Tom Holt

When Its A Jar Yospace 2 Tom Holt

When It's A Jar Tom Holt, 2013-12-17 Uniquely twisted cracking gags The Guardian UK Wacky humor bubbles through the polished narrative Holt doesn't skimp on the flashes of brilliance SFX Maurice has just killed a dragon with a breadknife And had his destiny foretold and had his true love spirited away That's precisely the sort of stuff that'd bring out the latent heroism in anyone Unfortunately Maurice is pretty sure he hasn't got any latent heroism Meanwhile a man wakes up in a jar in a different kind of pickle figuratively speaking He can't get out of course but neither can he remember his name or what gravity is or what those things on the ends of his legs are called and every time he starts working it all out someone makes him forget again Forget everything Only one thing might help him The answer to the most baffling question of all WHEN IS A DOOR NOT A DOOR An absurdly witty novel of alternate universes and very unlikely heroes from one of Britain's best loved comic writers perfect for fans of Douglas Adams and Terry Pratchett Books by Tom Holt Walled Orchard Series Goatsong The Walled Orchard J W Wells Co Series The Portable Door In Your Dreams Earth Air Fire and Custard You Don't Have to Be Evil to Work Here But It Helps The Better Mousetrap May Contain Traces of Magic Life Liberty and the Pursuit of Sausages YouSpace Series Doughnut When It's A Jar The Outsorcerer's Apprentice The Good the Bad and the Smug Novels Expecting Someone Taller Who's Afraid of Beowulf Flying Dutch Ye Gods Overtime Here Comes the Sun Grailblazers Faust Among Equals Odds and Gods Djinn Rummy My Hero Paint your Dragon Open Sesame Wish you Were Here Alexander at World's End Only Human Snow White and the Seven Samurai Olympiad Valhalla Nothing But Blue Skies Falling Sideways Little People Song for Nero Meadowland Barking Blonde Bombshell The Management Style of the Supreme Beings An Orc on the Wild Side

When It's a Jar Tom Holt, 2013 Maurice has just killed a dragon with a bread knife and his true love has been spirited away Meanwhile a man wakes up in a jar in a different kind of pickle figuratively speaking he can't get out or remember his name or anything and every time he starts working it all out someone makes him forget again An absurdly witty novel of alternate universes and very unlikely heroes

Earth, Air, Fire and Custard Tom Holt, 2012-09-04 A novel set in the magical offices of The Portable Door now a majorly fantastical film starring Christoph Waltz Sam Neill and Miranda Otto Tom Holt may be the most imaginative satirist to land on our shores since Douglas Adams Christopher Moore New York Times bestselling author J W Wells seemed to be a respectable establishment but the company now paying Paul Carpenter's salary is in fact a deeply sinister organization with a mighty peculiar management team Paul thought he was getting the hang of it particularly when he fell head over heels for his strangely alluring colleague Sophie but death is never far away when you work at J W Wells Our love struck hero is about to discover that custard is definitely in the eye of the beholder And that it really stings The J W Wells Co Series The Portable Door In Your Dreams Earth Air Fire and Custard You Don't Have to Be Evil to Work Here But It Helps The Better Mousetrap May Contain Traces of Magic Other titles from Tom Holt Doughnut When It

