglo-American and Franco-American interactions, relations between Middle

Eastern states and the United States, and relations and warfare between the U.S. government and various Indian nations are also detailed. The extensive and detailed bibliographies will be immensely helpful to learners at all levels. This wide-ranging, multidisciplinary, illustrated encyclopedia covers in depth one of the most colorful and eventful periods in U.S. history--the eight decades from the end of the American Revolution to the eve of the Civil War. Full-color maps, photographs, and paintings illustrate a comprehensive reference guide to American history. It began as the ultimate voyage of discovery only to become the stuff of lost Republic legend and a dark chapter in Jedi history. Zahn returns to tell the whole extraordinary story of the remarkable and doomed Outbound Flight Project. After hundreds of years, the Sith Empire has returned to the galaxy, determined to crush the Republic that sent them into exile. For young Sith Teneb Kel, it is his only chance to rise above his lowly beginnings as a slave and prove his worth to the Dark Council. Yet their mission for him is unexpected. He will not hunt Jedi, but rather a fellow Sith--the Emperor's apprentice!

NEW YORK TIMES BESTSELLER • Join Republic spy Theron Shan as he faces off against the Sith Empire itself in this epic installment of The Old Republic. Light side, dark side—these are just empty words. . . . There are only two sides I care about: us and them. Republic or Empire! The Sith Empire is in flux. The Emperor is missing, presumed dead, and an ambitious Sith lord's attempt to seize the throne has ended fatally. Still, Darth Karrid, commander of the fearsome Imperial battle cruiser Ascendant Spear, continues her relentless efforts to achieve total Sith domination of the galaxy. But Karrid's ruthless determination is more than matched by the steely resolve of Theron Shan, whose unfinished business with the Empire could change the course of the war for good. Though the son of a Jedi master, Theron does not wield the Force—but, like his renowned mother, he has the spirit of rebellion in his blood. As a top covert agent for the Republic, he struck a crucial blow against the Empire by exposing and destroying a Sith superweapon arsenal—which makes him the ideal operative for a daring and dangerous mission to end Ascendant Spear's reign of terror. Joined by hot-headed smuggler Teff'ith, with whom he has an inexplicable bond, and wise Jedi warrior Gnost-Dural, Darth Karrid's former master, Theron must match wits and weapons with a battle-tested crew of the most cold-blooded disciples of the Dark Side. But time is running brutally short. And if they don't seize their one chance to succeed, they will surely have countless opportunities to die.
