It takes you step by step through the basic principles and issues in the law of torts in Canada"--Provided by publisher. The fifth Canadian edition of LOOK weaves together theory, popular culture, and first-person accounts from diverse communicators to give students a critical understanding of interpersonal communication. With opportunities for practical application, readers will gain confidence to build communication skills within their own relationships, both in academia and in their future workplaces. Built with students in mind, LOOK, 5Ce, invites students from all programs of study to see the impact of communication skills on their everyday lives.?

A concise and practical guide to preparing for the Canadian Securities Exam For anyone dreaming of a career in the Canadian finance industry, whether in banking, brokerage, financial planning, or mutual funds, passing the Canadian Securities Exam is the first step on the path to success. But there's a lot of material to know and almost everyone needs a helping hand. Thankfully, the Canadian Securities Exam Fast-Track Study Guide is the perfect quick-review tool covering all the basics you need to know. It includes "quick hits" of the key points in language that's straightforward and easy to understand. Fully updated to cover the latest topics added to the CSC curriculum, this is the perfect study guide for staying cool under pressure and getting the best score you can. An ideal way to prepare for the Canadian Securities Exam, this handy guide will have you fully prepped and ready to go in no time flat. An affordable, compact study guide that simply summarizes must-know information Features 400 sample questions, including multiple choice chapter review questions and two full practice exams, as well as cross-

referencing to the CSC textbook Written by a professor of finance and the Director of the Master of Management in Finance program at Queen's School of Business, Queen's University Ideal for finance students who need a quick review of the vital information they need to pass the Canadian Securities Exam MKTG, Fifth Canadian Edition, provides Introduction to Marketing students with an engaging learning experience. The growth of this text over the last 10 years has been shaped not only by reviews from instructors teaching the course, but also by focus groups with over 400 students. The engaging layout, where we consider the pedagogical value of photos, graphics, and white space, is one of the hallmarks of MKTG that students consistently comment they like the most. Within this thoroughly revised and updated edition, we have included over 175 new photos and figures, new feature boxes, and a new continuing case featuring Canadian company, Awake Chocolate. With MKTG, Fifth Canadian Edition, students not only learn the fundamentals of Marketing, but they also develop their soft skills, better preparing them for their careers! The fifth edition of Introduction to Corporate Finance is a student friendly and engaging course that provides the most thorough, accessible, accurate, and current coverage of the theory and application of corporate finance within a uniquely Canadian context. Introduction to Corporate Finance will provide students with the skills they need to succeed not only in the course, but in their future careers. Today's students are tomorrow's leaders and managers. The Management, Fifth Canadian Edition WileyPLUS course helps students discover their true potential and accept personal responsibility for developing career skills to become future leaders in the workplace. New content on topics like disruption, Big Data, AI, machine learning, and sustainability, plus thought-provoking exercises give students a fundamental understanding of today's world of management while urging them to reflect on their own behavior and decision-making processes. Management provides exciting new student engagement features on key themes of Analysis, Ethics, Choices, Insight, and Wisdom to attract learners' attention and prompt additional reflection, while fresh author videos, updated video cases accompanying each chapter, and other digital assets bring managerial theory to life. By the end of the course, students will be able to understand and apply management principles, have developed concrete skills for career readiness, gained confidence in critical thinking, and embraced lifelong learning to ensure professional success. Becoming a Teacher, 5CE offers a comprehensive guide to the Canadian educational landscape with its balanced approach from theory to research to practice, and successful 12-chapter organization. It offers new teachers the foundations and history of the Canadian educational system as well as practical advice and tools to build a solid and sustainable career in teaching. KEY TOPICS: Teaching; Learning to Teach; Ideas and Events That Have Shaped Education in Canada; Canadian School Governance; Social and Cultural Realities Confronting Today's Schools; Addressing Learners' Individual Needs; Creating a Community of Learners; Developing and Implementing the Curriculum; The Role of Technology in Education; Teachers as Educational Leaders; Your First Teaching Position; Educational Issues for the Twenty-First Century MARKET: Appropriate for B.Ed foundation courses - general education. Note: You are purchasing a standalone product; REVEL does not come packaged with this content. Students, if interested in purchasing this title with REVEL, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. Children: A Chronological Approach is the market-leading Child Development program for courses that take a chronological approach.