s A Jar The Outsorcerer s Apprentice The Good the Bad and the Smug The Management Style of the Supreme Beings An Orc on the Wild Side Holt Writing as K J Parker Sixteen Ways to Defend a Walled City How To Rule An Empire and Get Away With It A Practical Guide to Conquering the World Doughnut Tom Holt,2013-03-01 The doughnut is a thing of beauty A circle of fried doughy perfection A source of comfort in trying times perhaps For Theo Bernstein however it is far far more Things have been going pretty badly for Theo Bernstein An unfortunate accident at work has lost him his job and his work involved a Very Very Large Hadron Collider so he s unlikely to get it back His wife has left him And he doesn t have any money Before Theo has time to fully appreciate the pointlessness of his own miserable existence news arrives that his good friend Professor Pieter van Goyen renowned physicist and Nobel laureate has died By leaving the apparently worthless contents of his safety deposit to Theo however the professor has set him on a quest of epic proportions A journey that will rewrite the laws of physics A battle to save humanity itself This is the tale of a man who had nothing and gave it all up to find his destiny and a doughnut **The Killing Jar** Jennifer Bosworth,2016-01-12 I try not to think about it what I did to that boy Seventeen year old Kenna Marsden has a secret She s haunted by a violent tragedy she can t explain Kenna s past has kept people even her own mother at a distance for years Just when she finds a friend who loves her and life begins to improve she s plunged into a new nightmare her mom and twin sister are attacked and the dark powers Kenna has struggled to suppress awaken with a vengeance On the heels of the assault Kenna is exiled to a nearby commune known as Eclipse to live with a relative she never knew she had There she discovers an extraordinary new way of life as she learns who she really is and the wonders she s capable of For the first time she starts to feel like she belongs somewhere that her terrible secret makes her beautiful and strong not dangerous But the longer she stays at Eclipse the more she senses there is something menacing lurking underneath its idyllic veneer And she begins to suspect that her new family may have sinister plans for her In Your Dreams Tom Holt,2012-09-04 Ever been offered a promotion that seems too good to be true The kind where you snap their arm off to accept then wonder why all your long serving colleagues look secretly relieved as if they re off some strange and unpleasant hook It s the kind of trick that deeply sinister companies like J W Wells Co pull all the time Especially with employees who are too busy mooning over the office intern to think about what they re getting into And it s why right about now Paul Carpenter is wishing he d paid much less attention to the gorgeous Melze and rather more to a little bit of job description small print referring to pest control **The Better Mousetrap** Tom Holt,2012-09-04 A novel set in the magical offices of The Portable Door now a majorly fantastical film starring Christoph Waltz Sam Neill and Miranda Otto Tom Holt may be the most imaginative satirist to land on our shores since Douglas Adams Christopher Moore New York Times bestselling author It touches all our lives our triumphs and tragedies our proudest achievements our most traumatic disasters Alloyed of love and fear death and fire and the inscrutable acts of the gods insurance is indeed the force that binds the universe together Hardly surprising therefore that Frank Carpenter one of the foremost magical practitioners of our age felt

himself irresistibly drawn to it Until that is he met Jane a high flying corporate heroine with an annoying habit of falling out of trees and getting killed Repeatedly It s not long before Frank and Jane find themselves face to face with the greatest enigma of our times When is a door not a door When it s a mousetrap The J W Wells Co Series The Portable Door In Your Dreams Earth Air Fire and Custard You Don t Have to Be Evil to Work Here But It Helps The Better Mousetrap May Contain Traces of Magic Other titles from Tom Holt Doughnut When It s A Jar The Outsorcerer s Apprentice The Good the Bad and the Smug The Management Style of the Supreme Beings An Orc on the Wild Side Holt Writing as K J Parker Sixteen Ways to Defend a Walled City How To Rule An Empire and Get Away With It A Practical Guide to Conquering the World

The Management Style of the Supreme Beings Tom Holt,2017-06-20 When the Supreme Being and his son decide that being supreme isn t for them any more it s inevitable that things get a bit of a shake up It soon becomes apparent that our new owners the Venturi brothers have a very different perspective on all sorts of things Take Good and Evil for example For them it s an outdated concept that never worked particularly well in the first place Unfortunately the sudden disappearance of right and wrong while welcomed by some raises certain concerns amongst those still attached to the previous team s management style In particular there s one of the old gods who didn t move out with the others A reclusive chap he lives somewhere up north and only a handful even believe in him But he s watching And he really does need to know if you ve been naughty or nice

The Walled Orchard Tom Holt,2009-10-01 Read THE WALLED ORCHARD so you can tell your descendants I was there when the historical novel started holding its head up with the rest of literature WASHINGTON POST This book is a hilarious yet well researched historical novel HISTORICAL NOVEL REVIEW The hero is Eupolis weary cynical and believing only in comedy The heroine is Athens at the height of her schizophrenic glory A startling mixture of comedy and tragedy THE WALLED ORCHARD is the poignant charming story of their turbulent relationship With unforgettable characters and a powerful and moving story THE WALLED ORCHARD is a wonderful evocation of life in Ancient Greece in the fifth century BC Books by Tom Holt Walled Orchard Series Goatsong The Walled Orchard J W Wells Co Series The Portable Door In Your Dreams Earth Air Fire and Custard You Don t Have to Be Evil to Work Here But It Helps The Better Mousetrap May Contain Traces of Magic Life Liberty and the Pursuit of Sausages YouSpace Series Doughnut When It s A Jar The Outsorcerer s Apprentice The Good the Bad and the Smug Novels Expecting Someone Taller Who s Afraid of Beowulf Flying Dutch Ye Gods Overtime Here Comes the Sun Grailblazers Faust Among Equals Odds and Gods Djinn Rummy My Hero Paint your Dragon Open Sesame Wish you Were Here Alexander at World s End Only Human Snow White and the Seven Samurai Olympiad Valhalla Nothing But Blue Skies Falling Sideways Little People Song for Nero Meadowland Barking Blonde Bombshell The Management Style of the Supreme Beings An Orc on the Wild Side

