The Crucible of Islam G. W. Bowersock, 2017-04-10 Little is known about Arabia in the sixth century yet from this distant time and place emerged a faith and an empire that stretched from the Iberian peninsula to India Today Muslims account for nearly a quarter of the global population A renowned classicist G W Bowersock seeks to illuminate this obscure and dynamic period in the history of Islam exploring why arid Arabia proved to be such fertile ground for Muhammad's prophetic message and why that message spread so quickly to the wider world The Crucible of Islam offers a compelling explanation of how one of the world's great religions took shape A remarkable work of scholarship Wall Street Journal A little book of explosive originality and penetrating judgment The joy of reading this account of the background and emergence of early Islam is the knowledge that Bowersock has built it from solid stones A masterpiece of the historian's craft Peter Brown New York Review of Books

Crucible Natalie Bennett, 2019-01-06 The smallest towns have the darkest secrets Raelynn Davenport An elusive beauty queen with a sordid past The Blackwoods A prominent family with a graveyard full of tortured skeletons The plan couldn't have been simpler All I had to do was swap my big city life and tarnished reputation for a fresh start in a small town Catching the immediate attention of said town's heart throbs was nowhere on my agenda Unapologetic about their true intentions I find myself in the center of a game that has no concept of moral aptitude All I wanted was peace All they crave is madness And in this game losing isn't an option Not when we're playing for my life Prelude to Deviant Games

Crucible of Faith Philip Jenkins,2017-09-19 One of America s foremost scholars of religion examines the tumultuous era that gave birth to the modern Judeo Christian tradition In *The Crucible of Faith* Philip Jenkins argues that much of the Judeo Christian tradition we know today was born between 250 50 BCE during a turbulent Crucible Era It was during these years that Judaism grappled with Hellenizing forces and produced new religious ideas that reflected and responded to their changing world By the time of the fall of the Temple in 70 CE concepts that might once have seemed bizarre became normalized and thus passed on to Christianity and later Islam Drawing widely on contemporary sources from outside the canonical Old and New Testaments Jenkins reveals an era of political violence and social upheaval that ultimately gave birth to entirely new ideas about religion the afterlife Creation and the Fall and the nature of God and Satan

Crucible Nancy Kress,2004-08 Nancy Kress made her reputation in the early 90s with her multiple award winning novella *Beggars in Spain* which became the basis for her extremely successful *Beggars Trilogy* comprising *Beggars in Spain* *Beggars and Choosers* and *Beggars Ride* Since then she has written over a dozen novels including the well received *Probability Trilogy* culminating in *Probability Space* which garnered her the John W Campbell Memorial Award for Best SF Novel Now comes a brand new science fiction epic It began with *Crossfire* a far future novel of planetary colonization and alien first contact Jake Holman a man trying to escape a dark past brought together a diverse

group of thousands to settle on a new world But instead the humans found themselves caught in the crossfire of a galaxy spanning war between two disparate species aggressive militaristic humanoids known as Furs and passive plantlike creatures known as Vines Having cast their lots with the peaceful Vines humanity faces all out war against the technologically superior Furs Our only hope A virus designed by the Vines to remove all aggressiveness from the Furs Can it spread fast enough to save not only Holman s colony but the rest of humanity And at what price to the Furs Driven by strong ideas and deep moral questions and peopled with real as life characters *Crucible* shows Kress at the top of her form amply demonstrating why she has been one of science fiction finest authors of the past twenty years [The Crucible](#) William T.