Students and faculty alike benefit both from its accessible and concise approach and its applied and Canadian content. The fifth Canadian edition of *Children: A Chronological Approach* is an effective textbook for college students studying child development in a course with a chronological framework. Its attractive, heavily illustrated, modular format helps students understand the evolution of child development research, theory, and applications, without overwhelming them. It provides students with a book written in an accessible, consistent style and at an appropriate level. *PSYCHOLOGY: THEMES AND VARIATIONS, BRIEFER EDITION, 8TH EDITION* helps you experience the excitement of this fascinating field, while helping you study and retain what you learn! Filled with practical ways that you can apply psychology to your everyday life, this best-selling psychology textbook is an experience in learning that you'll remember long after you complete your introductory psychology course. Critical Thinking Applications in every chapter give you specific critical thinking strategies you can apply to what you read. Every chapter of this book offers tools to help you focus on what's important--showing you how to study in ways that help you retain information and do your very best on exams. The fifth and thoroughly revised edition of *Regional Geography of the United States and Canada* provides a rich and comprehensive overview of both the physical and human geography of these two countries, and in the true spirit of geography, the interactions and interrelations of the physical and human. Following long traditions of the discipline of geography, this text incorporates words, maps, drawings, photographs, and numerical data to present its information in an engaging way. After covering beneficial precursor topics—such as the basics of physical and human geography—the text explores fifteen regions of the US and Canada. The authors observe and describe our planet's geography in thorough and accessible detail, while laying out the spatial basics of the location, shape, and size of the different regions, and summarizes their most distinctive thematic qualities. Physical topics covered include the region's topography and landforms, soils, climate, hydrography, vegetation, and wildlife. The human topics include the region's population; the ethnicities and settlement history of its people; economic activities, including agriculture, forestry, mining, fishing, manufacturing, and service industries; cities; and transportation. In-depth essays expand on specific topics of interest and importance, while outlook sections prognosticate about the near future of the regions. Each chapter

concludes with a bibliography of books, articles, and reports that provide further sources for the interested reader. Note: You are purchasing a standalone product; MyLab Management does not come packaged with this content. Students, if interested in purchasing this title with MyLab Management, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. Management of Human Resources: The Essentials, Fifth Canadian Edition, recognizes that human resources are now among the most important organizational assets, and thus brings both human resources and non-human resources readers into a current and comprehensive discussion about human resources today. The term human resources refers to the employee--employer relationship in the workplace. The knowledge, skills, assets, and competencies employees bring to their work help the organization achieve its objectives; these resources provide a source of competitive advantage for organizations in a hyper-competitive, global environment. If you would like to purchase both the physical text and MyLab Management, search for: 0134860810 / 9780134860817 Management of Human Resources: The Essentials, Fifth Canadian Edition Plus MyManagementLab with Pearson eText -- Access Card Package, 5/e Package consists of: 013430506X / 9780134305066 Management of Human Resources: The Essentials, Fifth Canadian Edition, 5/e 0134882962 / 9780134882963 MyManagementLab with Pearson eText -- Standalone Access Card -- for Management of Human Resources: The Essentials, Fifth Canadian Edition, 5/e Provides the broadest range of tools, enabling students to think critically about their lives and the world around them This comprehensive and engaging introduction to critical analysis delivers clear, step-by-step guidelines that provide students with the tools they need to systematically and rationally evaluate arguments, claims, and evidence. Fully up-to-date with examples from contemporary culture, politics, and media, this text helps students develop the skills they need to engage meaningfully with the world around them. WHATS IN IT FOR ME? Information technology lives all around us-in how we communicate, how we do business, how we shop, and how we learn. Smart phones, iPods, PDAs, and wireless devices dominate our lives, and yet it's all too easy for students to take information technology for granted. Rainer and Turban's Introduction to Information Systems, 2nd edition helps make Information Technology come alive in the classroom. This text takes students where IT lives-in today's businesses