The Outsorcerer's Apprentice Tom Holt,2014-08-19 A happy workforce it is said is a productive workforce Mmmm Try telling that to an army of belligerent goblins Or the Big Bad Wolf Or a professional dragons layer Who is looking after their well being Who gives a damn about

their intolerable working conditions lack of adequate health insurance and terrible coffee in the canteen Thankfully with access to an astonishingly diverse workforce and limitless natural resources maximizing revenue and improving operating profit has never really been an issue for the one they call the Wizard Until now Because now a perfectly good business model based on sound fiscal planning entrepreneurial flair and only one or two of the infinite parallel worlds that make up our universe is about to be disrupted by a young man not entirely aware of what's going on There's also a slight risk that the fabric of reality will be torn to shreds You really do have to be awfully careful with these things **Barking Tom** Holt,2012-09-04 Duncan's boss doesn't think he's cut out to be a lawyer He isn't a pack animal He lacks the killer instinct But when his best friend from school barges his way back into Duncan's life along with a full supporting cast of lawyers ex wives zombies and snow white unicorns it's not long before things become distinctly unsettling Hairy even **The Psychotronic Video Guide To Film** Michael Weldon,1996 The bible of B movies is back and better than ever From Abby to Zontar this book covers more than 9 000 amazing movies from the turn of the century right up to today's Golden Age of Video all described with Michael Weldon's dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan *Truth and Lies* Mark Bowden,Tracey Thomson,2018-02-06 National bestseller A fresh insightful guide to reading body language in the post digital age Whether you're at a job interview or a cocktail party searching LinkedIn or swiping right on a dating site you want no need to understand what people are really thinking regardless of what they're saying Understanding what others are trying to tell you with their posture hand gestures eye contact or lack thereof or incessant fiddling with their iPhone might all be even more important than what you're projecting yourself Do they plan on making a deal with your company Are they lying to you Can you trust this person with your most intimate secrets Knowing what others are thinking can tell you when to run with an opportunity and when not to waste your time whether at work in a crucial negotiation or on a promising first date Bestselling authors Mark Bowden and Tracey Thomson principals at the communications company Truthplane illustrate the essential points of body language with examples from everyday life leavened with humour and insights that you can use to your advantage in virtually any situation *The Good, The Bad and The Smug* Tom Holt,2015-07-28 A new novel from a master of comic fantasy Tom Holt New Evil Same as the Old Evil but with better PR Mordak isn't bad as far as goblin kings go but when someone or something starts pumping gold into the human kingdoms it puts his rule into serious jeopardy Suddenly he's locked in an arms race with a species whose arms he once considered merely part of a calorie controlled diet Helped by an elf with a background in journalism and a master's degree in being really pleased with herself Mordak sets out to discover what on earth if indeed that's where he is is going on He knows that the truth is out there If only he could remember where he put it May Contain Traces of Magic Tom Holt,2012-09-04 There are all kinds of products The good ones The bad ones The ones that stay in the garage moldering for years until your garden gnome makes a home out of it Most are harmless if handled properly even if

