Samoa History, Culture and Tourism Jul 04 2023 History of Samoa, Settlement of Samoans, Culture and tradition, Introduction to the history of Samoa: The following discussion focuses on Samoa since European contact. For additional treatment in a regional context, see Pacific Islands, history of. Early period Polynesians traveling in outrigger canoes arrived in the Samoan archipelago about 1000 bc, as indicated by Lapita pottery shards found in Mulifanua Lagoon on Upolu. Characteristics of the Samoan language indicate that the settlers probably came from Tonga. Local pottery

manufacturing ceased by about ad 200, by which time Samoa had become central too much of the settlement of eastern Polynesia. Find out more in the book "Samos History, Culture and Tourism"

The Pacific Insular Case of American S?moa Apr 08 2021 This book is a researched study of land issues in American S?moa that analyzes the impact of U.S. colonialism and empire building in the nineteenth and twentieth centuries. Carefully tracing

changes in land laws up to the present, this volume also draws on a careful examination of legal traditions, administrative decisions, court cases and rising tensions between indigenous customary land tenure practices in American Samoa and Western notions of individual private ownership. It also highlights how unusual the status of American Samoa is in its relationship with the U.S., namely as the only “unincorporated” and “unorganized” overseas territory, and aims to expand the U.S. empire-building scholarship to include and recognize American Samoa into the vernacular of Americanization projects.

Tamaitai Samoa Feb 04 2021 This is the story of Samoan women written in their own words. Sometimes sad, often exhilarating and always interesting, this is a fascinating insight into an ancient culture viewed from the perspective of women. In an often male dominated society the book tells us much that we may have already suspected. ... that even in overtly male societies women are powerful.

Siapo May 14 2024 "The artistic, cultural and economic functions of siapo in Samoan life prevail today... My little book is a modest contribution to understanding this important aspect of Samoan culture..."--Preface.

Pacific Universities Oct 15 2021

Introduction to American Samoa Nov 08 2023 American Samoa is a group of islands

located in the South Pacific, lying roughly 2,600 miles southwest of Hawaii. It is an unincorporated territory of the United States, meaning that it is under American sovereignty but is not part of the 50 states. American Samoa consists of five volcanic islands and two coral atolls that cover an area of approximately 76 square miles. The islands have a tropical climate and are largely covered in lush rainforest with a diverse range of flora and fauna. American Samoa is home to a diverse culture that has been shaped by its unique history and geographical location. The islands were originally settled by Polynesian explorers, who brought with them their traditions, religion, and language. In 1899, the United States annexed the islands, and American Samoans became US nationals. Today, the islands are governed by an elected governor and legislature, and the people of American Samoa have a unique cultural identity that reflects their rich history and their position between Polynesia and the United States.

ʻO Le Soga Dec 09 2023 A collection of information on Samoan protocols, traditions, oratory (addresses and honorifics) and genealogy. Includes information on American Samoa.