and in our daily lives while helping students understand how valuable information technology is to their future careers. The new edition provides concise and accessible coverage of core IT topics while connecting these topics to Accounting, Finance, Marketing, Management, Human resources, and Operations, so students can discover how critical IT is to each functional area and every business. Also available with this edition is WileyPLUS - a powerful online tool that provides instructors and students with an integrated suite of teaching and learning resources in one easy-to-use website. The WileyPLUS course for Introduction to Information Systems, 2nd edition includes animated tutorials in Microsoft Office 2007, with iPod content and podcasts of chapter summaries provided by author Kelly Rainer. Thoroughly revised, plain-language explanations of legal issues that impact today's practicing engineers. This fully updated guide helps engineers navigate the complicated legal issues they encounter in their work. The book focuses on Canadian engineering practices and discusses the latest international rules and regulations. Contracts, liability issues, and intellectual property and tax laws are covered in full detail. Written by a recognized expert in the field, Law for Professional Engineers: Canadian and Global Insights, Fifth Edition features concise, easy-to-understand explanations of the legal issues that impact engineering. You will get relevant examples from Canadian case law that demonstrate real-world applications of each legal concept. The book provides practical advice that will help engineers navigate the complexities of international projects, whether they are based in Canada, in the U.S., or anywhere else in the world. •Cuts out the legalese and explains concepts from an engineer's perspective•Includes expanded coverage of engineering ethics•Written by an expert on international construction law and dispute resolution For years the gold standard in its field, the new Canadian edition of Educational Psychology continues that tradition of excellence with updated Canadian content and statistics, an enhanced layout, improved pedagogy, and fully integrated MyEducationLab media content. This fifth Canadian edition emphasizes Canada's multicultural context and provides information about reaching diverse learners with added content through the text. As well, the new "Diversity and Convergences" sections highlight the similarities and differences among students in today's classroom. An entire new chapter, "The Learning Sciences and Constructivism" explores the latest findings of modern views about education. Along with its new content, Educational Psychology continues to

integrate foundational theories and recent research and demonstrates how to apply this knowledge in real life situations. It shows how and why students learn and the roles of educational professions in motivating and guiding learning. Point/Counterpoint boxes acknowledge controversies and prepare readers to make informed decisions. In maintaining its tradition of excellence, and enhancing its design and content, Educational Psychology, 5th Canadian Edition will remain the gold standard in the field. Schermerhorn, Management 14e continues to offer the same balanced theory approach as with previous editions. Students need an active and engaged learning classroom environment that brings personal meaning to course content and the instructor's course objectives. Schermerhorn communicates with students through rich, timely features and cases that bring management topics, theories, and concepts to life. The underlying goal is to translate foundation theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test. This comprehensive and engaging introduction to the essential components of critical analysis uses a multidisciplinary approach to examine how psychological and social factors can impede clear thinking and lead to faulty reasoning. Emphasizing the importance of critical thinking to personal development and success, The Power of Critical Thinking provides students with the skills they need to engage meaningfully with the world around them - both inside and outside of the classroom. ?The fifth Canadian edition of HDEV focuses on current and relevant research in lifespan psychology, using a biopsychosocial framework to engage students. It covers a range of topics including the impact of technology and social media, 2SLGBTQ+ issues, physician-assisted dying, and changing family dynamics. HDEV is a convenient and easy-to-reference paperback textbook that includes popular Chapter Review Cards that can be easily removed and referenced. Students will find this format helpful for their studying and learning.? Management, with its rich Canadian content, accessible writing style, and currency, is the ideal introductory management product. It provides professors the opportunity to offer their students an engaging experience that will help them succeed. Students will learn to think critically and make sound business decisions using managerial theory as concepts are explored and reinforced by many real-world examples, exercises, and cases. Note: You are purchasing a standalone product; MyLab MIS does not come packaged with this content. Students, if interested in purchasing this title with MyLab