they do contain traces of peanuts But some are not not the ones that contain traces of magic Chris Popham wasn't paying enough attention when he talked to his SatNav Sure she gave him directions never talked back to him and always led him to his next spot on the map with perfect accuracy She was the best thing in his life So was it really his fault that he didn't start paying attention when she talked to him In his defense that was her job But when Take the next right turned into Excuse me that was when the real trouble started Because sometimes a GPS isn't a GPS sometimes it's an imprisoned soul trapped inside a metal box that will do anything it can to get free And some products you just can't return *Blonde Bombshell* Tom Holt, 2010-05-06 As you'd expect from Holt *Blonde Bombshell* is rife with puns complicated setups for ridiculous gags and a riveting story that is completely implausible Booklist BLONDE BOMBSHELL is a clever funny tirelessly inventive apocalyptic leg hump of a book Tom Holt may be the most imaginative satirist to land on our shores since Douglas Adams Christopher Moore A heart warming tale of Armageddon from one of the funniest most original voices in comic fiction today The third planet out from the star was blue with green splodges Dirt Oh the bomb thought And then its courage determination and nobility of spirit subroutines cut in overriding everything else adrenalizing its command functions and bypassing its cyberphrenetic nodes Here goes said the bomb to itself Calibrate navigational pod Engage primary thrusters Ready auxiliary drive It knew in that moment that its own doom was near because it was giving itself orders and it wasn't putting in any the s That was what you did apparently when the moment came You could also turn on a flashing red beacon and a siren but mercifully these were optional Oh thought the bomb and surged on towards Dirt like an avenging angel Perfect for fans of Douglas Adams BLONDE BOMBSHELL is the science fiction debut from Tom Holt one of the best loved comic writers in fantasy fiction Books by Tom Holt Walled Orchard Series Goatsong The Walled Orchard J W Wells Co Series The Portable Door In Your Dreams Earth Air Fire and Custard You Don't Have to Be Evil to Work Here But It Helps The Better Mousetrap May Contain Traces of Magic Life Liberty and the Pursuit of Sausages YouSpace Series Doughnut When It's A Jar The Outsorcerer's Apprentice The Good the Bad and the Smug Novels Expecting Someone Taller Who's Afraid of Beowulf Flying Dutch Ye Gods Overtime Here Comes the Sun Grailblazers Faust Among Equals Odds and Gods Djinn Rummy My Hero Paint your Dragon Open Sesame Wish you Were Here Alexander at World's End Only Human Snow White and the Seven Samurai Olympiad Valhalla Nothing But Blue Skies Falling Sideways Little People Song for Nero Meadowland Barking Blonde Bombshell The Management Style of the Supreme Beings An Orc on the Wild Side **Schrödinger's Caterpillar** Zane Stumpo, 2012-11 Graham Paint is a downsizing consultant and sick of it One morning he misses his bus when he stops to put a strange caterpillar in a matchbox As the bus passes he's shocked to spot himself inside Like Schrodinger's Cat in the famous quantum thought experiment the caterpillar's spawned parallel possibilities This comic novel explores Graham's search for a better life among the various overlapping alternatives Another clone Grim Dupeint is a loathsome international arms dealer Graham infiltrates Grim's corporation then embezzles cash for charity When a furious Grim realises Graham

must act fast And right now he s acting like fish food Graham launches upon a new lifestyle and sex life as he dons the designer suits of power But sinister figures soon see through Graham s clothing Now Graham s under attack from the corporation the police his ex wife s private detective and an infuriatingly pompous water colourist who Graham might have been if he d gone to art college rather than business school To survive and steal the artist s wonderful woman Graham needs to find hidden resources By definition Dopplegraham s equally resourceful Bugger *Einstein, History, and Other Passions* Gerald James Holton,2000 The book makes a wonderfully cohesive whole It is rich in ideas elegantly expressed I highly recommend it to any serious student of science and culture Lucy Horwitz Boston Book Review An important and lasting contribution to a more profound understanding of the place of science in our culture Hans C von Baeyer Boston Sunday Globe Holton s themes are central to an understanding of the nature of science and Holton does an excellent job of identifying and explaining key features of the scientific enterprise both in the historical sense and in modern science I know of no better informed scientist who has studied the nature of science for half a century Ron Good Science and Education Through his rich exploration of Einstein s thought Gerald Holton shows how the best science depends on great intuitive leaps of imagination and how science is indeed the creative expression of the traditions of Western civilization *Language, Culture, and Mind* Paul Kockelman,2010-02-18 Based on fieldwork carried out in a Mayan village in Guatemala this book examines local understandings of mind through the lens of language and culture It focuses on a variety of grammatical structures and discursive practices through which mental states are encoded and social relations are expressed inalienable possessions such as body parts and kinship terms interjections such as ouch and yuck complement taking predicates such as believe and desire and grammatical categories such as mood status and evidentiality And more generally it develops a theoretical framework through which both community specific and human general features of mind may be contrasted and compared It will be of interest to researchers and students working within the disciplines of anthropology linguistics psychology and philosophy **An Orc on the Wild Side** Tom Holt,2019-09-10 An Orc on the Wild Side is the latest comic masterpiece from one of the funniest writers in fantasy Winter is coming so why not get away from it all Being the Dark Lord and Prince of Evil is not as much fun as it sounds particularly if you are a basically decent person King Mordak is just such a person Technically he s more goblin than person but the point is that he is really keen to be a lot less despicable than his predecessors Not that the other goblins appreciate Mordak s attempts to redefine the role Why should they when his new healthcare program seems designed to actually extend life expectancy and his efforts to end a perfectly reasonable war with the dwarves appear to have become an obsession With confidence in his leadership crumbling what Mordak desperately needs is a distraction Perhaps some of these humans moving to the Realm in search of great homes at an affordable price will be able to help For more from Tom Holt check out The Management Style of the Supreme BeingsThe Good The Bad and the SmugThe Outsorcerer s ApprenticeWhen It s a JarDoughnutLife Liberty and the Pursuit of SausagesBlonde Bombshell
