Deadline Feb 28 2024 Ben Wolf has big things planned for his senior year. Had big things planned. Now what he has is some very bad news and only one year left to make his mark on the world. How can a pint-sized, smart-ass seventeen-year-old do anything significant in the nowhere-ville of Trout, Idaho? First, Ben makes sure that no one else knows what is going on—not his superstar quarterback brother, Cody, not his parents, not his coach, no one. Next, he decides to become the best 127-pound football player Trout High has ever seen; to give his close-minded civics teacher a daily migraine; and to help the local drunk clean up his act. And then there's Dallas Suzuki. Amazingly perfect, fascinating Dallas Suzuki, who may or may not give Ben the time of day. Really, she's first on the list. Living with a secret isn't easy, though, and Ben's resolve begins to crumble . . . especially when he realizes that he isn't the only person in Trout with secrets.

The Night My Sister Went Missing Jun 21 2023 A taut YA crime thriller from the author of *The Body of Christopher Creed*. "There's no doubt Plum-Ucci can tell a heck of a story" (Booklist). Kurt, Casey's older brother, endures a seemingly endless night at the police station while the coast guard searches for his sister and his friends are questioned, one by one. Fire Will Fall May 21 2023 The four teen survivors from *Streams of Babel* face a new terroristic threat in a thriller that "will keep readers enthralled right up to the climax" (School Library Journal). ShadowStrike poisoned the water of Trinity Falls two months ago. Now the Trinity Four, the teens most affected by the poison, have been isolated in a remote mansion under twenty-four-hour medical care while scientists on four continents rush to discover a cure. Meanwhile, US operatives scour the world for the bioterrorists responsible for this heinous crime, as two teen virtual spies, also infected, hunt for the criminals on the Internet. The danger remains real—for ShadowStrike has every reason to pursue the Trinity Four, and their evil plan will unleash a new designer virus that's even deadlier than the first. "Figuring out whom to trust gets harder for everyone, including the reader, and the narrative picks up speed. Sexual tension and fragile relationships are part of the story as much as the terrorist hunt is, and the two couples' fears about their own possible impending mortality will captivate a high-school audience." —Booklist

Comprehending Columbine Oct 26 2023 On April 20, 1999, two Colorado teenagers went on a shooting rampage at Columbine High School. That day, Eric Harris and Dylan Klebold killed twelve fellow students and a teacher, as well as wounding twenty-four other people, before they killed themselves. Although there have been other books written about the tragedy, this is the first serious, impartial investigation into the cultural, environmental, and psychological causes of the massacre. Based on first-hand interviews and a thorough reading of the relevant literature, Ralph Larkin examines the complex of factors that led the two young men to plan and carry out their deed. For Harris and Klebold, Larkin concludes, the carnage was an act of revenge against the "jocks" who had harassed and humiliated them, retribution against evangelical students who acted as if they were morally superior, an acting out of the mythology of right-wing paramilitary organization members to "die in a blaze of glory," and a deep desire for notoriety. Rather than simply looking at Columbine as a crucible for all school violence, Larkin places the tragedy in its proper context, and in doing so, examines its causes and meaning.

What Happened to Lani Garver Nov 26 2023 The appearance of a mysterious teen leads to tragedy on a small fishing island in this "taut, provocative novel . . . [that] crackles with suspense" (Publishers Weekly). The close-knit residents of Hackett Island have never seen anyone quite like Lani Garver. Everything about this new kid is a mystery: Where does Lani come from? How old is Lani? And most disturbing of all, is Lani a boy or a girl? Popular Claire McKenzie isn't up to tormenting Lani with the rest of the high school elite. Instead, she decides

to befriend the intriguing outcast. But within days of Lani's arrival, tragedy strikes, and Claire is left questioning herself, her friendships, and, most interesting of all, the possibility that angels may exist on earth. "Gripping."—YM Magazine "Prejudice, homophobia, friendship, tolerance, individuality, and the possibility that something spiritually bigger than all of us rules this universe are wonderfully woven into this powerfully told story. Outstanding writing, strong characterization, and riveting plot development make this title rise above many recent coming-of-age stories."—School Library Journal "The characterizations are superb . . . The hint of supernatural only adds to the appeal. Successfully raising many valid issues, this should appeal to teens from the popular to the marginalized."—Kirkus Reviews "Lani's androgyny and his angelic possibilities are intriguingly played out."—Booklist