MIS, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. Experiencing MIS is a Canadian text that takes a business-process approach to the study of information systems. Written in a casual, conversational tone, with rich pedagogy and bold visuals, this book teaches the concepts, skills, and behaviours that are essential for success in business in the twenty-first century. If you would like to purchase both the physical text and MyLab MIS, search for: 0134994647 / 9780134994642 Experiencing MIS, Fifth Canadian Edition Plus MyMISLab with Pearson eText -- Access Card Package Package consists of: 0134711661 / 9780134711669 Experiencing MIS, Fifth Canadian Edition 0134861590 / 9780134861593 MyMISLab with Pearson eText -- Standalone Access Card -- for Experiencing MIS, Fifth Canadian Edition Law and Society provides a balanced and comprehensive analysis of the interplay between law and society using both Canadian and international examples. This clear and readable text is filled with interesting information, ideas and insights. All materials and supporting statistics have been carefully updated. This edition includes an expanded discussion of the law and First Nations people, recent developments impacting LGBTIQ2S persons, and persons with disabilities and a new section on civil procedures. Each chapter is structured similarly, with an outline, learning objectives, key terms, chapter summaries, critical thinking questions, and an array of additional resources. The 5th edition has been completely updated, including significant additions to the sections on military law, changes to the provincial court structure (i.e., simplified procedures, case management, and court reform), incorporation of formal and informal ADR, and key charter and constitutional jurisprudence that continues to shape the law in Canada."-- Pub. desc. Note: If you are purchasing an electronic version, MyPsychLab does not come automatically packaged with it. To purchase MyPsychLab, please visit www.mypsychlab.com or you can purchase a package of the physical text and MyPsychLab by searching for ISBN 10: 0205984770 / ISBN 13: 9780205984770. Lifespan Development, 5ce provides strong applications, and integrated learning objectives and assessment. Students who want to know "What does current research say?" and "Why is this important?" will appreciate both the applied nature of this text and the clarity and rigor of the authors' presentation of current research. An exceptional pedagogical package that ties the textbook to online MyPsychLab study tools complements the student-centered approach of the book and

offers students the benefit of frequent self-assessment. The latest edition has been thoroughly revised and updated to reflect the latest research in the field of human development. The new edition is built for student success, with each chapter streamlined to focus on key content and organized around learning objectives, with a more accessible design, and greater integration to a more robust and effective MyPsychLab. "Designed for those who are planning careers in the Canadian justice system or who will be working with people impacted by various aspects of the system, this text provides the foundational knowledge needed to understand the way the various facets of the Canadian justice system work."-- Cultural Anthropology is a comprehensive core text for students in introductory cultural anthropology courses, introducing the scope, methods, history, and theories of the discipline before moving into central areas of study, including social organization, making a living, worldview, and other key topics. These topics are examined through the lens of the authors' and other researchers' fieldwork experiences, classic and emerging theoretical perspectives, and contemporary Canadian and international examples, providing students with a broad and nuanced understanding. The fifth Canadian edition has been revised with a focus on readability and conciseness to ensure that the material is accessible for students. The text has been thoroughly updated and includes discussions of contemporary events such as the COVID-19 pandemic and the Black Lives Matter movement, encouraging students to see the relevance of cultural anthropology to their lives today. The new edition also takes a strong decolonizing perspective, confronting the colonial roots of the discipline, centring the voices of Indigenous scholars, and highlighting topics relevant to Indigenous people in Canada, including linguistic resiliency, governance, and resurgence.
