Capons and Caponizing, 1960 *Brides and Knights of Christ* Meri Heinonen,2007 [Index, A History of the](#) Dennis Duncan,2023-02-28 A New York Times Editors Choice Book Named a Most Anticipated Book of 2022 by Literary Hub and Goodreads A playful history of the humble index and its outsized effect on our reading lives Most of us give little thought to the back of the book it's just where you go to look things up But as Dennis Duncan reveals in this delightful and witty history hiding in plain sight is an unlikely realm of ambition and obsession sparring and politicking pleasure and play In the pages of the index we might find Butchers to be avoided or Cows that sh te Fire or even catch Calvin in his chamber with a Nonne Here for the first time is the secret world of the index an unsung but extraordinary everyday tool with an illustrious but little

known past Charting its curious path from the monasteries and universities of thirteenth century Europe to Silicon Valley in the twenty first Duncan uncovers how it has saved heretics from the stake kept politicians from high office and made us all into the readers we are today We follow it through German print shops and Enlightenment coffee houses novelists living rooms and university laboratories encountering emperors and popes philosophers and prime ministers poets librarians and of course indexers along the way Revealing its vast role in our evolving literary and intellectual culture Duncan shows that for all our anxieties about the Age of Search we are all index rakers at heart and we have been for eight hundred years

Jottings from a Far Away Place Brendan Connell,2015-12-01 Ranging on the fringes of imagination and erudition forming a mosaic of stories maxims and sketches at once fragmentary and cumulative Jottings from a Far Away Place combines the timeless mannered assurance of the Eastern discursive essay with the experimentation of the Western avant garde As the focus shifts between fantastic tales and studies of viciousness the reader is treated to among myriad other things the adventures of a Taoist guitar player a bloody episode with Countess de Bathory a recipe for cinnabar sauce and the story of a man who has been reincarnated as a spoon A book that is like a collection of bulletins from the world of dreams