*Here Lies Arthur Mar 31 2024 Welcome to the dark side of Camelot. The acclaimed author of *Mortal Engines* delivers a "powerfully inventive" re-creation of the King Arthur tale (Booklist, starred review). Gwynna is just a girl who is forced to run when her village is attacked and burns to the ground. To her horror, she is discovered, but it is Myrddin the bard, a traveler and spinner of tales, who has found her. He agrees to protect Gwynna if she will agree to be bound in service to him. Gwynna is frightened but intrigued, for this Myrddin serves the young, rough, and powerful Arthur. In the course of their travels, Myrddin transforms Gwynna into the mysterious Lady of the Lake, a boy warrior, and a spy. It is part of a plot to transform Arthur from the leader of a ragtag war-band into King Arthur, the greatest hero of all time. If Gwynna*

and Myrrdin's trickery is discovered, what will become of Gwynna? Worse, what will become of Arthur? Only the endless battling, the mighty belief of men, and the sheer cunning of one remarkable girl will tell. "Nodding to canon and history while not particularly following either Reeve, like Myrrdin, turns hallowed myth and supple prose to political purposes, neatly skewering the modern-day cult of spin and the age-old trickery behind it. Smart teens will love this." —Publishers Weekly (starred review) "Is there room for yet another reworking of the Arthur legend? If it's this one, yes . . . Absorbing, thought-provoking and unexpectedly timely." —Kirkus Reviews (starred review) "A multilayered tour de force for mature young readers." —School Library Journal

The Basilisk's Lair May 09 2022 A reluctant young hero must chase down an evil serpent king in "this satisfying middle-grade adventure . . . in colonial British West Africa" (Kirkus Reviews). Nate Fludd is back in the camel saddle in pursuit of a missing, deadly basilisk—the mythical King of Serpents. As if saving a Dhughani village from the beast isn't hard enough, Nate and Aunt Phil must begin to solve the mystery of his parents' disappearance and protect *The Fludd Book of Beasts* from a sinister man who always seems to be one step ahead of them. With more lively illustrations by Kelly Murphy, *The Basilisk's Lair* picks up immediately where the first book in the series, *Flight of the Phoenix*, left off. This historical fantasy chapter book series is perfect for intermediate readers.

Winter's Orbit Apr 27 2021 A *Sunday Times* Bestseller! A 2022 Alex Award Winner! "Sparks fly" (NPR) in Everina Maxwell's gut-wrenching and romantic space opera debut. Prince Kiem, a famously disappointing minor royal and the Emperor's least favorite grandchild, has been called upon to be useful for once. He's commanded to fulfill an obligation of marriage to the representative of the Empire's newest and most rebellious vassal planet. His future husband, Count Jainan, is a widower and murder suspect. Neither wants to be wed, but with a conspiracy unfolding around them and the fate of the empire at stake they will have to navigate the thorns and barbs of court intrigue, the machinations of war, and the long shadows of Jainan's past, and they'll have to do it together. So begins a legendary love story amid the stars. Like *Ancillary Justice* meets *Red, White and Royal Blue*, *Winter's Orbit* is perfect for fans of *Lois McMaster Bujold*. "High-pitched noises escaped me; I shouted, more than once, 'Now kiss!' ... in a world so relentlessly uncertain, there's a powerfully simple pleasure in the experience of a promise kept." —*The New York Times Book Review* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
