Eight Rivers of Shadow Leo Hunt, 2016-08-23 In a high stakes sequel reluctant necromancer Luke Manchett must call upon the most wicked and eerie ghosts of his dispelled Host to save two innocent souls It's been a few months since Luke Manchett inherited a Host of eight hostile spirits from his dead father and made a deal with the devil to banish them Luke's doing his best to blend in to the background of high school to ignore the haunting dreams spawned by his father's Book of Eight and to enjoy the one good thing to come from the whole mess his girlfriend Elza And then it all begins again Ash a strange new girl with stark white hair requests his help and his Book of Eight to save her twin sister who was attacked by a demon Ash knows a lot more about necromancy than Luke and seems to know what she's doing but can she be trusted As Luke is drawn into a spiral of ever more dangerous favors he finds himself not only summoning the deadliest members of his father's Host but returning to Deadside in a terrifying quest to save what he holds dearest or die trying

Seven Trees of Stone Leo Hunt, 2017-08-15 Just when Luke thinks he's left Deadside and Dunbarrow behind he finds himself back where it all started as the two worlds violently collide in a riveting finale Now that last year's nightmare is in the past Luke and Elza have started college and Luke's mum has moved on too with a new boyfriend named Darren Life is returning to something like normal until Luke and Elza spend New Year's Eve at Darren's cottage and find themselves transported to the forest near Dunbarrow with no knowledge of how they got there Gray fog is spreading through town the sky is awash with green light and something is clearly very wrong a great spirit from Deadside known as the Barrenwhite Tree has broken open the gateway between the living and spirit worlds leaving Dunbarrow to be taken over by the world of the dead Together with Luke's old friends from school who seem oddly unaffected by the plague of insanity unleashed on the town Luke and Elza need to find a way to close the gateway while they still can Not only that but the devilish Mr Berkley is abroad in Dunbarrow with an agenda of his own and he hasn't forgotten Luke's debt to him

The End of the Line Robert Pisor, 1982 It was the most spectacular battle of the entire war

For 6 000 trapped marines it was a nightmare for President Lyndon Johnson an obsession For General Westmoreland it was to be the final vindication of technological weaponry In a compelling narrative Robert Pisor sets forth the history the politics the strategies and above all the desperate reality of the battle that became the turning point of the United States s involvement in Vietnam *Petite Anglaise* Catherine Sanderson,2010-10-29 When Tadpole was born I spent a sleepless night on the maternity ward gazing intently into her inky newborn eyes grappling to come to terms with the indisputable fact that this was an actual person looking back at me not just a version of Mr Frog or me or both in miniature From the outset she seemed to know what she wanted and I realized I could have no inkling of the paths she would choose to follow But if I watch her life unfold carefully enough perhaps I will see clear signposts pointing to who or what she will become Because when I look backward ransacking my own past for clues with the clarity that only hindsight can bring a series of defining moments do stand out Moments charged with significance snapshots of myself which if I join the dots together lead me unswervingly to where I stand today from French to France to Paris and to Petite Anglaise ed note excerpted from *Petite Anglaise* p 4 Catherine Sanderson has a beautiful bilingual daughter an authentic French boyfriend and a Paris apartment with bohemian charm She has what she has always wanted a life in France Growing up in Yorkshire amidst a traditional family Catherine had set her sights on a different life a life that would immerse her in an exotic language and culture From grammar school French lessons to teaching English in Normandy and finally to a permanent job in Paris she was determined that France would be the place she would call home But now that she does things are not so idyllic Catherine wonders just when her life in Paris turned from wine to vinegar She s stuck in a dead end administrative job her relationship with her boyfriend has settled into a dreary routine and the birth of their daughter has not helped to reignite the dying fire of her relationship The remedy to her dissatisfaction arrives in the morning headlines While scanning the news of the day Catherine becomes intrigued by a story profiling an internet diarist After exploring one blog after another and in one exhilarating moment Catherine decides to create her own online persona her *jardin secret* At that moment she is transformed from Catherine to Petite Anglaise her boyfriend to Mr Frog her daughter to Tadpole and her life to something she could never have predicted What begins as a lighthearted diversion a place to discuss the fish out of water challenges of ex pat life in Paris soon gives way to a raw forum for her to bare her most intimate secrets and impulsive desires Thousands of readers log on to the blog and are witness to the ever widening gulf between Petite Anglaise and Mr Frog Those public revelations of her growing frustrations which play out in each successive post begin to surreptitiously yet irrevocably erode their relationship
